Ekonomika I Okruzhaiushchaia Sreda:

The Environment And Marxism-leninism Joan Debardeleben, 2019-07-11 In the past two decades environmental pollution and natural resource shortages have evoked increasing concern in the Soviet Union and Eastern Europe The emerging ecological crisis has challenged many common assumptions in the Soviet bloc as in the West This book provides for the first time a detailed and comprehensive analysis of the ecology debate in the USSR and its highly industrialized ally the German Democratic Republic GDR Based on a thorough examination of the Soviet and GDR sources Dr DeBardeleben explores the authorities attempts to explain the problem to their populations She also examines the viewpoints of scientists writers and scholars with special attention to economic dimensions of the ecology debate The study reveals the increasing sophistication of specialists in influencing public policy by adapting official values to support their positions Through comparison of the Soviet and East German cases the study clarifies the impact of natural resource endowment and legitimacy dilemmas on treatment of the ecology issue The book demonstrates that Marxist Leninist values subtly affect Soviet and GDR responses but at the same time the environmental crisis is forcing a reevaluation of some aspects of Marxist Leninist theory and ideology itself

Public Administration Series--Bibliography, 1986-08 **The Soviet Review**, 1992 *The Bibliographical Dictionary of Russian and Soviet Economists* Robert Campbell, 2012-08-21 Despite the restrictions on their work and actions the economists of the Soviet period produced a great deal of bold and important work With the erosion of the old Stalinist controls economists in the Soviet Union themselves became very interested in the history of their profession not least in order to find authentic voices that might offer reinforcement or counterpoint to the policy analyses and recommendations with which policy makers in the transition countries are today being bombarded This major new reference work pulls together many years of research in order to present a bio bibliographic dictionary of Russian and Soviet economists many of whom have previously had no coherent record compiled of their careers achievements and wider significance Through exploring this rich tradition of economic thought we can go some way in understanding the role of economists in the

functioning of the Soviet system as well as bringing previously forgotten work to light raising new questions and providing a memorial to those who suffered as a result of the system This hugely detailed and important new volume takes into account all the nuances of the story of Russian and Soviet economic thought such as regional issues the reform and transition to a market economy and the economic output of non economists Featuring nearly 500 entries and including a detailed contextual introduction this landmark volume will be a vitally important reference work for all those with an interest in the history of economic thought the history of economics and Russian and Soviet history more generally [Afghanistan And The Soviet Union](#) Milan Hauner,2019-08-26 Since the dramatic events of a decade ago the revolutions in Kabul and Teheran the Soviet invasion of Afghanistan and the Gulf War Greater Central Asia has recaptured the imagination of academia Historians Islamicists anthropologists political scientists and defense analysts began to convene conferences and to produce collective volumes that concentrated on two seemingly unrelated subjects the continuity and strength of ethnocultural patterns in Muslim Central Asia on the one hand and the limited range of U S military options for defense of the oil rich Gulf region against hypothetical Soviet invasion on the other The contributors to this volume were asked to focus on the long term significance of the junction between Afghanistan and Soviet Eurasia through the Midlands region a relationship that could have wide implications *Thinking Russia's History Environmentally* Catherine Evtuhov,Julia Lajus,David Moon,2023-07-14 Historians of Russia were relative latecomers to the field of environmental history Yet in the past decade the exploration of Russian environmental history has burgeoned *Thinking Russia's History Environmentally* showcases collaboration amongst an international set of scholars who focus on the contribution that the study of Russian environments makes to the global environmental field Through discerning analysis of natural resources the environment as a factor in historical processes such as industrialization and more recent human animal interactions this volume challenges stereotypes of Russian history and in so doing highlights the unexpected importance of Russian environments across a time frame well beyond the ecological catastrophes of the Soviet period **Freedom's Ordeal** Peter Juviler,2010-11-24 Fifteen countries have emerged from the collapse of the Soviet Union *Freedom's Ordeal* recounts the struggles of these newly independent nations to achieve freedom and to establish support for fundamental human rights Although history has shown that states emerging from collapsed empires rarely achieve full democracy in their first try Peter Juviler analyzes these successor states as crucial and not always unpromising tests of democracy's viability in postcommunist countries Taking into account the particularly difficult legacies of Soviet communism *Freedom's Ordeal* is distinguished by its careful tracing of the historical background with special attention to human rights before during and after communism Juviler suggests that the culture and practices of despotism may wither wherever modernization conflicts with tyranny and with the curtailment or denial of democratic rights and freedoms [New Trends in Soviet Economics](#) Martin Cave,Alastair McAuley,Judith Thornton,1982 Collection of articles published in the USSR in the field of mathematical economics discusses basic issues in economic planning the construction of

Ekonomika I Okruzhaiushchaia Sreda Introduction

In today's digital age, the availability of Ekonomika I Okruzhaiushchaia Sreda books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Ekonomika I Okruzhaiushchaia Sreda books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Ekonomika I Okruzhaiushchaia Sreda books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Ekonomika I Okruzhaiushchaia Sreda versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Ekonomika I Okruzhaiushchaia Sreda books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Ekonomika I Okruzhaiushchaia Sreda books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Ekonomika I Okruzhaiushchaia Sreda books and manuals is

Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Ekonomika I Okruzhaiushchaia Sreda books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Ekonomika I Okruzhaiushchaia Sreda books and manuals for download and embark on your journey of knowledge?
