Truth, Love, Light, and Salt Santos J. Hernandez,2021-09-03 In this modern collection of poetry I share my spiritual journey from sinner to discipleship While I still struggle with my demons I find comfort in the poems that are placed in my heart and I share them because I know that I am not the only one struggling to orient my heart and mind amid the disorientation that we wake up to these days In a world where lies are given the starring role at center stage in a play of made up things I promise these poems will give you much to think about and contemplate Truth eternal Love unconditional Light revealing and the Salt that gives life flavor This is certainly not your traditional poetry collection as

it flows off your lips and performs visual stunts while challenging your world of mirrors and mazes You will experience a journey through melodious words that at times winds you down a rabbit hole and then sends a lifeline to lift you out of the darkness and into the light of truth and love When times are especially dark instead of stumbling and cursing you reach for the Light of the world and salt the earth with truth
