part of the country with a developed culture and civilization The Munda society abounds in rich folktales which until a few decades back used to be passed orally from one generation to another The present book is a collection of some Munda folktales The elephant stories are real and the author collected them living with the elephant chasers in deep forest villages

Who Killed Creativity? Andrew Grant, Gaia Grant, 2012-01-10 The essential guide to building a culture of creativity and innovation throughout an organization Your help is needed to crack an unsolved crime creative thinking is critical for future fulfillment and survival and yet it is now declining at an alarming rate In this original mystery style approach you will have the opportunity to match your knowledge against that of the latest brain researchers psychologists and sociologists as you are taken on a humorous and often startling journey to discover why creativity is dying an untimely death The 7 Rescue Strategies then provide proven innovation solutions from personal issues through to organizational imperatives Authors Andrew and Gaia Grant have travelled the world for more than 25 years working with more than 20 000 international keynote and workshop participants in more than 30 countries at all levels With a fascinating forensic approach revealing carefully researched facts and anecdotal insights this is a compelling modern tale And there is a final twist that will leave you wondering Can we really live happily ever after **The World's Work**, 1926 **My Backyard Elephant** Jason

Derry, 2015-06-16 Some kids grow up with cats or dogs but I grew up with an elephant named Cara During nights when the trees sounded like they were whispering Cara would rumble really loud On those nights I would tiptoe through the hall tiptoe through the living room and tiptoe outside to see her My Backyard Elephant is a playful yet heartfelt story about an orphaned elephant finding a place to call home and the decisions a child must make when it becomes obvious that some animals are too big for backyards Inspired by the research of environmental communications doctoral candidate Jason Derry and with illustrations by Elise Gilchrist who spent two years studying elephant behavior in Thailand depictions of Cara are rooted firmly in current scientific understandings of elephant behavior and are designed with education in mind To reinforce the educational value of such a text a two page scientific literacy afterward expands on who elephants are in the wild 33% of all profits from the sale of this book will be donated to elephant causes worldwide Indian Pages and Pictures Michael Myers Shoemaker, 1912 Elephant's Kitchen - An Aspergirl's Study in Difference Stephanie C. Fox, 2012-05-22 Elephant's Kitchen An Aspergirl's Study in Difference is about a quiet teenage girl named Delphine who has Asperger's but just as with the television shows Bones and The Big Bang Theory the condition is never mentioned Instead the story walks the reader through many of the markers of the condition The story also addresses the misery associated with poverty when it comes face to face with the haves of society and their obliviousness and callousness towards those who are struggling to survive Viewed by a teenage girl who volunteers at a church's charity kitchen it highlights the damage that such insensitivity can inflict upon the very people that such institutions claim to benefit This is just part of the backdrop of the story Delphine also attends a private school plays the violin acts in a play and deals with bullies She is quiet stealthy and effective in her own way This story was

written to inspire teens with Asperger's to show them that there is nothing wrong or bad about them and to celebrate rather than condemn difference *Secret Seattle: A Guide to the Weird, Wonderful, and Obscure* Mary Jo Manzanara,2021-09-15 Where in Seattle can you get married in a shipping container What about playing vintage pinball games visiting a mummy or renting an elephant Is the Fremont neighborhood really the center of the Universe Where can you research the occult conspiracy theories and other topics people don't want to talk about With *Secret Seattle A Guide to the Weird Wonderful and Obscure* in hand you'll discover the unique destinations colorful history and wacky legends that make the greater Seattle area such a popular destination in which to live and to visit You'll find out if the Seahawks really did cause an earthquake and what happened to the Bubbleator Researched and written by travel writer Mary Jo Manzanara this book serves as a guide to places you might never discover on your own Whether you're a local looking for something new or a visitor wanting to feel like a local *Secret Seattle* lets you in on dozens of secrets around the Emerald City *Everything Is Personal* Connie Beyer,2015-03-04 *Everything Is Personal* is an empowering book for those who have tried to change without experiencing much success Following several setbacks in an attempt to live a life of unconditional love the author looks into the conflict between how she wants to act and how she actually behaves In the process she discovers a truth that transforms her life *Everything is Personal* *Everything is Personal* is an inspiring chronicle of the author's inner journey to alter her behaviors only to discover how difficult change can be even when the desire is strong She recognizes she is not alone Research shows ninety percent of those who make New Years resolutions fail by the end of the year Relying on the guiding principle that *Everything is Personal* and her love for Quantum Physics brain research and learning theory she devises a change process that is simple and effective As she gradually revises her self defeating beliefs she discovers true inner happiness unconditional self love and compassion for others Her journey is personal but the answers she finds are universal *African Elephants--coral Reefs* United States.
