## El Nino Dios:

Voices from the San Antonio Missions Luis Torres,1997 Provides interviews with members of the San Antonio community who are involved in building using and preserving four historic Spanish colonial missions **Nuestra Señora de Ujarrás** Eladio Prado,1920 **Tradiciones Nuevomexicanas** Mary Caroline Montaña,2001 A comprehensive overview of New Mexican folk arts from the 16th century to the present time , **Xacara alegre compuesta al nacimiento del Hijo de Dios** Diego de TORRES (Ballad Writer.),1760 *El niño jesus* Louis Gaston de Ségur,1885 **Mexican Folk Narrative from the Los Angeles Area** Elaine K. Miller,2014-08-27 Urban Los Angeles is the setting in which Elaine Miller has collected her narratives from Mexican Americans The Mexican folk tradition varied and richly expressive of the inner life not only of a people but also of the individual as each lives it and personalizes it is abundantly present in the United States Since it is in the urban centers that most Mexican Americans have lived this collection represents an important contribution to the study of that tradition and to the study of the changes urban life effects on traditional folklore The collection includes sixty two legendary narratives and twenty traditional tales The legendary narratives deal with the virgins and saints as well as with such familiar characters as the vanishing hitchhiker the headless horseman and the llorona Familiar characters appear in the traditional tales Juan del Oso Blancaflor Pedro de Ordimalas and others Elaine Miller concludes that the traditional tales are dying out in the city because tale telling itself is not suited to the fast pace of modern urban life and the situations and characters in the tales are not perceived by the people to be meaningfully related to the everyday challenges and concerns of that life The legendary tales survive longer in an urban setting because although containing fantastic elements they are related to the beliefs and hopes of the narrator even in the city one may be led to buried treasure on some dark night by a mysterious woman The penchant of the informants for the fantastic in many of their tales often reflects their hopes and fears such as their dreams of suddenly acquiring wealth or their fears of being haunted by the dead Miller closely observes the teller s relation to the stories to the duendes the nimas Death God the devil and she notes the tension on the part of the informant in his relation to their religion The material is documented according to several standard tale and motif indices and is placed within the context of the larger body of Hispanic folk tradition by the citation of parallel versions throughout the Hispanic world The tales transcribed from taped interviews are presented in colloquial Spanish accompanied by summaries in English *La Herencia del niño Dios* Gonzalo Jover,1904 *Words of the True Peoples/Palabras de los Seres Verdaderos: Anthology of Contemporary Mexican Indigenous-Language Writers/Antología de Escritores Actuales en Lenguas Indígenas de México: Volume Two/Tomo Dos* Carlos Montemayor,Donald Frischmann,2014-05-06 As part of the larger ongoing movement throughout Latin America to reclaim non Hispanic cultural heritages and identities indigenous writers in Mexico are reappropriating the written word in their ancestral tongues and in Spanish As a result the long marginalized innermost feelings needs and worldviews of Mexico s ten to twenty million indigenous peoples are now being

widely revealed to the Western societies with which these peoples coexist To contribute to this process and serve as a bridge of intercultural communication and understanding this groundbreaking three volume anthology gathers works by the leading generation of writers in thirteen Mexican indigenous languages Nahuatl Maya Tzotzil Tzeltal Tojolabal Tabasco Chontal Purepecha Sierra Zapoteco Isthmus Zapoteco Mazateco ah u Totonaco and Huichol Volume Two contains poetry by Mexican indigenous writers Their poems appear first in their native language followed by English and Spanish translations Montemayor and Frischmann have abundantly annotated the Spanish English and indigenous language texts and added glossaries and essays that discuss the formal and linguistic qualities of the poems as well as their place within contemporary poetry These supporting materials make the anthology especially accessible and interesting for nonspecialist readers seeking a greater understanding of Mexico s indigenous peoples

Gran Libro de Los Mejores Cuentos: Volumen 6 Rabindranath Tagore,Alexander Puchkin,Katherine Mansfield,Jack London,Alejandro Dumas, Virginia Woolf,F. *Contemporary Colonialities in Mexico and Beyond* Kathleen Ann Myers,Beth T. Boyd,Pablo García Loaeza,Cara A. Kinnally,Alejandro J. Mejías-López,2023-12-18 Contemporary Colonialities in Mexico and Beyond explores the changing dynamic of coloniality by focusing on how modern cultural products connect to the foundational structures of colonialism The book examines how these structures have perpetuated discourses of racial ethnic gender and social exclusion rooted in

Mexico's history Given the intimate relationship between coloniality and modernity the volume addresses three central questions How does the Mexican colonial history influence the definition of Mexico from within and outside its borders What issues rooted in coloniality recur over time and space And finally how do cultural products provide a concrete and tangible way of studying coloniality its history and its evolution The book analyses how literary works movies television series and social media posts reconfigure colonial difference and spatialization Supported by careful historical and cultural contextualization these analyses will allow readers to appreciate contemporary Mexico vis vis culture and borderland issues in the United States and debates on imperial memory in Spain Ultimately Contemporary Colonialities in Mexico and Beyond presents a handbook for readers looking to learn more about coloniality as a pervasive part of global interactions today

Pilgrimage in Latin America N. Ross Crumine, Alan Morinis, 1991-02-07 In every region of Latin America there are sacred shrines that draw tens of thousands of pilgrims At present most of these pilgrimages are overtly Catholic but the roots of the contemporary practice are numerous European Christian indigenous pre Columbian African slave and other religious traditions have all contributed to Latin American pilgrimage This book explores the historical development range of diversity and the structure and impacts of this widespread religious practice This volume among the first to focus on pilgrimage in Latin America in general creates a general framework for understanding Latin American pilgrimage Although the contributors focus is predominantly anthropological analytical perspectives are drawn from numerous disciplines including archaeology geography and religious and literary history This diversity reflects the fact that pilgrimage is a multifaceted institution that incorporates geographical social cultural religious historical literary architectural artistic and other dimensions It is this complexity that is responsible for the previous general neglect of the study of pilgrimage by scholars The interdisciplinary collaboration that characterizes this volume is one of the most sensible ways to investigate pilgrimages All of the essays in this book treat pilgrims the pilgrimage center the ritual performances and the audience as major components and examine the interrelationships among these dimensions This volume will interest anthropologists sociologists of religion and others interested in aspects of religious practices
