## **Following Christ:**

Following Christ Joseph M. Stowell, 1998-02 Stowell shows you what happens when an ordinary man or woman pursues not the trappings of Christianity by Christ himself      **Following Christ** Robert B. Callahan Sr., 2012-06-11 The latter half of Chapter 4 of Paul's letter to the Ephesians is the watershed of this magnificent document that is often referred to as the holy of holies Paul was never hesitant to declare God's truth as he proclaimed it to those professing faith in the Lord Jesus Christ Therefore after praising The Triune God for the love wisdom and blessings bestowed upon us during the first three and one half chapters Paul does an about face and enjoins the believers with these strong words saying This I testify in the Lord that ye henceforth walk not as other Gentiles walk in the vanity futility of their mind He is telling the hearers that once they are Christ's they are to walk to a different drummer the Master Himself Paul completes the watershed transition by reminding professing Christians But ye have not so learned Christ It is with these simple single syllable words that he opens new horizons for the members of Christ's body and paves the way for enunciating the duties and responsibilities they are to learn and to do when Following Christ This learning and practicing is not easy but it is joyful rewarding and worthwhile That is why Paul before embarking on Christ's learning pathway tells the followers in the way to put off the old man be renewed in the spirit of your mind And put on the new man which after God is created in righteousness and true holiness May we heed God's truth as revealed to Paul by the Holy Spirit These blessings are comforting strengthening and manifold when committing ourselves to Walking With Jesus      **Following Christ** Robert Beaken, 2020-04-01 Inspiring sermons in the Anglo Catholic tradition offering food for thought for preachers and congregation alike      **Following Christ** R. C. Sproul, 1991 A combination of four power packed books by noted theologian R C Sproul this book offers theologically sound advice It challenges readers to a deeper understanding of what it means to be mature followers of Jesus      **Following Christ** Andrew Ryder, 1999 Following Christ looks at the different ways in which the New Testament deals with discipleship from the earliest writings of St Paul through the Gospels and up to the Book of Revelation The book is ideal for vocation directors New Testament scholars pastors spiritual directors study groups and anyone who wants to see how people in the New Testament responded to Jesus call      Following Christ Carmen Acevedo Butcher, 2009-11-01 Take this season to listen and look for Christ's presence in your life Lent is a time of new life and fresh beginnings In this unique daily email subscription for the season of Lent short readings from extraordinary Christians will open windows on your spiritual life allowing fresh air to burst in You'll find the life changing wisdom of Francis of Assisi Hildegard of Bingen Thomas a Kempis Richard Rolle Benedict of Nursia Julian of Norwich Catherine of Siena Teresa of Avila the Desert Fathers and Mothers and others Because each was a person of fervent life and passionate prayer their words reveal how our waiting on God and seeking God's will lead to a life of meaning and joy      **Following Christ Through Being a Disciple** Casey Smith, 2021-11-18 This is his follow up book to Following Christ Through Being Discipled Following Christ through being a discipler is the next step for

those who have discipleship. Being an effective discipler comes with understanding how Jesus disciplined the original twelve. I believe as my original home church did that one on one discipleship is personal, accountable, and the most effective way to make disciples. Yes, Jesus taught in groups, but as you will see, each of the disciples were different. They were all individuals with different backgrounds, personalities, needs, strengths, and impacts on the church. Jesus interacted differently with Peter than he did with John or James. He did not treat them all the same; he interacted based on who they were and their individual needs. We are also all different with different backgrounds and needs, as will our disciples. This book also walks through how we as followers of Christ can make an impact on the church today. The future of the church depends on us carrying on what Jesus started.

Joyful Journeying with God/joy in Following Christ's Life 6 Teacher's Manual 1st Ed 2005 , *Joyful Journeying with God/joy in Following Christ's Life 6' 2005 Ed.* , **Follow Christ** Dave Nodar, Father Erik Arnold, Ally Ascosi, 2016-07-04. It is so beautiful to follow Jesus to walk in the footsteps of Jesus that you then find balance and move forward. Pope Francis: Walking in the footsteps of Jesus is a nice image, one which we aspire to as Christians. We go to mass, we pray, but we feel like there is more we could be doing and aren't sure what next steps to take. In *Following Christ: Developing the Practices of an Intentional Disciple*, authors Dave Nodar, Fr. Erik Arnold, and Ally Ascosi lead us through the important basic disciplines that characterize intentional disciples: Daily deliberate personal prayer time, Taking the Bible down from the shelf and really using it in your life, The gift of the sacraments, Christ gave us to give us the strength to follow him, Forgiveness as a key element of discipleship, What it means to live a life empowered by the Holy Spirit. Finally, you'll learn to recognize and defend against the struggles that often accompany a new or renewed relationship with Christ. Pope Francis said, "Let us ask ourselves: How do I follow Jesus?" *Follow Christ* begins to show us the way.

**Following Christ through Being Disciplined** Casey Smith, 2021-09-09. Following Christ though being disciplined is a simple tool to help anyone with questions about what it means to have a personal relationship with Jesus Christ. They will be able to understand more about the Bible, God, the church, and other important aspects about the Christian walk. There are three very important verses concerning discipleship. The Apostle Paul in 1 Corinthians 11:1 tells us to follow him as he follows Christ. This is where I got my inspiration for my ministry. Following Christ Ministry. Paul also tells Timothy in 2 Timothy 2:2 that everything he has learned, he is to teach faithful men to teach others also. This is where discipleship starts. Training leaders in the church to take their lives and invest it into the life of a new believer or someone searching for truth. The most important verse is the command given by Jesus himself to the disciples in Matthew 28:19-20. We are all commanded to go throughout the world and make disciples. Now more than ever, we need faithful men and women to stand up, share the gospel, and make disciples for our Lord and savior, Jesus Christ.

*Follow Me As I Follow Christ* Cheryl Dunlop, 2000-08-01. Many children's teaching programs resemble carnivals instead of productive environments where a child can learn about Jesus Christ. This is often the result of having untrained teachers teaching Sunday school. Experienced Sunday school teacher Cheryl Dunlop fills this void by

providing a practical teaching manual designed to ensure all those teaching Sunday school are equipped and motivated to do their best for the Lord Follow Me as I Follow Christ explores issues like how to tell a story methods of effective discipline and interacting with individual needs of children Divided into 52 weekly entries it is designed to be read along with and help in teachers class preparation

*Spiritual Discipleship* J. Oswald Sanders, 2009-01-01 As J. Oswald points out true discipleship is more than intellectual assent to a belief in Christ it involves the whole person and lifestyle Those with only superficial belief will soon fall away from the faith but Sanders says a true disciple would rather be presented with a difficult challenge than a soft option Disciples are charged with the task of training themselves to be godly because it is their responsibility to remain spiritually fit Ever fresh topics in this time tested volume include the disciple's second chance the disciple's ambition the disciple's senior partner the disciple's Olympics the disciple's right the disciple's maturity

**Following God** Susie Shellenberger, 2007-05-15 Susie Shellenberger has a pretty good idea about what's up with kids

these days The former full time youth pastor and high teacher now fields more than 1 000 emails a month from teenage girls when she s not talking with them on her radio show or speaking to them from the stage at the Girls of Grace conferences After penning more than 30 books including Dear Diary Girls Want to Know and Girl Talk with God she s turned her sights on the Bible Her study guide series written especially for girls debuted with 1 and 2 Thessalonians and now continues to 1 and 2 Timothy Highlighting the loving relationship between Paul as mentor and Timothy as loyal disciple she shows that Christianity is not just an emotional experience but a conscious decision to engage in a trusting relationship with God Using her own mentoring skills she gently steers teenage girls towards a better understanding of their lives in Christ

**Following Christ** Floyd Williams Tomkins,1901 *Following the Lamb* Keith T. Marriner II,2016-01-11 Jesus parting words to his followers were for them to Go therefore and make disciples of all nations Matt 28 19 This being the case shouldn t we be concerned with gaining a full understanding of discipleship from the entire New Testament corpus Many scholars recognize that the theme of discipleship is found throughout the New Testament even in Revelation with all of its symbolism and bizarre imagery But how does it do this The focus of this study through the use of content analysis methodology is to demonstrate that the theme of discipleship is not only found in the Apocalypse but is also exceedingly relevant for Christians today In many parts of the world Jesus disciples are facing opposition and persecution for their testimony to Jesus Christ It would do Christians well to read the book of Revelation once again As they read it this time through the eyes of the oppressed the content of the book will prove extremely valuable to aid disciples of Jesus in their efforts to follow the Lamb wherever he goes Rev 14 4 no matter what the cost
