**Special Study on Economic Change: Federal finance: the pursuit of American goals**, 1980

The Fiscal and Economic Effects of Federal Credit Assistance Programs International Monetary Fund, 1990-10-01 While federal credit programs are varied in form their fiscal and economic effects arise primarily from the same source each program s subsidy component Recent credit reform proposals would make control of credit subsidies the primary focus of budgetary efforts By subjecting these subsidies to annual appropriations the Government would gain more effective means to control the long run fiscal effects of credit programs Such reforms also would represent an important first step in improving their economic effects by eliminating unintended subsidies However many high subsidy rate programs appear to have a significant effect on the allocation of credit without yielding clearcut efficiency gains

Tax Aspects of the President's Economic Program United States. Congress. House. Committee on Ways and Means, 1981

Public Economics in the United States Steven Payson, 2014-06-11 This comprehensive explanation of the U S government s role in economics will be an eye opener for anyone who wants to understand exactly what the government does and doesn t do in this most critical area Most people including many economists are not aware of

the great variety of crucial tasks and invaluable analyses undertaken by government economists This three volume set will fill that gap with an all encompassing overview of the major economics related work the government performs across all of its agencies and offices With 45 chapters written by 61 leading experts the work covers every major topic in government economics including such diverse areas as monetary policy defense spending social assistance international trade antitrust and environmental protection In addition to entries by those who teach economics the compendium also features candid observations from government insiders to help readers grasp how things really work But readers will not only gain insight into specific fields and topics they will also be able to better understand the big picture and how its pieces fit together This unique and far reaching set often challenges conventional wisdom even as it presents a novel synthesis of the government s research analysis and actions     *Hearings, Reports and Prints of the Senate Committee on Banking and Currency* United States.
