Elena Garro and Mexico's Modern Dreams Rebecca E. Biron, 2012-12-15 Elena Garro and Mexico's Modern Dreams uses Elena Garro's eccentric life and work as a lens through which to examine mid twentieth century Mexican intellectuals desire to reconcile mexicanidad with modernidad The famously scandalous first wife of Nobel Prize winner poet Octavio Paz and an award winning author in her own right Garro constructed a mysterious and often contradictory persona through her very public participation in Mexican political conflicts Herself an anxious and contentious Mexican writer Elena Garro elicited profound political and aesthetic anxiety in her Mexican readers She confused the personal and the public in her creative fictions as well as in her vision of Mexican modernity This violation of key distinctions rendered her largely illegible to her contemporaries That illegibility serves as a symptom of unacknowledged desires that motivate twentieth century views of national modernity Taken together Garro's public persona and critical perspective expose the anxieties regarding ethnicity gender economic class and professional identity that define Mexican modernity Blending cultural studies and detailed literary analysis with political and intellectual history Mexico's Modern Dreams argues that in addition to the intriguing gossip she elicited in literary and political circles Garro produced a radical critique of Mexican modernity Her critique applies as well to the nation's twenty first century crisis of globalization state power and pervasive violence **For the Sake of Elena** Elizabeth George, 2008-04-15 Elena Weaver was a surprise to anyone meeting her for the first time In her clingy dresses and dangling earrings she exuded a sexuality at odds with the innocence projected by the unicorn posters on her walls While her embittered mother fretted about her welfare from her home in London in Cambridge where Elena was a student at St Stephen's College her father and his second wife each had their own very different image of the girl As for Elena she lived a life of casual and intense physical and emotional relationships with scores to settle and goals to achieve until someone lying in wait along the route she ran every morning bludgeoned her to death Unwilling to turn the killing over to the local police the university calls in New Scotland Yard Thus Detective Inspector Thomas Lynley and his partner Detective Sergeant Barbara Havers enter the rarefied world of Cambridge University where academic gowns often hide murderous intentions For both officers the true identity of Elena Weaver proves elusive Each relationship the girl left behind casts new light both on Elena and on those people who appeared to know her best from an unsavory Swedish born Shakespearean professor to the brooding head of the Deaf Students Union What's more Elena's father a Cambridge professor under consideration for a prestigious post is a man with his own dark secrets While his past sins make him neurotically dedicated to Elena and blind to her blacker side present demons drive him toward betrayal *The Archaeology Of the Santa Elena Peninsula in South- West Ecuador* , The War of the Galaxy Pirates Eleirdan Dash son of Elena Voss Sherridean Abddeen , 2025-09-03 After seven years of uneasy peace in Sector Five the galaxy is once again thrust into turmoil The ancient warlords of the Adradomon Galaxy once thought extinct after their homeworld's destruction have resurfaced led by

the ruthless warlord Doc and his crew of seven aboard two formidable warships Eight feet tall with no eyes or noses the Adradomons are war mongers feared across the stars having pillaged and devastated countless planets in their brutal conquest Their first strike in Sector Five is swift and catastrophic allying with the Ghost Pirates to massacre entire colonies forcing even their former adversaries Mars Command to intervene But this war is personal for Eleirdan Dash the son of the fugitive pirate Michael Dash and the legendary commander Elena Voss After years of hunting for his parents and betraying Mars Command Eleirdan now stands at the helm of the feared Phantom Specter leading a new breed of warriors an armada of space pirates united under vengeance and survival Torn between destroying Mars Command for their past crimes and protecting the galaxy from a far greater enemy Eleirdan must choose his destiny Will he become the savior the universe needs or will his thirst for revenge consume him As war rages across the cosmos one thing is certain the Book of Hope will record this battle as the war that shaped the fate of the galaxy

Grand Duchess Elena Pavlovna, Princess Isabel and the Ending of Servile Labour in Russia and Brazil Shane O'Rourke, 2023-09-12 Grand Duchess Elena Pavlovna of Russia and Princess Isabel of Brazil were active participants in the struggle to end servile labor in their respective countries They acted in defiance of political conventions which excluded women from any political activity Both women were determined to do all in their power to further the cause of emancipation and to determine the terms under which serfs and slaves were emancipated This book examines the political activities of the two royal women within the context of their respective societies and adopts a comparative approach *NUMANTIA'S LAST STAND* Iberius Polonius, In the shadow of Rome's expanding empire two warriors from opposing worlds find their honor tested against the unforgiving anvil of war Marcus Carvius a Roman centurion with Iberian ties serves an empire that demands absolute loyalty Segius the Wolf of Numantia leads his people's desperate resistance against the world's greatest military power As Rome tightens its grip on Hispania these men's paths cross in unexpected ways forging a connection that transcends the battlefield When the legendary general Scipio Aemilianus arrives to crush Numantia once and for all both men face impossible choices For Marcus duty to Rome collides with growing doubts about the price of conquest For Segius the struggle to preserve his people's freedom becomes a race against starvation and betrayal Set against the backdrop of Rome's most challenging colonial war this meticulously researched novel explores the human cost of empire through the eyes of those caught between worlds As the siege reaches its brutal climax both men must decide what they're willing to sacrifice and what truly deserves to survive when civilizations collide Journey to the forgotten battlefields of ancient Hispania Buy Numantia's Last Stand today and discover the untold story of Rome's most defiant enemy *Santa Elena* Eloy J.

Gallegos, 1998 **Elena Undone** Nicole Conn, 2011-02-01 Elena A wife who will not question her loyalty to a husband she does not love nor her duty to a church whose tenets she does not fully accept Peyton A lesbian trapped in an arid relationship and a life that has brought her success but scant emotional sustenance Their eyes first meet across the distance of a public park One glance is all it takes for ignition A slow building sexual fire soon becomes a conflagration that engulfs both their lives But no matter how compelling the attraction no matter how intensely love may reach into the depths of either of their souls reality is inflexible Elena's husband is pastor of a church her son is the center of her life and she is haunted by a burden of grief and guilt that fixes her firmly in the conventional life she leads **The Writing of Elena Poniatowska** Beth E. Jörgensen, 2010-07-05 Elena Poniatowska is one of Latin America's most distinguished and innovative living writers Advocacy of women and the poor in their struggle for social and economic justice denunciation of the repression of that struggle and a

tendency to blur the boundaries between conventional literary forms characterize her writing practice Asserting that Poniatowska's writing has been uniquely shaped by her experience as a journalist and interviewer Beth J. Rgensen addresses four important texts *Palabras cruzadas* interviews *Hasta no verte Jes s m o* testimonial novel *La noche de Tlatelolco* oral history and *La Flor de Lis* novel of development She also treats related pieces including *Lilus Kikus* short fiction *De noche vienes* short stories *Fuerte es el silencio* chronicles and several of Poniatowska's essays Her readings incorporate a variety of critical approaches within a feminist framework

Uncivil Wars Sandra Messinger Cypess, 2012-08-01 The first English language book to place the works of Elena Garro 1916 1998 and Octavio Paz 1914 1998 in dialogue with each other *Uncivil Wars* evokes the lives of two celebrated literary figures who wrote about many of the same experiences and contributed to the formation of Mexican national identity but were judged quite differently primarily because of gender While Paz's privileged prize winning legacy has endured worldwide Garro's literary gifts garnered no international prizes and received less attention in Latin American literary circles Restoring a dual perspective on these two dynamic writers and their world *Uncivil Wars* chronicles a collective memory of wars that shaped Mexico and in turn shaped Garro and Paz from the Conquest period to the Mexican Revolution the Spanish Civil War which the couple witnessed while traveling abroad and the student massacre at Tlatelolco Plaza in 1968 which brought about social and political changes and further tensions in the battle of the sexes The cultural contexts of machismo and ethnicity provide an equally rich ground for Sandra Cypess's exploration of the tandem between the writers' personal lives and their literary production *Uncivil Wars* illuminates the complexities of Mexican society as seen through a tense marriage of two talented often oppositional writers The result is an alternative interpretation of the myths and realities that have shaped Mexican identity and its literary soul well into the twenty-first century

Lavish Self-divisions Brenda O. Daly, 1996 **Patron Gods and Patron Lords** Joanne Baron, 2016-12-01 In the first comprehensive treatment of Classic Maya patron deity veneration

Joanne P Baron demonstrates the central importance of patron deity cults in political relationships between both rulers and their subjects and among different Maya kingdoms Weaving together evidence from inscriptions images and artifacts Patron Gods and Patron Lords provides new insights into how the Classic Maya polity was organized and maintained Using semiotic theory Baron draws on three bodies of evidence ethnographies and manuscripts from Postclassic Colonial and modern Maya communities that connect patron saints to pre Columbian patron gods hieroglyphic texts from the Classic period that discuss patron deity veneration and excavations from four patron deity temples at the site of La Corona Guatemala She shows how the Classic Maya used patron deity effigies temples and acts of devotion to negotiate group membership social entitlements and obligations between individuals and communities She also explores the wider role of these processes in politics arguing that rituals and discourses related to patron deities ultimately formulated Maya rulership as a locally oriented institution which limited the ability of powerful kingdoms to create wider religious communities Applying a new theoretical approach for the archaeological study of ideology and power dynamics Patron Gods and Patron Lords reveals an overlooked aspect of the belief system of Maya communities
