El Cid Heston Loren:

Samuel Bronston's El Cid, 1961 An illustrated souvenir book for the 1961 epic movie El Cid starring Charlton Heston and Sophia Loren **El Cid** Nora Berend, 2025-01-07 Exploring the creation of the El Cid legend over the centuries this masterful and evocative biography peels away the layers of myth to reveal the real life historical figure El Cid was perhaps the most famous warrior involved in the indiscriminate fighting irrespective of religion on the Iberian Peninsula during the eleventh century In the centuries after his death he was transformed into a perfect Christian knight In modernity he was seen as the incarnation of Spain's special national character Franco chose El Cid as the emblem of Nationalist Spain Yet not only those on the political right but many others including academics and those on the political left were in his thrall He has been promoted both as the forerunner of white supremacists and of multiculturalism How can we explain such a stupendous afterlife and how can El Cid be a hero for so many different people To begin to understand that we must try to understand the truth buried beneath the myth Nora Berend explores the creation of the legends over the centuries and reveals those active in its making Medieval monks the women in El Cid's family a playwright and a historian are among the creators of the mythic Cid This riveting narrative seeks to explain their motives and in so doing peels away the layers of legend to evoke the real life historical figure **Kid Beowulf: The Rise of El Cid** Alexis E. Fajardo, 2018-08-07 The third volume in the Kid

Beowulf series by Alexis E Fajardo is an action adventure swashbuckler with a dash of romance set in medieval Spain Based on the Spanish national epic El Cid Kid Beowulf The Rise of El Cid picks up shortly after the events of book two Beowulf and Grendel are in war torn Spain where honor is hard fought allegiances are dubious and the bulls run wild Amidst it all comes a young knight named Rodrigo who fights for the name he's lost the land he loves and the virtue they've both forgotten It continues the Kid Beowulf narrative and gives Beowulf and Grendel new characters to meet and lessons to learn

Illustrating El Cid, 1498 to Today Lauren Beck, 2019-05-13 Like England's Arthur and France's Charlemagne the Cid is Spain's national hero and for centuries he has served as an ideal model of citizenship All Spaniards are familiar with the story of the Cid and the multifarious ways in which he is visualized From illuminations in medieval manuscripts to illustrations in twenty first century editions depictions of the Cid vary widely revealing just how much Spain's national identity has transformed throughout the centuries Uncovering the racial gendered and political impacts of one of Spain's most legendary heroes Illustrating El Cid 1498 to Today traces the development of more than five centuries of illustrations and problematizes their reception and circulation in Spain and abroad By documenting the evolution of visual representations of the Cid their artists and their targeted readerships Lauren Beck also uncovers how his legend became a national projection of Spanish identity one that was shaped by foreign hands and even manipulated into propaganda by the country's most recent dictator Francisco Franco Through detailed analysis Beck unsettles the presumption that chivalric masculinity dominated the Cid's visualization and points to how women were represented with increasing modesty as

could make most stages and foyers seem small He won fame playing tyrants in togas in Hollywood blockbusters then suddenly came home to Melbourne to play perhaps his finest role that of Frank Thring actor and personality extraordinaire Central to this role was that Frank the son was unapologetically and outrageously gay Peter Fitzpatrick s compelling dual biography tells the story of two remarkable characters It s a kind of detective story following the tracks of two men who did all they could to cover their tracks and to conceal the self Frank the father used secrecy and sleight of hand as strategies for self protection Frank the son masked a thoroughly reclusive personality with flamboyant self parody It s also the tale of a lost relationship and of the power a father may have had even over a son who hardly knew him **Turner Classic Movies**
