Economics And Social Reform:

The Rise of Historical Economics and Social Reform in Germany, 1864-1894 Erik Grimmer-Solem, 2003 An investigation of the thought activity and influence of the economist and social reformer Schmoller in the era of Bismarck This study explores Schmoller's immense and lasting impact on the development of the social sciences and welfare state in Germany

The Opinions of Dr. Chalmers Concerning Political Economy and Social Reform Thomas Chalmers, 1912 *The Foundations of Political Economy and Social Reform* Ryuzo Kuroki, Yusuke Ando, 2017-12-22 This book brings together leading contributors to explore the development of political economy in eighteenth century France from an interdisciplinary perspective in particular the ideas for social reform proposed before the Revolution Political economy in the Eighteenth century encompassed not only what we traditionally regard as economics but also moral philosophy natural jurisprudence and political theory This volume explores the different arguments that were made for reforming the economic organisation of the Ancien R gime before the French Revolution In doing so the contributors show that political economy in France laid the foundation for social reform ideas throughout the whole of the eighteenth century **Economic Theory and Social**

Change Hasse Ekstedt, Angelo Fusari, 2010-06-30 This book is a discourse on modelling Man in a social context Its focus is on economic main stream theory in its capacity to handle basic problems such as uncertainty social dynamics and ethics The point of departure is a systematic critique of the specific methodology of economics and its axiomatic structure The ultimate aim is to develop an economic theory for a socially sustainable society Economic Theory and Social Change analyses the foundation of economic market theory in relation to its social implications On rejecting the axiomatic structure of the market theory Hasse Ekstedt and Angelo Fusari analyse the concept of growth and uncertainty with respect to a more realistic modelling of man The book also addresses central political problems and their potential solutions including permanent unemployment distribution of income the interaction of real and financial growth money and the credit system In seeking objective values to help to obtain a socially sustainable society the book traces a tentative revision of economic and social thought based on a deepening of some crucial features of modern economies and societies These features include innovation the connected flows of uncertainty entrepreneurship and their role in fuelling and characterizing economic growth and development This book will be of interest to postgraduate students and researchers of Economics particularly to those focussing on Economic Theory and Political Economy
