The score is divided into three systems, each with a vocal line and a piano accompaniment. The first system starts with a C major chord and a 'NC' (No Chord) instruction. The second system starts with a C major chord. The third system starts with a Dm7 chord and ends with a C major chord. The lyrics are: 'There's noth-ing cold-er than your shoul-der when you're drag-ging me a-long like you do, like you do. And then you switch up with no warn-ing and you kiss me like you want it. How rude, how rude.'

Follow The Star The Story Of Christmas With Magical Light And Music:

Follow the Star Wishing Well,1994-09-01 **Christmas: Myth, Magic and Legend** John Queripel,2024-12-30 A woman both virgin and mother a star moving at walking pace relative to the earth turning then moving in the contrary direction to all other astronomical objects before stopping over a particular town a census called by an empire in such fashion that it would throw its normal efficiency into chaos multitudes of angels declaring a saviour's birth to shepherds with their flocks in the fields during the dead of winter a pogrom carried out by a tyrannical leader to rid himself of a peasant child perceived as threat Does any of this make sense to us in a modern world Are these things believable as literal historical events If not do they still have meaning In Christmas Myth Magic and Legend John Queripel digs in and behind the stories to find their essential truth while disregarding the literalisms which get in the way of most people's search Deep and profound truths behind the stories come to life and a whole new and more transformative meaning begins to reveal itself [The Magic of Christmas: 550+ Christmas Novels, Stories & Legends](#) Louisa May Alcott,Charles Dickens,O.
