Transnational Identity and Memory Making in the Lives of Iraqi Women in Diaspora Nadia` Jones-Gailani, 2020-08-26 This book draws on an extensive archive of over one hundred oral narratives collected and recorded with Iraqi women in three sites Amman Detroit and Toronto Nadia Jones Gailani demonstrates how the relationships between ethno religious migrants nation and citizenship are shaped by the traumatic experiences of forced displacement and integration into new communities and national imaginaries This book also examines the broader historical trends that have precipitated migration from Iraq While informed by research into the archival documentary record on Iraqis in North America this book is first and foremost a study of gender and memory that focuses on women s oral histories By historicizing the process through which ethno religious and ethno national communities become fractured and remade Jones Gailani explores the expectations and realities of women as the supposed biological and cultural reproducers of the nation The Iraqi women featured in this book assert their claims to belonging across three different generations thereby opening up spaces to discuss how sites of migration shape the ability of migrants to lobby for the homeland even as they engage in daily struggles to advance their education and economic stability abroad

The Oxford Handbook of the Archaeology of Ritual and Religion Timothy Insoll, 2011-10-28 The Oxford Handbook of the Archaeology of Ritual and Religion provides a comprehensive overview by period and region of the relevant archaeological material in relation to theory methodology definition and practice Although as the title indicates the focus is upon archaeological investigations of ritual and religion by necessity ideas and evidence from other disciplines are also included among them anthropology ethnography religious studies and history The Handbook covers a global span Africa Asia Australasia Europe and the Americas and reaches from the earliest prehistory the Lower and Middle Palaeolithic to modern times In addition chapters focus upon relevant themes ranging from landscape to death from

taboo to water from gender to rites of passage from ritual to fasting and feasting Written by over sixty specialists renowned in their respective fields the Handbook presents the very best in current scholarship and will serve both as a comprehensive introduction to its subject and as a stimulus to further research *Placing Animals in the Neolithic* Arkadiusz

Marciniak,2018-10-24 This book presents a new perspective on the social milieu of the Early and Middle Neolithic in Central Europe as viewed through relations between humans and animals food acquisition and consumption as well as refuse disposal practices Based on animal bone assemblages from a wide range of sites from a period of over 2 000 years originating in both the North European Plain lowlands and the loess uplands the evidence explored in the book represents the Linear Band Pottery Culture LBK the Lengyel Culture and the Funnel Beaker Culture TRB allowing us to follow the dynamic development of early farmers from their emergence in the area north of the Carpathians up to their consolidation and stabilization in this new territory *Gilmore Girls and the Politics of Identity* Ritch Calvin,2014-11-21 This work

examines the Gilmore Girls from a post feminist perspective evaluating how the show s main female characters and supporting cast fit into the classic portrayal of feminine identity on popular television The book begins by placing Gilmore Girls in the context of the history of feminism and feminist television shows such as Mary Tyler Moore and One Day at a Time The remainder of the essays look at series portrayal of traditional and non traditional gender identities and familial relationships Topics include the hyper real utopia represented by Gilmore Girls fictional Stars Hollow the faux feminist perspective offered by Rory Gilmore s unfulfilling and often masochistic romantic relationships the ways in which mean girl Paris Geller both adheres to and departs from the traditional archetype of female power and aggression and the role of Lorelai Gilmore s oft criticized marriage in destroying the show s central theme of single motherhood during its seventh season The work also studies the role of food and its consumption as a narrative device throughout the show s development evaluating the ways in which food negotiates defines and upholds the characters gendered and class performances The work also includes a complete episode guide listing the air date title writer and director of every episode in the series **The**

Anthropology of Empathy Douglas W. Hollan,C. Jason Throop,2011-08-01 Exploring the role of empathy in a variety of Pacific societies this book is at the forefront of the latest anthropological research on empathy It presents distinct articulations of many assumptions of contemporary philosophical neurobiological and social scientific treatments of the topic The variations described in this book do not necessarily preclude the possibility of shared existential biological and social influences that give empathy a distinctly human cast but they do provide an important ethnographic lens through which to examine the possibilities and limits of empathy in any given community of practice **Gender, Discourse and the Self in**

Literature Kwok-kan Tam,Terry Siu-han Yip,2010 Critiquing the fictive nature of socially accepted values about gender the authors unravel the strategies adopted by writers and filmmakers in de constructing the gendered self in mainland China Taiwan and Hong Kong **The ^AOxford Handbook of Feminist Approaches to the Hebrew Bible** Susanne

Scholz,2020-10-01 The Oxford Handbook of Feminist Approaches to the Hebrew Bible brings together 37 essential essays written by leading international scholars examining crucial points of analysis within the field of feminist Hebrew Bible studies Organized into four major areas globalization neoliberalism media and intersectionality the essays collectively provide vibrant relevant and innovative contributions to the field **T&T Clark Handbook of Anthropology and the Hebrew Bible**

Emanuel Pfoh,2022-12-15 This handbook presents an overview of the main approaches from social and cultural anthropology to the Hebrew Bible Since the late 19th century biblical scholarship has addressed issues and themes related to biblical stories from a perspective which could now be considered socio anthropological It is however only since the 1960s that biblical scholars have started to produce readings and incorporate analytical models drawn directly from social anthropology to widen the interpretive scope of the social and historical data contained in the biblical sources The handbook is arranged into two main thematic parts Part 1 assesses the place of the Bible in social anthropology examines the contribution of ethnoarchaeology to the recovery of the social world of Iron Age Palestine and offers insights from the anthropology of the Mediterranean for the interpretation of the biblical stories Part 2 provides a series of case studies on anthropological themes arising in the Hebrew Bible These include kinship and social organisation death cultural and collective memory and ritualism Contributors also examine how the biblical stories reveal dynamics of power and authority gender and honour and shame and how socio anthropological approaches can reveal these narratives and deepen our knowledge of the human societies and cultural context of the texts Bringing together the expertise of scholars of the Hebrew Bible and Biblical Archaeology this ethnographic introduction prompts new questions into our understanding of anthropology and the Bible **Reading Cultural Representations of the Double Diaspora**

Maya Parmar,2019-08-08 Reading Cultural Representations of the Double Diaspora Britain East Africa Gujarat is the first detailed study of the cultural life and representations of the prolific twice displaced Gujarati East African diaspora in contemporary Britain An exceptional community of people this diaspora is disproportionately successful and influential in resettlement both in East Africa and Britain Often showcased as an example of migrant achievement their accomplishments are paradoxically underpinned by legacies of trauma and deracination The diaspora despite its economic success and considerable upward social mobility in Britain has until now been overlooked within critical literary and postcolonial studies for a number of reasons This book attends to that gap Parmar uniquely investigates what it is to be not just from India but too Africa how identity forms within as the study coins the double diaspora Parmar focuses on cultural representation post twice migration via an interdisciplinary methodology offering new contributions to debates within diaspora studies In doing so the book examines a range of cultures produced amongst or about the diaspora including literary representations culinary dance and sartorial practices as well as visual materials **Histories of Sensibilities**

Isabel Burdiel,Ester García Moscardó,Elena Serrano,2024-10-23 Histories of Sensibilities Visions of Gender Race and Emotions in the Global Enlightenment explores the

historical and plural character of sensibility in the Global Enlightenment From Tahiti to New Orleans to the Mariana Islands to Lima Geneva London Oviedo or Venice the book investigates how sensibility was brandished by different ethnic political and cultural groups to define their identities how cross cultural and cross chronological encounters reconfigured ideas of gendered selves how sexuality was used to empower or subjugate non European ethnicities and how the circulation of theories about the origin of emotions and taste reinforced or challenged hegemonic ideas of masculinity and femininity With a primary focus on Southern Europe and the Hispanic World areas still not well charted this edited collection explores the varied forms in which notions of sensibilities circulated within Europe and between Europe the Americas and the Hispanic Asian Pacific questioning normative and diffusionist views *Histories of Sensibilities* is aimed at postgraduate students and scholars researching the histories of literature and science cultural studies the history of emotions gender studies and women s history as well as scholars of Hispanic studies Latin America studies and European studies The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution No Derivatives CC BY ND 4 0 license

Empirical Anthropology Georg Pfeffer, Nibedita Nath, 2018-01-01 Fieldwork tradition is the hallmark of anthropology Unfortunately this great tradition of anthropology is not given serious consideration in many anthropology department Against the backdrop the volume in honour of Professor Deepak Kumar Behera who himself was an excellent fieldworker presents important issues and rich fieldwork experience of various scholars The book has two sections The first section *Issues of Academic Friends* consisting of eleven papers covers aspects such as tribes governance health food language lyric youth etc The second section *Friends in the Field* consisting of seven presents the fieldwork experiences of some German anthropologists in India The volume makes an attempt to show the importance of fieldwork in anthropology and allied subjects The shared fieldwork experiences will help the researchers to understand the ground realities and prepare them to be excellent fieldworkers
