Elephant And The Tiger Full Story Of The Vietnam War:

The Elephant and the Tiger Wilbur H. Morrison,1990 A step by step account to really probe behind the events of the Vietnam War

A Companion to the Vietnam War Marilyn B. Young,Robert Buzzanco,2008-04-15 A Companion to the Vietnam War contains twenty four definitive essays on America s longest and most divisive foreign conflict It represents the best current scholarship on this controversial and influential episode in modern American history Highlights issues of nationalism culture gender and race Covers the breadth of Vietnam War history including American war policies the Vietnamese perspective the antiwar movement and the American home front Surveys and evaluates the best scholarship on every important era and topic Includes a select bibliography to guide further research

The Encyclopedia of the Vietnam War Bloomsbury Publishing,2011-05-20 Now in its second edition this comprehensive study of the Vietnam War sheds more light on the longest and one of the most controversial conflicts in U S history The Vietnam War lasted more than a decade was the longest war in U S history and cost the lives of nearly 60 000 American soldiers as well as millions of Vietnamese many of whom were uninvolved civilians The lessons learned from this tragic conflict continue to have great relevance in today s world Now in its second edition *The Encyclopedia of the Vietnam War A Political Social and Military History* adds an entire additional volume of entries to the already exhaustive first edition making it the most comprehensive reference available about one of the most controversial events in U S history Written to provide multidimensional perspectives into the conflict it covers not only the American experience in Vietnam but also the entire scope of Vietnamese history including the French experience and the Indochina War as well as the origins of the conflict how the United States became involved and the extensive aftermath of this prolonged war It also provides the most complete and accurate order of battle ever published based upon data compiled from Vietnamese sources This latest release delivers even more of what readers have come to expect from the editorship of Spencer C Tucker and the military history experts at ABC CLIO

Vietnam War James H. Willbanks,2013-01-08 The Vietnam War was one of America s longest bloodiest and most controversial wars This volume examines the complexities of this protracted conflict and explains why the lessons learned in Vietnam are still highly relevant today Vietnam War The Essential Reference Guide provides a compendium of the key people places organizations treaties and events that make up the history of the war explaining its causes how it was conducted and its far reaching consequences Written by recognized authorities this ready reference volume provides essential information all in one place and includes a comprehensive list of additional sources for further study The work presents a detailed chronology that outlines the numerous battles and campaigns throughout the war such as the Tet Offensive the Battle of Hamburger Hill Operation Rolling Thunder and the Battle of Hue Biographies on Lyndon Johnson William Westmoreland Robert McNamara Ngo Dinh Diem and other major political figures and military leaders provide insight into the individuals who played key roles in the conflict while primary source documents such as President Nixon s speech on Vietnamization provide invaluable historical

context Understanding War Christian P. Potholm, 2016-08-03 The third book in Professor Christian Potholm's war trilogy which includes *Winning at War* and *War Wisdom* *Understanding War* provides a most workable bibliography dealing with the vast literature on war and warfare As such it provides insights into over 3000 works on this overwhelmingly extensive material *Understanding War* is thus the most comprehensive annotated bibliography available today Moreover by dividing war material into eighteen overarching themes of analysis and fifty seminal topics and focusing on these *Understanding War* enables the reader to access and understand the broadest possible array of materials across both time and space beginning with the earliest forms of warfare and concluding with the contemporary situation Stimulating and thought provoking this volume is essential for an understanding of the breadth and depth of the vast scholarship dealing with war and warfare through human history and across cultures **The Myth of Inevitable US Defeat in Vietnam** Dale Walton, 2013-01-11 This book offers a dispassionate strategic examination of the Vietnam conflict that challenges the conventional wisdom that South Vietnam could not survive as an independent non communist entity over the long term regardless of how the United States conducted its military political effort in Indochina *Ambassador Frederick Reinhardt and America's Relationship with Vietnam, 1955-1957* Ronald B. Frankum, Jr., 2024-11-01 Frederick Reinhardt arrived in Vietnam as the second United States Ambassador during a critical time in the relationship between the two countries Vietnam had been without an American ambassador since the departure of Donald Heath in November 1954 while American interests were being handled by General J Lawton Collins who accepted the position of Special Representative at President Dwight D Eisenhower's request Collins had a difficult relationship with Ngo Dinh Diem one that was marred by his intrigue with the French and his tendency to place the Vietnamese in a secondary position even when he had their best interests in mind Reinhardt repaired the fragile relationship and oversaw American's interests in Vietnam during a period of several significant events including the removal of the French Expeditionary Corps a referendum to depose Bao Dai the creation of a Vietnamese Constitution and Vietnam's first national election It was Reinhardt's temperament and professionalism that allowed Ngo Dinh Diem to regain trust in the United States as the two countries continued to work towards the common goal of Vietnamese independence in a Communist Free Republic *Westmoreland's War* Gregory Daddis, 2014 This groundbreaking study offers a major reinterpretation of American strategy during the first half of the Vietnam War Gregory A Daddis argues senior military leaders developed a comprehensive campaign strategy one not confined to attrition of enemy forces This innovative work is a must for a genuine understanding of the Vietnam War No Sure Victory Gregory A. Daddis, 2011-06-01 In *No Sure Victory* Army officer and historian Gregory Daddis looks deep into the Army's techniques for measuring military success in Vietnam and presents a much more complicated and disturbing account of the American misadventure in Indochina Daddis shows how the US Army adopted a massive and eventually unmanageable system of measurements and formulas to track the progress of military operations that ranged from pacification efforts to search and destroy missions Concentrating more on data collection and

less on data analysis these indiscriminate attempts to gauge success may actually have hindered the army's ability to evaluate the true outcome of the fight at hand a roadblock that Daddis believes significantly contributed to the many failures that American forces suffered in Vietnam Filled with incisive analysis and rich historical detail *No Sure Victory* is not only a valuable case study in unconventional warfare but a cautionary tale that offers important perspectives on how to measure performance in current and future armed conflict

Shadows of Vietnam Frank E. Vandiver, 1997 Compellingly addressing long standing questions of whether the White House had become isolated from public opinion and whether Johnson was hardened to the voices raised against the war Vandiver shows the president as a man who agonized raged and grew in response to crises in Vietnam and at home

Supplement to Vietnam 1964-1973, 2005

Vietnam War Slang Tom Dalzell, 2014-07-25 In 2014 the US marks the 50th anniversary of the Gulf of Tonkin Resolution the basis for the Johnson administration's escalation of American military involvement in Southeast Asia and war against North Vietnam *Vietnam War Slang* outlines the context behind the slang used by members of the United States Armed Forces during the Vietnam War Troops facing and inflicting death display a high degree of linguistic creativity Vietnam was the last American war fought by an army with conscripts and their involuntary participation in the war added a dimension to the language War has always been an incubator for slang it is brutal and brutality demands a vocabulary to describe what we don't encounter in peacetime civilian life Furthermore such language serves to create an intense bond between comrades in the armed forces helping them to support the heavy burdens of war The troops in Vietnam faced the usual demands of war as well as several that were unique to Vietnam a murky political basis for the war widespread corruption in the ruling government untraditional guerilla warfare an unpredictable civilian population in Vietnam and a growing lack of popular support for the war back in the US For all these reasons the language of those who fought in Vietnam was a vivid reflection of life in wartime Vietnam War Slang lays out the definitive record of the lexicon of Americans who fought in the Vietnam War Assuming no prior knowledge it presents around 2000 headwords with each entry divided into sections giving parts of speech definitions glosses the countries of origin dates of earliest known citations and citations It will be an essential resource for Vietnam veterans and their families students and readers of history and anyone interested in the principles underpinning the development of slang

The Dove and the Eagle Roberto Fornasier, 2013-01-03 This book represents research conducted over a two year period on the politico diplomatic relations between Italy and the United States in the mid Sixties and Seventies Based on conspicuous archival materials from Italian American and British sources and on a great amount of secondary literature it traces an accurate panorama of the Italian political social and diplomatic developments from the student and worker protests of 1968 to the killing of Aldo Moro in 1978 from the behind the scenes bargains between parties to the fear of the Communist Party's growth during the Premiership of the conservative Christian Democrat Mariano Rumor 1915 1990 The volume includes an innovative comparison between Rumor's basic choices of foreign policy and those of the duo Nixon and Kissinger

From here arises the book's title where the dove is represented by Rumor a fervent Catholic a firm anti Communist a reliable Atlantist and an indefatigable Europeanist while the eagle is embodied by the Republican Administrations of Richard Nixon and Gerald Ford

Through the Valley James F. Humphries, 2008-10-13 The fierce close combat in the remote areas of South Vietnam's northern provinces in 1967-68 the battles of Hiep Duc March 11 Nhi Ha and Hill 406 has been a strangely underreported slice of the Vietnam War Through the Valley brings those battles into sharp focus chronicling the efforts of the proud units of the Americal Division and the 196th Light Infantry Brigade against a stubborn enemy in long forgotten villages and on torturous hills Colonel Humphries draws on both his own combat experience and the eyewitness reports of fifty former veterans to reconstruct what it was like to fight in Vietnam

On War and Leadership Michael Owen Connelly, 2009-01-10 What can we learn about leadership and the experience of war from the best combat leaders the world has ever known This book takes us behind the scenes and to the front lines of the major wars of the past 250 years through the words of twenty combat commanders What they have to say which is remarkably similar across generational national and ideological divides is a fascinating take on military history by those who lived it It is also worthwhile reading for anyone from any walk of life who makes executive decisions The leaders showcased here range from Frederick the Great to Norman Schwarzkopf They include such diverse figures as Napoleon Bonaparte commanders on both sides of the Civil War William Tecumseh Sherman and Stonewall Jackson German and American World War II generals Rommel and Patton a veteran of the Arab Israeli wars Moshe Dayan and leaders from both sides of the Vietnam War Vo Nguyen Giap and Harold Moore What they have had in common is an unrivaled understanding of the art of command and a willingness to lead from the front All earned the respect and loyalty of those they led and moved them to risk death The practices of these commanders apply to any leadership situation whether military business political athletic or other Their words reveal techniques for anticipating the competition leading through example taking care of the troops staying informed turning bad luck to advantage improvising and making bold decisions Leader after leader emphasizes the importance of up front muddy boots leadership and reveals what it takes to persevere and win Identifying a pattern of proven leadership this book will benefit anyone who aspires to lead a country a squadron a company or a basketball team It is a unique distillation of two and a half centuries of military wisdom

Supplement to Vietnam 1964-1973 Elwood L. White, 2005 This bibliography is a supplement to the Special Bibliography Series Number 80 compiled in 1990 to support the 14th Military History Symposium It is primarily intended as a listing of scholarly works completed since 1990 on the Vietnam War although some works prior to that date are included The bibliography is selected from the holdings on that war housed in the McDermott library United States Air Force Academy and includes books journal articles government publications and technical reports Newspaper articles works of fiction collections of poetry and most personal narratives are not included The Clark Special Collections Branch of the library has extensive primary source materials and artifacts focused on American POW experiences in Southeast Asia Those items

are also excluded from this bibliography since they are limited to in house use only Individuals wanting information about that collection should contact the Special Collections Curator and Academy Archivist

The Generalship Of General Henri E. Navarre During The Battle Of Dien Bien Phu Major Bruce H. Hupe, 2015-11-06 This study examines the generalship of the French Commander in Chief in Indochina General Henri E Navarre during the battle of Dien Bien Phu in 1954 This thesis employs a model of generalship from the United States Army doctrinal publication Field Manual 22 103 Leadership and Command at Senior Levels to analyse the actions of General Navarre Through the application of the model this thesis tests whether American doctrine supports or refutes the judgment of history The conclusion reached is that the defeat of the French forces at the battle of Dien Bien Phu was largely due to a failure of senior level leadership on the part of General Henri E Navarre
