

Immigration and Canada's economic recovery

In 2021, we welcomed a **record number of permanent residents**, more than **405,000**.

Immigration accounts for almost **100%** of Canada's labour force growth and nearly **80%** of our **population growth**.

Canada regained many of the jobs lost during the pandemic, but there remain **960,000 unfilled positions** across all sectors.

By 2030, **5 million** Canadians are set to retire and the worker to retiree ratio will drop down to only 3:1.

This is a clear sign that we have a **strong economic need for increased immigration**.

The 2022-2024 Immigration Levels Plan aims to welcome **431,645** permanent residents in 2022, **447,055** in 2023 and **451,000** in 2024.

By 2024, overall admissions will amount to **1.14%** of the Canadian population with nearly **60%** of admissions in the **Economic Class**.

Working to increase Francophone immigration to reach a target of **4.4%** of French-speaking immigrants outside Quebec by 2023.

Spreading the benefits of immigration to communities all across Canada.

Economic Recovery For Canada A Policy Framework

Daniel F McAuley
