Fond Recollections An Autobiography:

Fond Recollections Dale Sheets, 2003-11 This autobiography of Dale T Sheets covers his life from 1920 to 2003 Tom Brokaw calls that the greatest generation in American history citing unbelievable technological advances from horses pulling plows on Mr Sheets family farm to astronauts plowing the outer fields of space This book is a dramatic life story which the author likens to a three act play While the scenes and the cast keep changing in step with the various stages of his life the writer continues to view his world with a mixture of horse sense good humor and wit The author grew up roaming the woods of an Indiana farm graduated from college survived World War II naval battles and returned to devote the rest of his life to public education first as an English teacher and later as a school administrator After retiring he traveled extensively in Europe Asia and Africa In recognition of his service to public education he was named a Sagamore of the Wabash by Governor Robert Orr in 1983

A History of Modern Uganda Richard J. Reid, 2017-02-17 This book is the first major study in several decades to consider Uganda as a nation from its precolonial roots to the present day Here Richard J Reid examines the political economic and social history of Uganda providing a unique and wide ranging examination of its turbulent and dynamic past for all those studying Uganda s place in African history and African politics Reid identifies and examines key points of rupture and transition in Uganda s history emphasising dramatic political and social change in the precolonial era especially during the nineteenth century and he also examines the continuing repercussions of these developments in the colonial and postcolonial periods By considering the ways in which historical culture and consciousness has been ever present in political discourse art and literature and social relationships Reid defines the true extent of Uganda s viable national history

Wartime Shanghai and the Jewish Refugees from Central Europe Irene Eber, 2012-04-02 The study discusses the history of the Jewish refugees within the Shanghai setting and its relationship to the two established Jewish communities the Sephardi and Russian Jews Attention is also focused on the cultural life of the refugees who used both German and Yiddish and on their attempts to cope under Japanese occupation after the outbreak of the Pacific War Differences of identity existed between Sephardi and Ashkenazi Jews religious and secular aside from linguistic and cultural differences The study aims to understand the exile condition of the refugees and their amazing efforts to create a semblance of cultural life in a strange new world

Youth, Identity, Power Carlos Muñoz, 1989 Youth Identity Power is a study of the origins and development of Chicano radicalism in America Written by a leader of the Chicano Student Movement of the 1960s who also played a role in the creation of the wider Chicano Power Movement this is the first full length work to appear on the subject It fills an important gap in the history of political protest in the United States The author places the Chicano movement in the wider context of the political development of Mexicans and their descendants in the US tracing the emergence of Chicano student activists in the 1930s and their initial challenge to the dominant racial and class ideologies of the time Munoz then documents the rise and fall of the Chicano Power Movement situating the student protests of the sixties

within the changing political scene of the time and assessing the movement's contribution to the cultural development of the Chicano population as a whole. He concludes with an account of Chicano politics in the 1980s. *Youth, Identity, Power* was named an Outstanding Book on Human Rights in the United States by the Gustavus Myers Center in 1990. *Youth, Identity, Power* Carlos Munoz, 2007-08-17 *Youth Identity Power* is the classic study of the origins of the 1960s Chicano civil rights movement. Written by a leader of the Chicano student movement who also played a key role in the creation of the wider Chicano Movement, this is the first full-length work to appear on the subject. It fills an important gap in the history of political and social protest in the United States. Carlos Munoz places the Chicano Movement in the context of the political and intellectual development of people of Mexican descent in the USA, tracing the emergence of student activists and intellectuals in the 1930s and their initial challenge to the dominant white racial and class ideologies. He then documents the rise and fall of the Chicano Movement of the 1960s, situating it within the 1960s civil rights and radical movements and assessing the Chicano Movement's contribution to the development of the Mexican American population and the Latino population as a whole. In an afterword to this new edition, Munoz charts the burgeoning growth of US Latino communities, assesses the nativist backlash against them, and argues that Latinos must play a central role in a new movement for multiracial democracy.

Sons of the Father Robert M. S. McDonald, 2013-09-24 Whether acting as a military officer or civilian officeholder, George Washington did not possess a reputation for gladly handing easy confidences or even much warmth. His greatest attributes as a commander might well have been his firm command over his own emotions and the way in which he held himself above if not apart from the men he led. Understanding the full range of Washington's leadership, which embraced all shades of persuasion and coercion as well as multiple modes of command and solicitude, requires the examination of his influence on the lives, careers, and characters of the members of a diverse fraternity of younger men. In *Sons of the Father*, leading scholars analyze Washington's relationships with men such as Daniel Morgan, Anthony Wayne, Thomas Jefferson, James Monroe, Henry Knox, Nathanael Greene, Gouverneur Morris, Alexander Hamilton, and the Marquis de Lafayette. The men on whom this volume focuses were not all his closest associates. Yet all are important figures in that their interactions with Washington provide glimpses into various aspects of his capacities for management, motivation, control, and the cultivation of talent. The essays in this volume demonstrate Washington's consistency in treating all these men differently for different reasons at different times. It was perhaps part of his genius to recognize the individuality of the men with whom he interacted as well as the shifting requirements of changing circumstances. Thompson University of North Carolina at Pembroke **British Autobiographies** William Matthews, 2023-04-28 British Autobiographies An Annotated Bibliography of British Autobiographies Published or Written Before 1951 compiled by William Matthews is an essential resource for scholars researchers and anyone interested in personal narratives Spanning four centuries this extensive bibliography catalogs a wide range of autobiographical works capturing the voices of individuals from all walks of life From statesmen and soldiers to artists explorers and even everyday people these entries offer a window into the diverse experiences that shaped British history and culture Matthews and his team meticulously gathered these works from major libraries across the United States the United Kingdom and other locations ensuring a comprehensive collection that sheds light on both famous and lesser known autobiographical voices This bibliography is not only a valuable tool for literary scholars studying the evolution of autobiographical writing but also for historians psychologists and social scientists interested in understanding personal accounts of significant historical events and societal shifts Matthews work opens up new possibilities for exploring the autobiographical genre as a reflection of both individual lives and broader cultural trends With its rich diversity of subjects and detailed annotations British Autobiographies serves as a vital reference for anyone researching the personal dimensions of British history This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1955 **Autobiographies** Case Library (Cleveland, Ohio), 1910 **Envisioning Asia** Jeanette Roan, 2010-09-22 Whereas some other scholars read selected films mainly to illustrate political arguments Roan never loses sight of the particularities of film as a distinctive cultural form and practice Her drive to see cinema as a mechanism of American orientalism results in not just a textual analysis of these films but also a history of their material production and distribution Josephine Lee University of Minnesota Envisioning Asia offers an exciting new contribution to our understandings of the historical developments of American Orientalism Jeannette Roan deftly situates changing cinematic technologies within the context of U S imperial agendas in this richly nuanced analysis of shooting on location in Asia in early 20th century American cinema Wendy Kozol Oberlin College Through her vivid illustration of the role of American cinema in the material visual and ideological production of Asia Jeanette Roan takes the reader on a journey to Asia through a very different route from the virtual travel taken by the viewers of the films she discusses Mari Yoshihara University of Hawai i at Manoa The birth of cinema coincides with the beginnings of U S expansion overseas and the classic Hollywood era coincides with the rise of the United States as a global superpower In Envisioning Asia Jeanette Roan argues that throughout this period the cinema s function as a form of virtual travel coupled with its purported authenticity served to advance America s shifting interests in Asia Its ability to fulfill this imperial role depended however not only on the cinematic representations themselves but on the marketing of the films

production histories and in particular their use of Asian locations Roan demonstrates this point in relation to a wide range of productions offering an engaging and useful survey of a largely neglected body of film Not only that by focusing on the material practices involved in shooting films on location that is the actual travels negotiations and labor of making a film she moves beyond formal analysis to produce a richly detailed history of American interests attitudes and cultural practices during the first half of the twentieth century Jeanette Roan is Adjunct Professor of Visual Studies at California College of the Arts and author of *Exotic Explorations Travels to Asia and the Pacific in Early Cinema* in *Re collecting Early Asian America Essays in Cultural History* 2002 Cover art Publicity still Tokyo File 212 Dorrell McGowan and Stuart McGowan 1951 The accompanying text reads Hundreds of spectators gather on the sidelines as technicians prepare to photograph a parade scene in Tokyo File 212 a Breakston McGowan Production filmed in Japan for RKO Radio distribution Courtesy of the Academy of Motion Picture Arts and Sciences

Creative Conflict in African American Thought Wilson Jeremiah Moses, 2004-05-10 Building upon his previous work and using Richard Hofstadter's *The American Political Tradition* as a model Professor Moses has revised and brought together in this book essays that focus on the complexity of and contradictions in the thought of five major African American intellectuals Frederick Douglass Alexander Crummell Booker T Washington W E B DuBois and Marcus M Garvey In doing so he challenges both popular and scholarly conceptions of them as villains or heroes In analyzing the intellectual struggles and contradictions of these five dominant personalities with regard to individual morality and collective reform Professor Moses shows how they contributed to strategies for black improvement and puts them within the context of other currents of American thought including Jeffersonian and Jacksonian democracy Social Darwinism and progressivism
