Eine Heimat Hat Der Mensch Roman:

Ethics and Politics Peter Kemp, Noriko Hashimoto, 2015 The main theme of volume 4 of Eco ethica is Ethics and Politics In the first and second part the authors examine the sometimes conflictual relationship between ethics and politics from an eco ethical perspective They investigate how our conceptions of both ethics and politics have been shaped historically as well as by today s technological conjuncture The third part continues the discussion of French philosopher Paul Ricoeur 1913 2005 begun in volume 3 The essays here focus on how his conception of the connections and differences between ethics and politics led him to embrace certain paradoxes in politics and forced him to become suspicious of apolitical thinking
