The Journey Shirley Borgialli, 2003-04 Do you desire freedom from religious bondage Are you frustrated with rules The Journey is a true story that chronicles an extraordinary search for the existence of God The story begins with her ancestors from whom she has received blessings and cursings She discovers that dark unseen forces have her under surveillance watching for an opportune time to bring her into temptation and deception Her carnal nature falls prey to the influence of ungodly temptations and she is lured into the world of fleeting pleasure and sin Seeking relief from her dilemma catapults her into a smorgasbord of erroneous religious groups As she adheres to the rules and rituals of religion she realizes that keeping rules does not tame the carnal beast within She exchanges her life of sin for one of self righteousness false humility and counterfeit Christianity Family casualties become a byproduct of her journey and they are left behind in the tumultuous aftermath Who can rescue her Only One Jesus Christ Discovering the truth her journey takes a sharp turn She realizes she has not been following God s true path but man s interpretation of it She undergoes spiritual surgery that removes the false belief systems she had embraced and she finds the true freedom that Christ proclaimed You shall know the truth and the truth shall set you free [Follow Me Again](#) Scott Tucker, Darren Walter, 2002 *Finding Me in the Midst of It All* Ruth

Seeing and Believing Stuart C. Devenish, 2012-05-23 In a cinematic culture where multiple visions of reality play at the same time, it is critical that Christian believers know how to confidently identify and discern among other stories the Jesus story that defines their most important commitment in life Using the optical metaphor of the eye of faith, the author identifies the spiritual life as a visual life Through themes such as looking through Jesus' eyes, the Bible as a visionary text, and the

church as a wide eyed people he builds a connecting bridge between the seeing soul in Christian spirituality and the twenty first century as the age of the eye The key words for this exploration are spirituality discipleship insight luminescence and optical therapy The author proposes the need for a catechism of the eye that will lead to the renewal of Christian ministry spirituality discipleship and identity
