*After Escobar* Chris Feistl, Dave Mitchell, Jessica Balboni, 2025-06-24 Renowned DEA agents Chris Feistl and Dave Mitchell tell the incredible true story of how they helped dismantle the world's single most powerful crime syndicate as featured in Season 3 of the hit Netflix series *Narcos*. By the early 1990s Colombia's Cali cartel had become what the former head of the DEA Thomas Constantine referred to as 'The biggest and most powerful crime syndicate in history'. Responsible for nearly 85% of the cocaine that reached U.S. soil and 90% worldwide, they were untouchable, earning billions of dollars all while maintaining their reputation as 'The Godfathers of Cali' and brazenly corrupting thousands of Colombian authorities and government officials, even buying the outcome of the 1994 presidential election. In 1994, the DEA sent young operatives Chris Feistl and Dave Mitchell to Colombia with one formidable task: help Colombian authorities take down the ruthless leaders of the brutal Cali cartel. Not an easy job for two men who looked more like tall, lanky surfers than DEA agents standing well over six feet tall and only six years removed from the DEA Academy; they were the epitome of conspicuous in a city where most residents rarely, if ever, saw an American in person. Many of their colleagues feared for their safety, openly questioning their ability to blend in. Their almost three-year journey would lead them from the bureaucratic halls of the U.S. Embassy to the violent streets of Cali and deep into its rural sugar cane fields, on high alert day and night as they dodged deadly cartel assassins and oftentimes worked unilaterally to battle the unprecedented corruption within Colombia's security forces. Over time, their relentless efforts began to slowly degrade the godfathers' defenses and weaken their infrastructure. **Seducing Destiny** R. D. Jones, 2018-02-07 Travel into the future of lust, mystery, and desire. The trials and errors of true love must prevail. Will it? Do we know if fate exists, or is it a myth? This story will take you on an adventure. You will travel through the challenges of destiny's seduction. Does true love and fate exist? **Of Liars and Machines** Leo Penny, 2015-12-24 A man is stranded on a desert island. Reality? He remembers how water tastes. But remembering is not the same as having. There are a lot of things he had. Walter is a man on the run. There aren't many places to run on a desert island. But a man can run even if there should only be one wooden plank left to the world. This is the description of a classic mystery tale. Part philosophic thriller, part refined love story. Who is the murderer, and will he be brought to justice? *The Succeeders* Andrea Flores, 2021-09-07 This book, a story of social reproduction and change, illustrates how the larger ideological struggles over who belongs in this country, who is valuable, and who is an American are worked out by young people through their everyday acts of striving in school and caring for friends and family. It uses the experiences of everyday high schoolers, some undocumented and some from families with mixed legal standing, to understand the roles that education and a broad definition of achievement play in shaping how young people, who are today the focus of xenophobic ire, come to understand their national identity and sense of belonging to the United States. **Renaissance Man** M. Garzon, 2017-05-04 Book 3 in the popular series. And they lived happily ever after. In fairy tales, that's always how things end. The prince and princess ride away on his white horse, and from

then on all s right with the world But what if it wasn t What if the prince s life didn t suit the princess What if she felt stifled by life inside the castle walls Could she tell him And if she loved him really loved him how could she ask him to give up his kingdom *Playing for Keeps* Ellie Isaacson,2021-09-09 Life with Vinny Leonetti gave me opportunities I d never even imagined Private jet trips across the country on a whim dining at expensive restaurants and island vacations where we soaked up the sun But all that money also brought me danger and heartbreak It all became too much I walked away from that life and my chance at an all consuming love Though I was intent on making it on my own not a day went by that he wasn t on my mind And when life brought me back to the city it all began in the danger found me before he did As I tried to make my way back to him the threats came at me from every side Was my love for him strong enough to save me And if so would he give me a second chance
