recuerdo Clara Romero Pérez, 2020-01-16 Owen quiso huir llevándose consigo un corazón roto no quería volver a verla y se encerró en sí mismo sumido en una miseria que le acarreaba más problemas de los que quería ver Phoebe todavía estaba empezando a conocerse y ya su vida estaba resuelta Se sentía tan vacía y controlada que se marchó lejos muy lejos tan lejos que pudo llegar a encontrarse a Owen por pura casualidad Una convivencia juntos conllevaría hacerse a la idea de que coser una herida o llenar un vacío no eran problemas que se pudieran resolver sin pedir ayuda **Matar a mamá / Matricide** Santiago Vizcaíno, 2020-03-25 Imagine el lector que sale de su casa dentro de su cartera o bolso lleva este pequeño libro pero sin saberlo está cargando uno de los museos contemporáneos más completos del mundo el verdadero museo callejero donde lo social y sus complejas intersecciones son las diversas muestras y exposiciones que inauguran este mes En sus salas podrá encontrar a una prostituta enamorada de un cliente matricida a un fiscal morboso a un poeta inmantado por un ángel a un ex soldado canbal a un anciano obsesionado con su requinto a un nostálgico muchacho con complejo de Edipo a un joven desencantado y abandonado hasta por su propio cuerpo y madre a un borracho flaneur a un guardia de seguridad obnubilado por el poder de la pílvora a una esposa que huye de su instinto asesino Tenga cuidado el lector el museo abre cuando usted lo disponga pero nadie puede garantizarle un horario de cierre y mucho menos una salida de emergencia En este su primer libro de narrativa publicado Santiago Vizcaíno demuestra la ductilidad de los buenos escritores latinoamericanos aquellos que saben moverse entre géneros mayores sin claudicar ni abandonar en ninguno de ellos lo vital de su arte la necesidad de transmitir y volcar al juego universal un punto de vista y una toma de posición Imagine that you step out of your front door

with this small volume tucked into your pocket or handbag Unknowingly you are carrying with you a veritable contemporary museum a street exhibition that mixes modern Latin American culture with influences from throughout the world and throughout history In these stories the grotesque comedy of human nature and the human condition in all its grandeur and grand fallibility comprise the diverse exhibits on display a hooker in love with her assassin client a poet possessed by the divine spirit a grandfather obsessed with his requinto a nostalgic son unable to let go of the twisted fascination of his childhood home a disillusioned young writer abandoned by the world and by his own body a security guard drunk on the power of a new gun a trapped wife fleeing from her deadly instincts In his first published book of short stories Santiago Vizcarra demonstrates the trademark versatility of good Latin American authors a knowledge of how to deftly shift between genres while maintaining a voice that is focused unique and utterly compelling

DESDE DENTRO Sabel Gámez, 2018-01-02 Qué es la vida sin amor Una supervivencia un vacío El amor en todas sus vertientes es necesario para el alma para nuestro yo más íntimo y más auténtico Sin amor no podemos saborear todo lo que la vida nos da todo lo que imaginamos y soñamos Y si no imaginamos ni soñamos solo morimos un poco cada día Pero hay muchas clases de amor y el primero que tenemos que mimar es el amor a nosotros mismos Identificarlo cuidarlo y tenerlo presente porque sin él no podremos amar de verdad a nadie Y el amor entre dos seres que se aman se necesitan y se desean De esta clase de amor habla esta historia dividida en tres partes que bien podrán ser independientes entre sí pero que se consolidan en una sola para que las tres etapas de la vida de la protagonista adolescencia juventud y madurez sean vividas con tres amores diferentes y de diferente manera Lo que nos enseña Carlota es que nunca se debe renunciar a ser uno mismo como nunca se debe renunciar a creer en el amor pase lo que pase El amor no correspondido Carlota dirá que al menos ha podido experimentar amar a alguien de verdad Nunca hay que perder la esperanza de encontrar a quien amar y quien te ame pero primero tienes que aprender a amarte a ti misma Los hombres y las mujeres solo nos dividimos en dos grupos los que aman y los que no aman Y todos podemos querer todos podemos amar todos podemos ser el héroe o la heroína de nuestra propia
