El Croquis ,2001 **Minimal Architecture** Ilka Ruby,Andreas Ruby,Angeli Sachs,Philip Ursprung,2003 What is minimalism Or more specifically what isn t In this fascinating aesthetic voyage three experts in the field of architecture and art history trace the development of minimalism as a style and offer perspectives on the directions the movement is taking as it morphs towards the future In double page spreads filled with color photographs of the most innovative minimalist projects this book illustrates three principal movements the traditional as practiced by Herzog the ambiguous in which architects not commonly associated with minimalism such as OMA or Zaha Hadid use it for specific projects and the subversive which appropriates minimalist concepts across a variety of new fields as exemplified in the architecture of Shigeru Ban or Lacaton Vassal **El Croquis** ,2005 **DPA** Maria Vittoria Capitanucci,2006 This volume provides a critical look at that which has been a watershed in Dominique Perrault s creative development namely the realization of the Velodrome and Olympic Swimming Pool in Berlin a fundamental sign of an architectural research in pursuit of redesigning the landscape It examines his recent works which have been characterized by a continuous attention to research on architectural language and the relationship between public and private space in an attempt to trace a third way moving towards an integration with the environment in which the geographic matrix and experimentation take precedence over historical aspects The volume features two very recent projects under way started in 2004 and 2003 respectively the Ewha Women s Campus in Seoul Korea and the new Mariinsky Opera House in Saint Petersburg These works and other such as the Bibliotheque nationale de France in Paris the extension of the European Community s Court of Justice in Luxembourg and the Media Library of Venissieux have served to confirm Dominique Perrault s position among the most significant protagonists of contemporary architecture Book Jacket *Forme e funzioni degli elementi tecnici nell'architettura contemporanea* Rossella Corrao,2007
