

The background of the book cover is composed of several large, overlapping triangles in various colors: a large green triangle at the top, a blue triangle to the left, a yellow triangle to the right, and a large red triangle at the bottom. A black coordinate system is overlaid on the green and yellow triangles, with a vertical y-axis and a horizontal x-axis. A thin white line passes through the origin of the coordinate system. The title 'Elementary Linear Algebra' is printed in white, bold, sans-serif font across the red triangle.
