Ecotourism In The Less Developed World:

Ecotourism in the Less Developed World David B. Weaver, Griffith University. School of Tourism and Hotel Management, 1998 **Ecotourism in the Less Developed World** David Bruce Weaver, 1998 By defining and analyzing ecotourism in the less developed countries and its effects in all parts of the world this book sets the broader industry in context and includes country case studies and common themes and patterns which emerge **Tourism and the Less Developed World** David Harrison, 2001 Many less developed countries are expanding their tourism industries and these are seen to be crucial to their economic development Yet such activities can also create social cultural and environmental problems This book provides a review of many of the key issues involved in tourism in developing countries and presents a range of case studies These are interpreted from a perspective of the sociology and anthropology of development Case study chapters are presented from Africa Asia the Caribbean Latin America and Oceania The book provides essential reading for advanced students and researchers in tourism and development studies *Worldwide Destinations* Brian Boniface, MA, Chris Cooper, Robyn Cooper, Brian Boniface Ma, 2006-08-11 *Worldwide Destinations* The Geography of Travel and Tourism provides comprehensive coverage of worldwide tourism destinations examining the basic principles underlying the geography of tourist demand supply and transportation together with a broad survey of world tourism generating and destination regions *Environmental Planning in the Caribbean* Janet Momsen, 2016-12-05 Illustrated by case studies from both smaller nations such as Carriacou Barbados and St Lucia and larger countries including Cuba Mexico and Jamaica this volume brings together leading writers on environmental planning in the Caribbean to provide an interdisciplinary contemporary critical overview They argue that context is central to the practice of environmental planning in this region Rather than focusing on a deterministic colonial geography and history the contributors propose that whilst a wide range of foreign planning influences can be felt in different contexts environmental planning emerges in specific settings through the fluid interaction between local and global relations of power A number of chapters explore the effects of external discourses upon the region while others examine discourses on Western style democracy and tourism Other important themes covered include participatory planning urban planning physical development planning pest management sustainable development water pollution conservation and ecotourism **Ecological Tourism in the Republic of Kazakhstan** Katima Iskakova, Sairan Bayandinova, Zhannat Aliyeva, Aliya Aktymbayeva, Ruslan Baiburiyev, 2021-07-19 This book analyses the theoretical and methodological foundations of ecotourism and geotourism and examines the essence content factors and models of ecotourism development The authors conducted research to assess the tourist and recreational potential of ecotourism in Kazakhstan The study analyses the current state and describes the problems of the long term development of ecotourism Besides the authors also show the role of specially protected natural areas in ecotourism development including a list of organizations that can create tourist products in the environmental direction This book also defines the primary

conditions necessary for ecotourism in protected natural and rural areas The resulting cartographic material visualizes the geospatial potential of the regions of Kazakhstan aiming a more targeted expenditure of financial resources allocated to tourism development Thus the presented book is relevant from a practical perspective to scientists and researchers and is of value to business structures and stakeholders *International Encyclopedia of Human Geography*, 2009-07-16 The International Encyclopedia of Human Geography provides an authoritative and comprehensive source of information on the discipline of human geography and its constituent and related subject areas The encyclopedia includes over 1 000 detailed entries on philosophy and theory key concepts methods and practices biographies of notable geographers and geographical thought and praxis in different parts of the world This groundbreaking project covers every field of human geography and the discipline s relationships to other disciplines and is global in scope involving an international set of contributors Given its broad inclusive scope and unique online accessibility it is anticipated that the International Encyclopedia of Human Geography will become the major reference work for the discipline over the coming decades The Encyclopedia will be available in both limited edition print and online via ScienceDirect featuring extensive browsing searching and internal cross referencing between articles in the work plus dynamic linking to journal articles and abstract databases making navigation flexible and easy For more information pricing options and availability visit http://info.sciencedirect.com/content/books_ref_works coming Available online on ScienceDirect and in limited edition print format Broad interdisciplinary coverage across human geography Philosophy Methods People Social Cultural Political Economic Development Health Cartography Urban Historical Regional Comprehensive and unique the first of its kind in human geography *Tourism and Economic Development* R.N. Ghosh,M.A.B. Siddique,2017-09-08 Tourism has increasingly become a vital element in the economic development of the Indian Ocean region This volume brings together leading tourism and economics experts from the region to discuss the wide range of problems and issues raised by the increasing significance of tourism such as tourism and development dimensions of and assault on rural and urban poverty empowerment of women women s property rights access of the rural poor to services and resources political and economic impediments to human resources development management of energy and environmental resources and electronic commerce and development These issues and proposed policies are examined theoretically in the first section of this book with comparative empirical case studies from Australia Papua New Guinea Botswana Hong Kong Singapore India the Maldives Mauritius the Seychelles China and South Africa illustrating these arguments in the second section A conclusion sums up the problems found in current policy and practice and puts forward innovative proposals and prospects for tourism and development in the region **Tourism and Protected Areas** Robyn Bushell,Paul F. J. Eagles,2007 Bringing together the diverse experiences of park agencies and managers conservation NGO s and international agencies this book examines the role of tourism in protected area management Using case studies from around the world it provides examples of successful partnerships between community public and private

sectors It also explores how tourism can be used as a management tool for financing protected areas It concludes by summarizing the lessons learnt and the challenges facing protected areas in the future **Strategic Management in Tourism, 3rd Edition.** CABI Tourism Texts Luiz Moutinho,Alfonso Vargas-Sanchez,2018-02-26 This comprehensive textbook has at its core the importance of linking strategic thinking with action in the management of tourism It provides an analytical evaluation of the most important global trends as well as an analysis of the impact of crucial environmental issues and their implications Now in its third edition and reviewing the major factors affecting international tourism management this well established student resource provides an essential overview of strategic management for students and professionals in the tourism sector **Sustainable Tourism Management** John Swarbrooke,1999 Sustainable tourism is attracting enormous attention today throughout the world This book provides an up to date comprehensive coverage of the practice and management of the subject It offers a range of definitions of sustainable tourism from different sectors of tourism and different parts of the world Key issues and current debates are also discussed and a range of examples of sustainable tourism management practice are given The book is designed to be interactive with group and individual exercises and discussion points to further understanding of the subject **Indigenous Ecotourism** Heather Zeppel,2006-01-01 This volume reviews indigenous ecotourism as a special type of nature based tourism and examines the key principles of conservation and community benefits from indigenous owned and operated ecotourism businesses or joint ventures It compares indigenous ecotourism in developed and developing countries and provides global case studies of indigenous ecotourism projects in the Pacific Islands Africa Latin America and Southeast Asia The book analyses key factors and constraints for sustainable development of Indigenous ecotourism and explores the growing links between biodiversity conservation ecotourism and indigenous rights It will appeal to practitioners researchers and students in ecotourism and sustainable tourism indigenous studies conservation natural resource management and community development **BOOK JACKET Tourism and Development** K K Sharma,2005 **The Encyclopedia of Ecotourism** David Bruce Weaver,2001-01-01 The Encyclopedia of Ecotourism provides an expert state of the art and comprehensive knowledge base of the rapidly growing global ecotourism sector It is divided into eight major sections and contains 41 chapters individually authored by international researchers and practitioners in ecotourism Each chapter combines theory and practice in a complementary way The scope of the encyclopedia includes definitions and other contextual material regional perspectives venues impacts planning and management considerations and issues associated with ecotourism businesses research and training **Tourism and Development in the Developing World** David J. Telfer,Richard Sharpley,2015-12-14 Tourism is widely considered to be an important factor in socio economic development particularly in less developed countries However despite almost universal recognition of tourism s development potential the extent to which economic and social progress is linked to the growth of a country s tourism sector remains the subject of intense debate **Tourism and Development in the Developing World** offers a

thorough overview of the tourism development relationship Focusing specifically on the less developed world and drawing on contemporary case studies this updated second edition questions widely held assumptions on the role of tourism in development and seeks to highlight the challenges faced by destinations seeking to achieve development through tourism The introductory chapter establishes the foundation for the book exploring the meaning and objectives of development reviewing theoretical perspectives on the developmental process and assessing the reasons why less developed countries are attracted to tourism as a development option The concept of sustainable development as the most widely adopted contemporary model of development is then introduced and its links with tourism critically assessed Subsequent chapters explore the key issues associated with tourism and development including the rise of globalization the tourism planning and development process the relationship between tourism and communities within which it is developed the management implications of trends in the demand for and uptake of tourism and an analysis of the consequences of tourism development for destination environments economies and societies A new chapter considers the challenges of climate change sustainability of resource supply oil water and food global economic instability political instability and changing demographics Finally the issues raised throughout the book are drawn together in a concluding chapter that assesses the tourism and development dilemma Combining an overview of essential concepts theories and knowledge with an analysis of contemporary issues and debates in tourism and development this new edition will be an invaluable resource for those investigating tourism issues in developing countries The book will be of interest to students of tourism development geography and area studies international relations and politics and sociology

Managing Educational Tourism Christopher P. Cooper, 2003-01-09 Increasingly tourists are seeking learning and educational holidays This interest has led to the provision of tourism product with some form of learning or education as an integral component including cultural heritage tourism and ecotourism The growth of offshore education and lifelong learning has stimulated cross border movement for language learning school excursions and university student travel Reflecting this growth in educational tourism types the author outlines the main forms of educational tourism their demand and supply characteristics their impacts and the management issues associated with them taking a holistic systems based perspective The book argues that without adequate research and appropriate management of educational forms of tourism the potential regional development impacts and personal learning benefits will not be maximised The book highlights the need for collaboration and networking between both the tourism and education industries to adequately manage the issues surrounding the growth in educational tourism

The Political Economy of Development and Underdevelopment in Africa Toyin Falola, Jessica Achberger, 2013-06-07 While Africa is too often regarded as lying on the periphery of the global political arena this is not the case African nations have played an important historical role in world affairs It is with this understanding that the authors in this volume set out upon researching and writing their chapters making an important collective contribution to our understanding of modern Africa

Taken as a whole the chapters represent the range of research in African development and fully tie this development to the global political economy African nations play significant roles in world politics both as nations influenced by the ebbs and flows of the global economy and by the international political system but also as actors directly influencing politics and economics It is only through an understanding of both the history and present place of Africa in global affairs that we can begin to assess the way forward for future development

Critical Debates in Tourism Tej Vir Singh, 2012 The book is a landmark volume which examines perplexing tourism debates such as the relevance of mass tourism climate change authenticity tourism and poverty and slow tourism Multidisciplinary in content it covers applied aspects of sociology anthropology humanities and biosciences The book is unique in its presentation and style and will be an essential resource for scholars academics and practitioners

Political Ecology and Tourism Sanjay Nepal, Jarkko Saarinen, 2016-02-26 Political ecology explicitly addresses the relations between the social and the natural arguing that social and environmental conditions are deeply and inextricably linked Its emphasis on the material state of nature as the outcome of political processes as well as the construction and understanding of nature itself as political is greatly relevant to tourism Very few tourism scholars have used political ecology as a lens to examine tourism centric natural resource management issues This book brings together experts in the field with a foreword from Piers Blaikie to provide a global exploration of the application of political ecology to tourism It addresses the underlying issues of power ownership and policies that determine the ways in which tourism development decisions are made and implemented Furthermore contributions document the complex array of relationships between tourism stakeholders including indigenous communities and multiple scales of potential conflicts and compromises This groundbreaking book covers 15 contributions organized around four cross cutting themes of communities and livelihoods class representation and power dispossession and displacement and environmental justice and community empowerment This book will be of great interest to students and scholars in tourism geography anthropology sociology environmental studies and natural resources management
