the little book out of the angels hand and ate it up and it was in my mouth sweet as honey and as soon as I had eaten it my belly was bitter Here is the mystery of God where He will train an angel to write about the seven thunders in modern times or fear Fear is the beginning of all wisdom knowledge yet we have to reach for there is nothing to fear but fear itself How can a book result in my mouth sweet as honey when I speak and my belly was bitter as I tried to swallow my pride and the wisdom made me sicken He told us to eat of the book as He has told us to eat of His body A location that does not teach fear is not a valid church location since fear is the beginning of all wisdom knowledge Malachi 3 1 Behold I will send my messenger and he shall prepare the way before me and the LORD whom ye seek shall suddenly come to his temple even the messenger of the covenant whom ye delight in behold he shall come saith the LORD of hosts Malachi 3 2 But who may abide the day of his coming and who shall stand when he appeareth for he is like a refiners fire and like fullers soap Malachi 3 3 And he shall sit as a refiner and purifier of silver and he shall purify the sons of Levi and purge them as gold and silver that they may offer unto the LORD an offering in righteousness

Origin on Trial Christopher H. A. Ting, 2023-01-27 Do you know about the dark secrets in big evolution concerning the origin of the universe Do you know that the Bible sets God s signature on his creation in the beginning Not all fields of science are created equal Some deal with past history rather than the present Einstein s theory of gravity as curved spacetime is observable science But some scientists use it with particle physics to tell a story of the origin of the universe But can anyone see the moment of the Big Bang Scientists themselves say the Big Bang model has big problems The data they use to support their best model about the origin of the universe can also be used to undermine it They started with A to build the model but their data don t agree with A Is there something fundamentally wrong Great scientists make mistakes in science too Hawking and others have made profound statements but they don t always make sense Big evolution has holes It relies on deep time as god of the gap Modern science began with Christians like Kepler and Galileo They believed biblical creation had happened It s time to bring science back to its genesis and the origin back to church
