Follow My Trail Little Fish ,2001 **Just Cruzin'** Douglas A. Miller,2013 Just Cruzin is the true story of my two month 16 246 mile transcontinental motorcycle ride From my home in Southwest Michigan I first rode south to Key West Florida my southernmost starting point From there I began a journey that took me through New Orleans and west to tour Big Bend National Park on the Rio Grande in Texas Riding north through El Paso I intersected with the Continental Divide in New Mexico and crisscrossed it through the Rocky Mountain range across the Canadian border The awe inspiring Canadian Rockies were a treat to behold as I continued north I rode the entire length of the Alaska Highway from Dawson Creek British Columbia through the Yukon to Fairbanks During the return trip through the most remote areas of the far northwestern wilderness of British Columbia I was plagued by mechanical difficulties A weekend visit with friends near Edmonton Alberta provided me with the repairs required to complete my goal culminating at the Black Hills Motorcycle Rally in Sturgis South Dakota This was a monumental project that was years in the planning I endured vast climate changes encountered wild animals mechanical failures and narrowly escaped death on the highways of North America This is a day by day account of my ultimate motorcycle ride of a lifetime **Trails of the Angeles** John Robinson,Doug

Albuquerque Stephen Ausherman,2015-03-10 Given its history and massive sprawl we must admit that unlike Nancy Sinatra s boots Albuquerque was not made for walking However that doesn t mean the art of walking has met its demise here A resurgence in plans and efforts to make it walkable again indicates that the city is on the verge of a pedestrian renaissance In the meantime navigating it by foot requires some local guidance and expertise That s where Walking Albuquerque by local author and explorer Stephen Ausherman comes in handy With 30 routes mapped out in the valley the heights and beyond it s the first guidebook of its kind to cover the entire city and surrounding areas including tourist sites and famous filming locations along with several hidden treasures most locals don t even know about Rich in history and obsessive in detail Walking Albuquerque is written to encourage readers to take the next step and make each walk an enjoyable little journey
