## Follow That Bunny:

*Follow the Bunny*, 2006 Follow Little Bunny as he gathers his friends for a party to celebrate the first day of spring P 4 of cover **The Bunny Stories** John Howard Jewett, 1892 Stories about the happy home sheltered Bunny Family of Runwild Terrace Sport in Field and Forest John Baptiste de Macklot Thompson, 1926 *Oil! A Novel* Upton Sinclair, 2025-03-17 *Oil A Novel* by Upton Sinclair is a gripping and politically charged tale that traces the rise of the American oil industry through the eyes of Bunny Ross the idealistic son of a ruthless oil tycoon as he comes of age in a world defined by profit power and corruption Set in Southern California during the early 20th century the novel follows Bunny s growing awareness of the exploitative practices underpinning his family s wealth and the broader capitalist system especially as he witnesses the harsh realities faced by oil workers the manipulation of politics by business interests and the suppression of labor movements Inspired by the real life Teapot Dome scandal Sinclair uses Bunny s moral awakening to explore themes of class conflict corporate greed and the moral compromises that accompany privilege and ambition As relevant today as it was upon publication the novel sharply echoes contemporary concerns around economic inequality corporate influence in politics and the environmental and social cost of energy industries Sinclair s storytelling is vivid and unflinching blending personal drama with social critique in a way that feels eerily prescient in the context of today s debates over fossil fuels and worker rights This book is especially compelling for readers drawn to historical fiction with a strong political undercurrent anyone interested in the roots of modern capitalism or those who appreciated the film *There Will Be Blood* which was loosely based on this novel With One Hand Tied Behind His Back Dick Ramsey, 2011-01-06 When you re eighteen you don t get tired you don t get cold nothing terrible will ever happen and you can do anything with one hand tied behind your back Say hello to Gail Stuart the protagonist of *With One Hand Tied Behind His Back* The Life and Times of Gail Stuart He s an eighteen year old college freshman falsely accused of stealing a midterm Geology test Presuming they re nabbed test thieves get an F for the test possible expulsion and if the police are involved arrest for a high misdemeanor But what if new information makes the case a felony which it does despite the fact that the word evidence seems to have disappeared from the language Gail is then joined by bribable and buyable administrators dodging and ducking department heads a cowardly martinet from the board of regents and a babble of noble corrupt and partly corrupt students fraternity blokes instructors proprietary secretaries anxious editors sleazy reporter attorneys cops and local citizens all either hoping Gail is innocent or that he takes the rap How he overcomes his dilemma is further convoluted by other avocations and unplanned adventures a full course schedule a sorority hasher s job a fraternity membership a couple of physical altercations and even his own retail business *With One Hand Tied Behind His Back* also presents the Stuart family Roderick Bruce Stuart II Gail s father is a descendant of Charles II of England His family has lived in Minneapolis since the 1860s Gail s mother Charlotte Fairfax Stuart comes from renegade Swiss mercenaries degenerate French apaches and more civilized Virginia farmers Find out what she does with her
