El Gaucho Vegetariano, and Other Plays for Students of Spanish Resurrección Espinosa, Laura Hughes, Charles Frink, 1995 **El gaucho vegetariano and Other Plays for Students of Spanish** Resurrección Espinosa, 2012-05-04 This revised edition incorporates plays accessible to students at high novice and intermediate levels while retaining dramas that challenge and heighten the proficiency of the most advanced students The new plays also extend the emotional range of the volume by providing simple light comedies that balance the depth and subtlety of the triumphant yet tragic pieces based on the lives and writings of Latin American poets Julia de Burgos and Rosario Castellanos Studying and performing these plays will not only help students to read understand and speak Spanish with greater confidence but it will also improve their capacity for mutually supportive teamwork and interaction with an audience The experience reaches beyond language study to include investigation and appreciation of the diverse literatures cultures and histories of the Spanish speaking world Professional academic and community theater groups will find these plays and related theater games instructive and enjoyable **Waking Dream** Resurrección Espinosa, 1998-08-01 Waking Dream is a collection of fifty eight poems that evoke forcefully the adventures in thought feeling and action of Resurreccin Espinosa a Spanish born writer who has lived in the United States since 1978 The poems vary widely in mood subject and setting from comedy to pathos from past to present from city to countryside from loneliness to love but are united by the intertwined themes of searching for a home and building a life The poems also reflect Resurreccin s conception of the function of the poet in society a role in keeping with the origin of the word poet a maker of spiritual worlds that help to unite human beings with one another and with the enduring aspects of reality The natural world appears frequently as subject matter in this collection Plants and landscapes come alive with the qualities of the human spirit becoming companions on man s journey In the poem entitled Aloe the poet speaks as if she were the plant telling of its life how it grows in an arid environment storing a liquid described in the poem as patience which has the virtue of stopping pain The healing qualities of the Aloe plant in the poem become also the healing qualities of love and of poetry Surrounded Bu the soul of want I wait Dreaming patience Into my flesh I will caress The cry of pain To silence The poet becomes the flower in Hibiscus Each blossom of the Hibiscus plant lasts only one day In the poem this brevity becomes a symbol But I shall be something else From what you knew A memory a life fully lived And ended without regret And without tears Frustrating experiences are transformed into occasions for humor for accepting reality as it comes Resurreccin signed up for a beginners ballet class at a time when she was especially burdened by work hoping to find some creative relaxation She wrote The House Cricket just after the first and final time she attended this class Nothing I could say Would change his tune And the value Is Well wouldn t you like To sing Or dance That way too One of the responsibilities of the immigrant is to respect the new country s culture and to become acquainted with its manifestations insofar as possible Among Resurreccin s favorite American painters is Andrew Wyeth for several of whose paintings she has written poems

Shadow and light in the painting entitled Lovers from the Helga collection is described in the poem of the same name as The weight of darkness and The generosity of light There are two other poems inspired by Wyeth in this collection Geraniums and Refuge Being both an immigrant and a teacher has brought Resurreccin in contact with people who are just starting their life here Beginning a new life learning a new language are difficult things especially for those who are semi literate in their native language As a bilingual teacher trying to help students and their families Resurreccin was confronted with the necessity of writing about the experience of these people but found that she could not do so by using either standard English or standard Spanish because the language used by some of these people to survive in the United States at least at the beginning of their life here is a compound of elements of the two languages The poems dealing with this topic are written in what Resurreccin calls Spanglish and each one of them is unique in the form that this new language takes since each individual is at any given time at a different stage of his or her learning of the English language In most of the poems in Spanglish the spelling of English words are either correct or very close so that one understands that the speaker in the poem has mastered English phonetics quite well Américas ,1995 **The Cumulative Book Index** ,1996 A world list of books in the English language The British National Bibliography Arthur James Wells,1995 *Forthcoming Books* Rose Arny,1995-02
