

Approaches to Teaching Chaucer's *Troilus and Criseyde* and the Shorter Poems

Edited by Tison Pugh
and Angela Jane Weisl

Elements Of Chaucers Troilus

D. S. Brewer

Elements Of Chaucers Troilus:

The Elements of Chaucer's Troilus Chauncey Wood,1984 Focuses upon the aspects of Geoffrey Chaucer's Troilus and Criseyde which criticize erotic love tracing the poem's transformations of Boccaccio's Filostrato and assessing external and internal evidence of attitudes towards love and sexuality Contemporary negative opinions of love especially those of John Gower to whom Troilus is dedicated clarify the proper subordination of human love to human will and the significance of Troilus's debasement Venus's domination of the action more evident than in Filostrato indicates the sexual nature of the lovers attraction while traditional recurrent images associated with the three major characters underscore the immorality of such love Sacred and Profane in Chaucer and Late Medieval Literature Will Robins,2010-01-01 Literary depictions of the sacred and the secular from the Middle Ages are representative of the era's widely held cultural understandings related to religion and the nature of lived experience Using late Medieval English literature including some of Chaucer's writings these essays do not try to define a secular realm distinct and separate from the divine or religious but instead analyze intersections of the sacred and the profane suggesting that these two categories are mutually constitutive rather than antithetical With essays by former students of John V Fleming the collection pays tribute to the Princeton University professor emeritus through wide ranging scholarship and literary criticism Including reflections on depictions of Bathsheba Troilus and Criseyde the Legend of Good Women Chaucer's Pardoner and Margery Kempe these essays focus on literature while ranging into history philosophy and the visual arts Taken together the work suggests that the domain of the sacred as perceived in the Middle Ages can variously be seen as having a hierarchical or a complementary relationship to the things of this world

Chaucer's Frame Tales Jörg O. Fichte,1987 Studies principally concerned with the nature and source of Chaucerian comedy There is much to profit by here STUDIES IN THE AGE OF CHAUCER *Il Filostrato* Giovanni Boccaccio,2019-05-23 Originally published in 1986 this translated version of Giovanni Boccaccio's Il Filostrato is of particular interest as the principal source for Chaucer's great work the Troilus This edition includes the original Italian alongside the translation so that even the English reader with no knowledge of Italian will be able to make out a good deal of the original assisted by a close translation **Chaucer and the Subject of History** Lee Patterson,1991 Chaucer's interest in individuality was strikingly modern He was aware of the pressures on individuality exerted by the past and by society by history Chaucer investigated not just the idea of history but the historical world intimately related to his own political and literary career This book has shaped the way that Chaucer is read *Law and Religion in Chaucer's England* Henry Ansgar Kelly,2023-05-31 These essays in a second collection by Professor Kelly investigate legal and religious subjects touching on the age and places in which Geoffrey Chaucer lived and wrote especially as reflected in the more contemporary sections of the Canterbury Tales Topics include the canon law of incest consanguinity affinity spiritual kinship the prosecution of sexual offences and regulation of prostitution especially in the Stews of Southwark legal opinions about wife beating and the laws of nature

concerning gender distinction focusing on Chaucer's Pardoner and the technicalities of castration Sacramental and devotional practices are discussed especially dealing with confession and penitence and the Mass Chaucer's Prioress serves as the starting point for a treatment of regulations of nuns in medieval England and also for the presence real and virtual of Jews and Saracens Muslims and pagans in England and conversion efforts of the time as well as sympathetic or antipathetic attitudes towards non Christians Included is a case study on the legend of St Cecilia in Chaucer and elsewhere and as patron of music and a discussion of canonistic opinion on the licit limits of medicinal magic in connection with the ministrations of John the Carpenter in the Miller's Tale

The New Cambridge Bibliography of English Literature: Volume 1, 600-1660 George Watson, Ian Roy Willison, 1974-08-29 More than fifty specialists have contributed to this new edition of volume 1 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries

The Medieval Tradition of Thebes Dominique Battles, 2004-06-01 As the story of the war between the sons of Oedipus and their cursed race the Theban legend rivaled that of Troy in popularity and importance for medieval poets and audiences Dominique Battles explores the vernacular Theban narratives of the Middle Ages including the Old French Roman de Thebes 1154 Boccaccio's Teseida Chaucer's Theban poems Anelida and Arcite 1370s the Knights Tale and the Theban subtext of the Troilus 1380s and John Lydgate's Siege of Thebes 1422 The Medieval Tradition of Thebes constitutes the first comprehensive study of the classical legend of Thebes in the Middle Ages Far from representing a single consistent legend the story of the civil war between Eteocles and Polynices took on a variety of forms and purposes each of which presents its own historical paradigm By tracing the relationship between these texts Battles demonstrates how each succeeding adaptation of Thebes builds upon and challenges those before it

The Mythographic Chaucer Jane Chance, 1994 *Sexuality in the Middle Ages and Early Modern Times* Albrecht Classen, 2008-12-10 Sexuality is one of the most influential factors in human life The responses to and reflections upon the manifestations of sexuality provide fascinating insights into fundamental aspects of medieval and early modern culture This interdisciplinary volume with articles written by social historians literary historians musicologists art historians and historians of religion and mental ity demonstrates how fruitful collaborative efforts can be in the exploration of essential features of human society Practically every aspect of culture both in the Middle Ages and the early modern age was influenced and determined by sexuality which hardly ever surfaces simply characterized by prurient interests The treatment of sexuality in literature chronicles music art legal documents and in scientific texts illuminates central concerns anxieties tensions needs fears and problems in human society throughout times

Chaucer and Boccaccio

R. Edwards, 2001-12-17 In the late Middle Ages Chaucer invents two imaginative domains crucial to his culture and to our understanding of the emergence of selfhood subjectivity and social arrangements antiquity and late medieval modernity Edwards demonstrates in this study how this was the result of Chaucer's reading and re-writing of the works of Boccaccio which provide sources and models for portraying the classical past and medieval modernity In so doing Edwards provides us with a valuable way of assessing Chaucer's analysis of late medieval culture Chaucer and Religion Helen Phillips, 2010 Chaucer's writings the Canterbury Tales lyrics and dream poems and Troilus are here freshly examined in relation to the religions the religious traditions and the religious controversies of his era *The Riverside Chaucer* Geoffrey Chaucer, Larry Dean Benson, 2008 The third edition of the definitive collection of Chaucer's Complete Works reissued with a new foreword by Christopher Cannon Since F. N. Robinson's second edition of the *The Works of Geoffrey Chaucer* was published in 1957 there has been a dramatic increase in Chaucer scholarship This has not only enriched our understanding of Chaucer's art but has also enabled scholars working for the first time with all the source material to recreate Chaucer's authentic texts For the third edition an international team of experts completely re-edited all the works added glosses to appear on the page with the text and greatly expanded the introductory material explanatory notes textual notes bibliography and glossary In short the Riverside Chaucer is the fruit of many years study the most authentic and exciting edition available of Chaucer's Complete Works

Chaucer's Troilus and Criseyde C. David Benson, 2019-09-18 Originally published in 1990 This study is of one of the world's great narrative poems and one of the few long poems in English about physical love Although this work is often overshadowed by the Canterbury Tales the author argues that it has its own profound multiplicity Its mixture of genres styles characters and other competing elements creates a powerful literary experience for each reader This book explores the diversity and contradictions produced by the poem without attempting to resolve them It is accessible to those reading the poem for the first time but equally stimulating to those who know it well stressing the importance of the role of individual readers in response to the openness of the poem Although previous criticism tends to emphasize one or two aspects while ignoring others Benson argues all critical readings are of interest because they make one aware of the poem's many contrasting layers and possibilities Beginning with the principal source Boccaccio's *Filostrato* the work examines the many different elements added to this source which contains internal tensions and thus develops Boccaccio's story in a variety of often contradictory directions The author considers Chaucer's treatment of setting characterization love fortune and religion showing how these affect the character of the poem and make it simultaneously more chivalric and comic more Christian and more pagan *Of Remembraunce the Keye* Uwe Böker, Dieter A. Berger, Noel Harold Kaylor, 2004 The papers in this book examine the thematic structural and aesthetic relationship between medieval English literature and a wide variety of more recent modern texts Some of the contributors re-examine the concepts of authority and representation in Chrétien and Malory and of medieval romance and the modern novel while Caxton's *Morte Darthur* is interpreted from the point of view of

Norbert Elias other focuses of interest are the love death motif in nineteenth century novels the comic in contemporary British fiction the literary representations of Arthurian characters Galahad Tristan Gawain and recent Beowulf translations In addition there are socio historic and generic readings of Chaucer s Sir Thopas and of Troilus and Criseyde of Ipomadon and Malory s Morte Darthur Aspects of medieval heritage are uncovered in Horace Walpole F rst P ckler Muskau Georg Kaiser A S Byatt David Lodge Fay Weldon Iris Murdoch the Irish novelist Eamonn Sweeney and the Polish writer Andrzej Sapkowski in William Gibson s cyberpunk novel Neuromancer and Peter Ackroyd s recent Clerkenwell Tales In addition there is a translation of Karl Heinz G ller s former essay on Chaucer s Troilus and Criseyde **Social Chaucer** Paul Strohm,1989

Each generation finds in Chaucer s works the concerns and themes of its own era But what of Chaucer s contemporaries For whom was he writing With what expectations would his original audience have approached his works In what terms did he and his audience understand their society and how does his poetry embody a view of society These are some of the questions Paul Strohm addresses in this innovative look at the historical Chaucer Fourteenth century English society was he reminds us in a state of accelerating transition feudalism was yielding to capitalism and traditional ways of understanding one s place in society were contending with new social paradigms Those like Chaucer who lived on the fringe of gentility were particularly sensitive to these changes Their social position opened the way to attractive possibilities even as it exposed them to special perils Strohm draws on seldom considered documents to describe Chaucer s social circle and its experiences and he relates this circle to implied and fictional audiences in the texts Moving between major works like the Canterbury Tales and less frequently discussed works like Complaint of Mars he suggests that Chaucer s poetry not only reproduces social tensions of the time but also proposes conciliatory alternatives His analysis yields a fuller understanding of Chaucer s world and new insight into the social implications of literary forms and styles A New Introduction to Chaucer D. S. Brewer,2014-07-15

This new introduction to Chaucer has been radically rewritten since the previous edition which was published in 1984 The book is a controversial and modern restatement of some of the traditional views on Chaucer and seeks to present a rounded introduction to his life cultural setting and works Professor Brewer takes into account recent literary criticism both challenging new ideas and using them in his analysis of Chaucer s work Above all there is a strong emphasis on leading the reader to understand and enjoy the poetry and prose and to try to understand Chaucer s values which are often seen to oppose modern principles A New Introduction to Chaucer is the result of Derek Brewer s distinguished career spanning fifty years of research and study of Chaucer and contemporary scholarship and criticism New interpretations of many of the poems are presented including a detailed account of the Book of the Duchess Derek Brewer s fresh and narrative style of writing will appeal to all who are interested in Chaucer from sixth form and undergraduate students who are new to Chaucer s work through to more advanced students and lecturers **Second catalogue, including the additions made since**
