Food Not Bombs How To Feed The Hungry:

Food Not Bombs C. T. Lawrence Butler, Keith McHenry, 1992-01-01 **Leftovers** Eleanor Barnett, 2024-03-14 A topical and richly entertaining history of food preservation and food waste in Britain from the sixteenth century kitchen to the present day In **Leftovers** Eleanor Barnett explores the many ingenious ways in which our ancestors sought to extend the life of food through preservation the culinary reuse of leftovers and the recycling of food scraps Embracing a broad historical lens the book spans Tudor household management the world changing inventions in food preservation of the Industrial Revolution from the tin can to artificial refrigeration the growth of public health initiatives and organised food waste collection in the Victorian era state promotion of thrifty eating during the two World Wars and the politics of food and packaging waste in the modern era of sustainability Opening a window on the everyday experiences of ordinary people in the past **Leftovers** reveals how factors such as religious belief class identities and gender have historically shaped attitudes towards food waste At a time when a third of the food we produce globally is wasted **Leftovers** links its central historical focus to humanitarian and environmental issues of urgent contemporary interest including climate change globalisation scientific advancement poverty and inequality **The Everyday** Justin Derry, Martin Parrot, 2014-10-17 **The Everyday Experiences Concepts and Narratives** is an inter disciplinary book problematizing the slippery notion of Everyday Life Contributing to a tradition of 20th century scholarly work focusing on Everyday Life this book specifically attends to the multiple ways that the quotidian aspects of our day to day existence become knotted into situated narratives and concepts In their depth and breadth the chapters compiled here all work with an understanding of everyday life that is i **Anarchism and Animal Liberation** Anthony J. Nocella II, Richard J. White, Erika Cudworth, 2015-07-11 Building upon anarchist critiques of racism sexism ableism and classism this collection of new essays melds anarchism with animal advocacy in arguing that speciesism is an ideological and social norm rooted in hierarchy and inequality Rising from the anarchist influenced Occupy Movement this book brings together international scholars and activists who challenge us all to look more critically into the causes of speciesism and to take a broader view of peace social justice and the nature of oppression Animal advocates have long argued that speciesism will end if the humanity adopts a vegan ethic This concept is developed into the argument that the vegan ethic has the most promise if it is also anti capitalist and against all forms of domination **Sharing the Harvest** Elizabeth Henderson, Robyn Van En, 2007 Looks at partnerships between local small farms and nearby consumers who become members or subscribers in support of the farm offering advice on acquiring land organizing handling the harvest and money and legal matters **The American Dream** Mike Palecek, 2007-02 **Remaking Radicalism** Dan Berger, Emily K. Hobson, 2020-10 This book brings together documents from multiple radical movements in the recent United States from 1973 through 2001 These years are typically viewed as an era of neoliberalism dominated by conservative retrenchment the intensified programs of privatization and incarceration dramatic cuts to social welfare and the undermining of labor

antiracist and feminist advances Yet activists from the period proved tenacious in the face of upheaval resourceful in creating new tactics and dedicated to learning from one another Persistent and resolute activists did more than just keep radical legacies alive They remade radicalism bridging differences of identity and ideology often assumed to cleave movements grappling with the eradication of liberal promises and turning to movement cultures as the source of a just future Remaking Radicalism is the first anthology of U S radicalisms that reveals the depth diversity and staying power of social movements after the close of the long 1960s Editors Dan Berger and Emily Hobson track the history of popular struggles during a time that spans the presidencies of Richard Nixon and George W Bush and bring to readers the political upheavals that shaped the end of the century and that continue to define the present

[Soup and Bread Cookbook](#) Martha Bayne,2011-11-08 The Soup and Bread Cookbook aims to explore the social role of soup through a collection of terrific affordable recipes from food activists chefs and others This quirky exploration of the cultural history of soup as a tool for both building community and fostering social justice is the result of a brainstorm eating your way through a pot of soup day after day can get boring why not get together and swap some with friends Now neighbors across the country are getting together regularly for home based soup swaps In Chicago the arts collective InCUBATE uses soup as a microfunding tool And of course soup can be a political statement the radical volunteers of Food Not Bombs have been providing free vegetarian soup to the hungry as a protest against war and social injustice since 1980 These are just a few examples of the stories Bayne wraps around a collection of delicious accessible and tested soup recipes

[Crimes of Dissent](#) Jarret S. Lovell,2009-07 From animal rights to anti abortion from tax resistance to anti poverty activists from across the political spectrum often deliberately break the law to further their causes While not behaviors common to hardened or self seeking criminals the staging of civil disobedience non violent resistance and direct action can nevertheless trigger a harsh response from law enforcement with those arrested risking jail time and criminal records Crimes of Dissent features the voices of these activists presenting a fascinating insider s look at the motivations costs and consequences of deliberately violating the law as a strategy of social change Crimes of Dissent provides readers with an in depth understanding of why activists break the law and what happens to them when they do Using dynamic examples both historic and recent Jarret Lovell explores how seasoned protesters are handled and treated by the criminal justice system shedding light on the intersection between the political and the criminal By adopting the unique vantage of the street level activist Crimes of Dissent provides a fascinating view of protest from the ground giving voice to those who refuse to remain silent by risking punishment for their political actions

On a Dollar a Day Christopher Greenslate,Kerri Leonard,2010-02-09 What happens when two high school teachers get fed up with their soaring grocery bills and decide to try to feed themselves on one dollar each per day Authors Kerri Leonard and Christopher Greenslate describe how they did it and also include sections about eating on a little more than 4 a day as well as on the actual costs of eating a healthy diet On a Dollar a Day also includes fascinating facts about the way our food gets to the table

and the hidden costs both personal and financial along the way How food companies short size packages so that you pay more for less food Why one tablespoon of salad dressing costs as much as a whole orange How grocery stores auction off foods past their sell by dates Why processed foods have a higher markup than fresh foods Why it takes so long for food prices to drop even after fuel and shipping costs go down How 36 million Americans have limited food options even during a national obesity epidemic

The Anarchist Cookbook Keith McHenry, Chaz Bufe, Hedges Chris, 2015-09-29 From the cofounder of Food Not Bombs an action oriented guide to anarchism social change and vegan cooking Unlike the original Anarchist Cookbook which contained instructions for the manufacture of explosives this version is both a cookbook in the literal sense and also a cookbook of recipes for social and political change The coffee table sized book is divided into three sections a theoretical section explaining what anarchism is and what it isn't information on organizational principles and tactics for social and political change and finally numerous tasty vegan recipes from one of the cofounders of the international Food Not Bombs movement

them All No Patents on Life Food Sovereignty Another World is Possible The struggles against corporate power and the institutions of globalization grow more courageous and confident year by year Millions of people have already become active in rejecting corporate globalization and developing alternatives to it Millions more know that something is terribly wrong and are ready to begin taking action This book is for them Amory Starr is author of Naming the Enemy a book that foresaw the emergent anti globalization network nearly a decade ago Here she provides in concise and engaging style and with activist insight A history of the movements emergence An outline of their analyses and aims A digest of the ongoing controversies and dilemmas An inspiring compendium of popular tactics

A People's Guide to Greater Boston Joseph Nevins, Suren Moodliar, Eleni Macrakis, 2020-07-07 A People's Guide to Greater Boston reveals the region's richness and vibrancy in ways that are neglected by traditional area guidebooks and obscured by many tourist destinations Affirming the hopes interests and struggles of individuals and groups on the receiving end of unjust forms of power the book showcases the ground level forces shaping the city Uncovering stories and places central to people's lives over centuries this guide takes readers to sites of oppression resistance organizing and transformation in Boston and outlying neighborhoods and municipalities from Lawrence Lowell and Lynn to Concord and Plymouth It highlights tales of the places and people involved in movements to abolish slavery to end war and militarism to achieve Native sovereignty racial equity gender justice and sexual liberation and to secure workers rights In so doing this one of a kind guide points the way to a radically democratic Greater Boston one that sparks social and environmental justice and inclusivity for all

Another Politics Chris Dixon, Angela Y. Davis, 2014-08-15 Amidst war economic meltdown and ecological crisis a new spirit of radicalism is blooming from New York to Cairo according to Chris Dixon In Another Politics he examines the trajectory of efforts that contributed to the radicalism of Occupy Wall Street and other recent movement upsurges Drawing on voices of leading organizers across the United States and Canada he delivers an engaging presentation of the histories and principles that shape many contemporary struggles Dixon outlines the work of activists aligned with anti authoritarian anti capitalist and anti oppression politics and discusses the lessons they are learning in their efforts to create social transformation The book explores solutions to the key challenge for today's activists organizers fighters and dreamers building a substantive link between the work of against which fights ruling institutions and the work of beyond which develops liberatory alternatives

Black Diaspora, 1996-03 Neoliberal Culture Patricia Ventura, 2016-04-22 Departing from the conventional understanding of neoliberalism as a set of economic and political policies favoring free markets Neoliberal Culture presents a framework for analyzing neoliberalism in the United States as a culture or structure of feeling which shapes American everyday life The book proposes five components as the keys to any study of American neoliberal culture biopower corporatocracy globalization the erosion of welfare state society and hyperlegality these five components enabling rich analyses of key artifacts of the neoliberal era including the Iraq War Las Vegas welfare reform Walmart and Oprah's Book Club Carefully organized according to its central themes and adopting a

case study approach in order to allow for thorough illustrated analyses this book is an important tool for scholars and students of contemporary cultural studies popular culture American Studies and sociology The Alchemy of Illness Kat Duff,1993 Illness is a universal experience There is no privilege that can make us immune to its touch We are taught to assume health illnesses being just temporary breakdowns in the well oiled machinery of the body But illness has its own geography its own laws and commandments At a time when the attention of the whole nation is focused on health care Kat Duff inquires into the nature and function of illness itself Duff a counselor in private practice in Taos New Mexico wrote this book out of her experience with chronic fatigue syndrome but what she has to say is applicable to every illness and every one of us For those who are sick this book offers solace and recognition For those who care for them either physically or emotionally it offers inspiration and compassion Finally this fresh perspective on healing reveals how every illness is a crucible that tries our mettle tests our limits and provides us with an unparalleled opportunity to integrate its lessons into our lives
