Eisenhower In His Own Voice:

The Age of Eisenhower William I Hitchcock, 2018-03-20 A New York Times bestseller this is the outstanding The Atlantic insightful and authoritative account of Dwight Eisenhower's presidency Drawing on newly declassified documents and thousands of pages of unpublished material The Age of Eisenhower tells the story of a masterful president guiding the nation through the great crises of the 1950s from McCarthyism and the Korean War through civil rights turmoil and Cold War conflicts This is a portrait of a skilled leader who despite his conservative inclinations found a middle path through the bitter partisanship of his era At home Eisenhower affirmed the central elements of the New Deal such as Social Security fought the demagoguery of Senator Joseph McCarthy and advanced the agenda of civil rights for African Americans Abroad he ended the Korean War and avoided a new quagmire in Vietnam Yet he also charted a significant expansion of America's missile technology and deployed a vast array of covert operations around the world to confront the challenge of communism As he left office he cautioned Americans to remain alert to the dangers of a powerful military industrial complex that could threaten their liberties Today presidential historians rank Eisenhower fifth on the list of great presidents and William Hitchcock's rich narrative The Wall Street Journal shows us why Ike's stock has risen so high He was a gifted leader a decent man of humble origins who used his powers to advance the welfare of all Americans Now more than ever with this complete and persuasive assessment Booklist starred review Americans have much to learn from Dwight Eisenhower *Eisenhower's Pursuit Of Strategy*: LTC Geoffrey C. De Tingo, 2015-11-06 Eisenhower preferred to build consensus for his military and national strategies by using multiple communication techniques to convey his intent If consensus was not achieved though and his intent was not carried out he would aggressively move to eliminate the source of friction This monograph will analyze four case studies to demonstrate that it is critically important for subordinates and peers to understand the influence of leadership styles on strategic decision makers It will also argue that the consequences for not understanding strategic decision makers can mean the difference between individual organizational or national success or failure The four case studies will highlight the leadership styles that Eisenhower used when he pursued a strategy and how those leadership styles influenced his decision making The first case study is Eisenhower's fight to control Allied strategic bombers to support Operation Overlord in 1944 Second is his fight to develop implement and defend his New Look National Security Strategy in 1953 Third is how Eisenhower defended his administration's Middle East foreign policy and finally his strategy to seek a peaceful solution to the Suez Canal Crisis of 1956 **Lifting My Voice** Barbara Hendricks, 2014-06-01 Growing up African American in segregated Arkansas in the 1950s Barbara Hendricks witnessed firsthand the painful struggle for civil rights After graduation from the Juilliard School of Music Hendricks immediately won a number of important international prizes and began performing in recitals and operas throughout the world A Goodwill Ambassador for the United Nations High Commission for Refugees she is as devoted to humanitarian work as she is to her music Always the anti diva Hendricks is a

down to earth and straightforward woman whether singing Mozart or black spirituals She challenges stereotypes and puts the music first and presents a warm engaging and honest self portrait of one of the great women of music

Congressional Record United States. Congress,1995 The Papers of Dwight David Eisenhower Louis Galambos,Daun Van Ee,2003-04-30 The final set of volumes Vol 18 21 sold separately of The Papers of Dwight David Eisenhower contain 1 783 documents drawn from Eisenhower s second term as president from 20 January 1957 to 20 January 1961 Completing a monumental project that began with publication of The War Years in 1970 this final set of volumes of The Papers of Dwight David Eisenhower contains 1 783 documents drawn from Eisenhower s second term as president from 20 January 1957 to 20 January 1961 In these years Eisenhower worked hard to hold the focus of American national politics on the two major objectives he had set for his presidency in 1952 to sustain the policy of containment without precipitating a war with the Soviet Union and to reduce the role of the federal government in U S domestic affairs In both cases events at home and abroad intruded diverting attention to immediate problems endangering the peace and forcing the White House to devote most of its leadership to the crises of the day As president during this tense period Eisenhower maintained an extensive and revealing correspondence with prominent individuals as well as with personal friends These letters together with the occasional entries made in his diary shed considerable light upon the major national concerns of the 1950s The volumes also include private and secret correspondence previously unavailable to scholars Some of these items have been only recently declassified and many appear here in print for the first time Taken as a whole the Eisenhower papers from 1957 61 provide firm documentary evidence of the manner in which Eisenhower dealt with the complex internal and external problems faced by all of our modern political leaders Hearts, Minds, Voices Jason C. Parker,2016-09-01 The Cold War superpowers endeavored mightily to win hearts and minds abroad through what came to be called public diplomacy While many target audiences were on the conflict s original front lines in Europe the vast majority resided in areas in the throes of decolonization and experienced the Cold War as public diplomacy as a media war for their allegiance rather than as violence In these areas superpower public diplomacy encountered volatile issues of race empire poverty and decolonization which intersected with the dynamics of the Cold War and with anti imperialist currents The challenge to US public diplomacy was acute Jim Crow and Washington s European imperial alliances were inseparable from the image of the United States and put American outreach unavoidably on the defensive Newly independent voices in the non European world responded to this media war by launching public diplomacy campaigns of their own In addition to validating the strategic importance of public diplomacy they articulated a different vision of the postwar world Rejecting the superpowers Cold War they forged the Third World project around nonalignment post imperial economic development and anti colonial racial solidarity In doing so Jason C Parker argues the United States inadvertently helped to nurture the Third World as a transnational imagined community on the postwar global landscape Tracing US public diplomacy during the early years of the Cold War Hearts Minds Voices

narrates how US foreign policy engaged with and impacted the Global South and international history more broadly

Prologue ,2006 **Presidential Speechwriting** Kurt Ritter,2004 Annotation The chapters in this book two by former White House speechwriters give insight into the process of presidential speechwriting from Franklin D Roosevelt s administration to Ronald Reagan s **Liberal Crusader** Gerard De Groot,1993-05 Sinclair from northern Scotland was leader of the British Liberal Party 1935 45 and is credited with modernizing the 19th century organizational and ideological dinosaur He was also Air Minister in the coalition government during World War II Much of the biography is drawn from unpublished correspondence between him and Winston Churchill both a close friend and political adversary Annotation copyright by Book News Inc Portland OR **Voices of D-Day** Ronald J. Drez,1996-05-01 In 1983 the Eisenhower Center at the University of New Orleans began a project to record the recollections of as many people as possible civilians as well as soldiers who were involved in one of the most pivotal events of the century Skillfully edited by Ronald J Drez and first published on the fifty year anniversary of D Day the award winning Voices of D Day tells the story of that momentous operation almost entirely through the words of the people who were there **ABA Journal** ,1978-12 The ABA Journal serves the legal profession Qualified recipients are lawyers and judges law students law librarians and associate members of the American Bar Association *Why the Allies Won* Richard Overy,2024-11-12 Overy has written a masterpiece of analytical history posing and answering one of the great questions of the century Sunday Times London Richard Overy s bold book begins by throwing out the stock answers to this great question Germany doomed itself to defeat by fighting a two front war the Allies won by sheer weight of material strength In fact by 1942 Germany controlled almost the entire resources of continental Europe and was poised to move into the Middle East The Soviet Union had lost the heart of its industry and the United States was not yet armed The Allied victory in 1945 was not inevitable Overy shows us exactly how the Allies regained military superiority and why they were able to do it He recounts the decisive campaigns the war at sea the crucial battles on the eastern front the air war and the vast amphibious assault on Europe He then explores the deeper factors affecting military success and failure industrial strength fighting ability the quality of leadership and the moral dimensions of the war **Commander in Chief** Geoffrey Perret,2007 An award winning presidential biographer and military historian explains that in choosing to fight unwinnable wars in Korea Vietnam and Iraq Presidents Truman Johnson and George W Bush collectively sought to establish a presidency so powerful that they have created a permanent threat to the Constitution **A Picture Of Guilt: An Ellie Foreman Mystery** Libby Fischer Hellmann,2016-09-22 *The Sound of Distant Drums* Chuck Knox,2005-05-09 The Heroes of this book are the veterans and their families whose stories span 140 years in protecting our country Their stories are history filled with the mundane events of service life the fear of combat the horror that front line infantrymen faced the tension that air crews and pilots faced the vastness of the Pacific that confronted sailors the strain on the mind and bodies of Prisoners of War and humor viewed through the eyes of the veterans As you read their stories listen

to the voices of these veterans and picture in your mind an aging color guard from a local veterans post visualize them marching into the mist to the sound of distant drums and the muted bugles call along with the men and women who have gone before There are no large marble memorials to these individual veterans their monument is a free United States I am left with one thought about the experience of speaking with these people God bless the United States of America and all who serve her

Iron Curtain Twitchers Jennifer M. Hudson, 2018-11-23 The Cold War is often viewed in absolutist terminology the United States and the Soviet Union characterized one another in oppositional rhetoric and pejorative propaganda State sanctioned communications stressed the inherent dissimilarity between their own citizens and those of their Cold War foe Such rhetoric exacerbated geopolitical tensions and heightened Cold War paranoia most notably during the Red Scare and brinkmanship incidents Government leaders stressed the reactive defensive foreign policies they implemented to retaliate against their counterparts offensive maneuvers Only brief periods of détente gave glimpses into the possibility of concerted peaceful coexistence Yet such characterizations neglect the complexities and rhetorical nuances that created fissures throughout the long standing ideological conflict Grassroots diplomacy rarely coalesced with official governmental rhetoric and often contradicted the discourse emanating from the White House and the Kremlin Organizations such as Women Strike for Peace WSP the Committee for Nonviolent Action CNVA and the Moscow Trust Group MTG defied policy directives and sought to establish genuine peaceful coexistence Traveling citizens posited that U S and Soviet citizens possessed more underlying commonalities than their governmental leaders cared to admit phenomena underscored in events such as the San Francisco to Moscow Walk for Peace Spacebridge programs railed against the Strategic Defense Initiative SDI and proclaimed that figurative and literal links between their country and the Other proved more conducive to public opinion than Star Wars Iron Curtain Twitchers examines such juxtaposing rhetorics through three lexical themes contamination containment and coexistence It analyzes the disparate perspectives of public politicians and private citizens throughout the Cold War's duration and its aftermath to better understand the political cultural and geopolitical nuances of U S Russia relations Vacillating rhetoric among politicians journalists and traveling citizens complicated geopolitical relationships sociopolitical disagreements and cultural characterizations These dialogues are contrasted with the cultural mediums of film and political cartoons to underscore fluctuating Cold War identity dynamics Manifestations of one's own country contrasted with propagations of the Other and indicate that the Cold War lasted much longer and remains more virulent than previously conceived

Eisenhower and the Management of Prosperity John W. Sloan, 1991 Three years out of eight President Eisenhower achieved a balanced budget

LIFE, 1960-06-27 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE.com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today's people and events They have free access to share print and post images for personal use

The Marshall Story Robert Payne, 2017-02-07 Originally published in 1951

this is the story of the life and mind of George C Marshall soldier and statesman as told by a distinguished writer whose own background makes him particularly qualified to discuss some of the more controversial aspects of General Marshall s work since World War II Robert Payne carefully places George Marshall against the Virginia background from which he came and takes him from there through his education at V M I his experiences as a young officer the first indications of his genius in World War I his work between the wars his colossal achievement as one of the architects of victory in World War II his ill fated mission in China his contribution to the Marshall Plan and his present work in the military effort Showing in quite an extraordinary way how Marshall represents the strengths and weaknesses of the American tradition this book s study of the life of a great contemporary American illuminates the American scene with an insight rarely equalled in a biographical work This book will shatter some illusions about George C Marshall but it will also place him in the perspective of his time and demonstrate that he may be even greater than many of us have thought him to be George Humphrey, Charles Wilson and Eisenhower's War on Spending James Worthen, 2019-09-09 The first Republican president since the Great Depression Dwight Eisenhower was the victorious supreme allied commander of World War II s European theater but a political novice when he moved into the White House in 1953 To help make domestic policy he recruited two of the country s richest businessmen Cleveland industrialist George Humphrey and General Motors president Charles Wilson with the goals of ensuring American postwar prosperity and developing a defense posture against the nuclear threat of the Soviet Union This book provides the first detailed examination of how Humphrey and Wilson helped shape Eisenhower s policies and priorities Persuasive and charming Treasury Secretary Humphrey was obsessed with cutting spending Defense Secretary Wilson whose departmental funding comprised most of the federal budget bore the brunt of Humphrey s anti spending campaign while struggling to master his brief and control the restive military bureaucracy The frugality of the Humphrey Wilson years manifested in an unambitious domestic agenda and a military that seemed to lag behind the Soviets in key areas leading to disastrous Republican losses in the elections of 1958 and 1960
