The Elements of Moral Philosophy Stuart Rachels, 2023 Moral philosophy is the study of what morality is and what it requires of us As Socrates said it s about how we ought to live and why It would be helpful if we could begin with a simple uncontroversial definition of what morality is Unfortunately we cannot There are many rival theories each expounding a different conception of what it means to live morally and any definition that goes beyond Socrates s simple formula tion is bound to offend at least one of them This should make us cautious but it need not paralyze us In this chapter I will describe the minimum conception of morality

The Elements of Moral Philosophy with Dictionary of Philosophical Terms James Rachels, 2002-05 Firmly established as the standard text for undergraduate courses in ethics this concise lively book combines clear explanations of the main theories of ethics with discussions of interesting examples Topics covered include famine relief homosexuality and the treatment of animals The text s versatility allows it to be widely used not only in ethical theory courses but also in applied ethics courses of all kinds New coverage of absolute moral rules and indirect utilitarianism A new section further elaborates what a satisfactory moral theory would be like Important current issues such as abortion euthanasia the treatment of non human animals and famine relief are discussed in depth to illustrate the theories and to reveal their implications
