Mutual Impressions Ilan Stavans, 1999 It is commonly assumed that the United States and Latin America culturally so different move artistically to very different rhythms Also common is the assumption that with rare exception the literary figures on one side of the global North South divide have had little interest in the work of their counterparts With Mutual Impressions Ilan Stavans dispels these notions by showing how solid the bridges between writers and across borders have been at least since the early days of this century and how crucial they are likely to become as we enter the next millennium Divided into symmetrical halves South reading North and North reading South the book presents essays by leading novelists poets and other writers that focus on the work of another literary figure from across the divide Borges for example finds in Hawthorne the perfect precursor to his own interest in allegories Katherine Anne Porter examines Jos Joaqu n Fern ndez de Lizardi as a rascal whose picaresque views of life in *The Itching Parrot* served to launch the Latin American novel Cort zar s study of the plots and style of Poe shows an affinity that left an indelible mark on the Argentine s short fiction Susan Sontag views Machado de Assis as the ultimate mirror a proto postmodernist With other essays by Thomas Pynchon William H Gass John Updike Gabriel Garc a M rquez Alejo Carpentier John Barth Robert Coover Pedro Henr quez Ure a Grace Paley Juan Carlos Onetti and Mark Strand among others *Mutual Impressions* offers a remarkable view of the connections that comprise a literary tradition of the Americas It is a book that will surprise and enliven its readers as it informs and awakens in them a

sense of wonder Contributors John Barth Jos Bianco Robert Bly Jorge Luis Borges Alejo Carpentier Hiber Conteris Robert Coover Julio Cortázar Ezequiel Martínez Estrada Waldo Frank Carlos Fuentes William H Gass Nicolás Guillén William Kennedy Mario Vargas Llosa Gabriel García Márquez José Martí Pablo Neruda Victoria Ocampo Juan Carlos Onetti Grace Paley Octavio Paz Katherine Anne Porter Thomas Pynchon Kenneth Rexroth Antonio Benítez Rojo Barbara Probst Solomon Susan Sontag Ilan Stavans Mark Strand John Updike Pedro Henríquez Ureña Derek Walcott Paul West *Encyclopedia of Latin American Literature* Verity Smith, 1997-03-26 A comprehensive encyclopedic guide to the authors works and topics crucial to the literature of Central and South America and the Caribbean the Encyclopedia of Latin American Literature includes over 400 entries written by experts in the field of Latin American studies Most entries are of 1500 words but the encyclopedia also includes survey articles of up to 10 000 words on the literature of individual countries of the colonial period and of ethnic minorities including the Hispanic communities in the United States Besides presenting and illuminating the traditional canon the encyclopedia also stresses the contribution made by women authors and by contemporary writers Outstanding Reference Source Outstanding Reference Book **The Dissenting Voice** Martin S. Stabb, 2014-05-23 Political social and aesthetic change marked Latin American society in the years between 1960 and 1985 In this book Martin Stabb explores how these changes made their way into the essayistic writings of twenty six Spanish American intellectuals Stabb posits that dissent against ideology against simplistic notions of technological progress against urban values and even against the direct linear expository style of the essay itself characterizes the work of these contemporary essayists He draws his examples from major canonical figures including Paz Vargas Llosa Fuentes and Cortázar and from lesser known writers who merit a wider readership such as Monterroso Zaid Edwards and Ibarra Engoitia This exploration overturns many conventional assumptions about Latin American intellectuals and also highlights some of the other achievements of authors famous primarily for novels or short stories **Dictionary of Mexican Literature** Eladio Cortés, 1992-11-24 This volume features approximately 600 entries that represent the major writers literary schools and cultural movements in the history of Mexican literature A collaborative effort by American Mexican and Hispanic scholars the text contains bibliographical biographical and critical material placing each work cited within its cultural and historical framework Intended to enrich the English speaking public's appreciation of the rich diversity of Mexican literature works are selected on the basis of their contribution toward an understanding of this unique artistry The dictionary contains entries keyed by author and works the length of each entry determined by the relative significance of the writer or movement being discussed Each biographical entry identifies the author's literary contribution by including facts about his or her life and works a chronological list of works a supplementary bibliography and when appropriate critical notes Authors are listed alphabetically and cross referenced both within the text and the index to facilitate easy access to information Selected bibliographical entries are also listed alphabetically by author and include both the original title and English translation publisher date and place of publication and number of pages

Historical Dictionary of Latin American Literature and Theater Richard Young, Odile Cisneros, 2010-12-18 The Historical Dictionary of Latin American Literature and Theater provides users with an accessible single volume reference tool covering Portuguese speaking Brazil and the 16 Spanish speaking countries of continental Latin America Argentina Bolivia Chile Colombia Costa Rica Ecuador El Salvador Guatemala Honduras Mexico Nicaragua Panama Paraguay Peru Uruguay and Venezuela Entries for authors ranging from the early colonial period to the present give succinct biographical data and an account of the author's literary production with particular attention to their most prominent works and where they belong in literary history The introduction provides a review of Latin American literature and theater as a whole while separate dictionary entries for each country offer insight into the history of national literatures Entries for literary terms movements and genres serve to complement these commentaries and an extensive bibliography points the way for further reading The comprehensive view and detailed information obtained from all these elements will make this book of use to the general interest reader Latin American studies students and the academic specialist

Foreigners in the Homeland Mario Santana, 2000 *Foreigners in the Homeland* analyzes the reception of the Latin American Boom novel in Spain It argues in favor of an expanded concept of national literature that is not restricted to the native production of citizens but also takes into consideration the importance and nationalization of foreign cultural products Charting the courses of interliterary relations between Spain and Spanish America the book analyzes the conditions of the literary market during the 1960s and 1970s follows the appropriation and canonization of Latin American authors and texts by readers and writers and examines their impact on the resurgence of regional literatures within Spanish territory

Unhomely Rooms Roberto Ignacio Díaz, 2002 Even as he exposes the cultural fragmentation of Spanish America Díaz's critical gesture allows strangeness to become an integral part not only of individuals as Freud argues in *The Uncanny* but also of national cultural communities

BOOK JACKET *The Dialectics of Our America* José David Saldívar, 1991-10-31 Joining the current debates in American literary history José David Saldívar offers a challenging new perspective on what constitutes not only the canon in American literature but also the notion of America itself His aim is the articulation of a fresh transgeographical conception of American culture one more responsive to the geographical ties and political crosscurrents of the hemisphere than to narrow national ideologies Saldívar pursues this goal through an array of oppositional critical and creative practices He analyzes a range of North American writers of color Rolando Hinojosa Gloria Anzaldá Arturo Islas Ntozake Shange and others and Latin American authors José Martí Roberto Fernández Retamar Gabriel García Márquez and others whose work forms a radical critique of the dominant culture its politics and its restrictive modes of expression By doing so Saldívar opens the traditional American canon to a dialog with other voices not just the voices of national minorities but those of regional cultures different from the prevalent anglocentric model *The Dialectics of Our America* in its project to expand the canon and define a pan American literary tradition will make a critical difference in ongoing attempts to reconceptualize American literary history
