

Keep Rossmoyne Healthy Assessment Task

Due in Week 6 | Term 4 | 2023

BACKGROUND

Humans are on the top of the food chain, we are the smartest animals on earth, we have colonized the earth and our medical advancements have allowed us to live longer than our ancestors before us. Along with this came a technology boom, a change in our lifestyle as well as physical and mental health issues that put our medical advancements to good use.

*In groups of 4, your task is to be an advocate for the **mental health** for people in the **Rossy Community**. Identify an area of peoples' health that could be improved and come up with an **action plan** to improve this at Rossmoyne. Your action plan should be designed to help people make **better choices** by giving them the **knowledge, skills, and resources** to make **informed positive decisions** about their **mental health**. You then need to pitch your idea to the class. Any outstanding presentations may have the opportunity to pitch their idea and turn your action plan ideas into a reality!*

LOOK AT THE STATS
