Through rare Disney theme park concept art and photographs, this must-have collector's book showcases more than 280 biographies and features more than 50 pages on the evolution and behind-the-scenes of the Main Street U.S.A. areas across the globe, up to and including the fairytale castles at the end of each street. In particular, the windows of structures lining Main Street U.S.A. at Disneyland and the Magic Kingdom are designed as calling cards for fictionalized shopkeepers, business owners, and academy heads. These names belong to the real-life all-stars who helped make Disney's theme parks a reality around the world. The people cited on these windows are skilled artists, business leaders, Imagineers, songwriters, and more.
