## **Fool In Love:**

Letters of an (fool) in love Carlos Usín, 2022-10-21 There are magic words that work wonders I m sorry forgive me it s my fault And there are others that open up infinite possibilities I love you I need you I can t live without you For some strange reason there is a widespread misconception that good feelings towards our loved ones go without saying are taken for granted assumed Therefore with this perspective from some indefinite moment in time we abandon the good habit of showing our feelings we stop saying I love you I need you I like this or that etc I am sincerely convinced that it is not enough to give a gift once in a while be it a diamond necklace a bouquet of flowers or a box of chocolates I am an unrepentant enthusiast for the palpable physical and persistent demonstration over time of expressing what we feel for our loved ones our partner children friends each on their own scale We do it with the dog and the cat why don t we do it with human beings I think we should give many more hugs many more kisses say many more I love you many more I need you many more you are my life And besides acting like this every day it wouldn t hurt to write it down for the record Have you tried to give a love letter to your wife you ve been with for years Have you tried to write a page with the word THANK YOU I m sure you have many reasons to be grateful It s about sitting down for a few minutes reflecting for a few minutes and putting down on paper what s in your heart It doesn t seem too difficult I think more than one person would be surprised at the results Translator

Sutton, 2006-01-01 Political science is becoming ever more reliant on abstract statistical models and almost divorced from human judgment hope and idealism William Shakespeare offers the political scientist an antidote to this methodological alienation this self imposed exile from the political concerns of citizens and politicians Shakespeare the most quoted author in the English speaking world presents his characters as rulers citizens and statesmen of the most famous regimes governed by their respective laws and shaped by their respective political and social institutions The actions deliberations mistakes and successes of his characters reveal the limitations and strengths of their regimes whether they be Athens Rome or England The contributors to this volume esteemed scholars of political science show us that Shakespeare's poetic imagination displays the very essence of politics and inspires valuable reflection on the fundamental questions of statesmanship and political leadership *Perspectives on Shakespeare's Politics* explores such themes as classical republicanism and liberty the rule of law and morality the nature and limits of statesmanship and the character of democracy *Catalog of Copyright Entries*, 1945 **A Bad Woman Feeling Good: Blues and the Women Who Sing Them** Buzzy Jackson, 2005-02-17 The women who broke the rules creating their own legacy of how to live and sing the blues An exciting lineage of women singers originating with Ma Rainey and her protégée Bessie Smith shaped the blues launching it as a powerful expressive vehicle of emotional liberation Along with their successors Billie Holiday Etta James Aretha Franklin Tina Turner and Janis Joplin they injected a dose of reality into the often trivial world of popular song bringing their message of higher expectations and broader horizons to their audiences These women passed their image their rhythms and their toughness on to the next generation of blues women which has its contemporary incarnation in singers like Bonnie Raitt and Lucinda Williams with whom the author has done an in depth interview Buzzy Jackson combines biography an appreciation of music and a sweeping view of American history to illuminate the pivotal role of blues women in a powerful musical tradition Musician Thomas Dorsey said The blues is a good woman feeling bad But these women show by their style that he had it backward The blues is a bad woman feeling good **Music in American Life** Jacqueline Edmondson, 2013-10-03 A fascinating exploration of the relationship between American culture and music as defined by musicians scholars and critics

**Faith and Folly in Shakespeare's Romantic Comedies** R. Chris Hassel, Jr., 2011-05-01 An enduring debate among scholars has focused on the degree to which Shakespeare's plays are indebted to the Christian culture in which they were created and the manner of demonstrating that indebtedness R Chris Hassel Jr points out informed allusions to familiar Pauline and Erasmian Christian passages and themes present in Love's Labor's Lost A Midsummer Night's Dream Much Ado about Nothing As You Like It

Twelfth Night and The Merchant of Venice He argues that not only did Shakespeare's audience understand these allusions but also that these allusions led the audience to recognize their pertinence to the playwright's uniquely Christian comic vision Furthermore Hassel feels this understanding of the relationship between Shakespeare's comic artistry and Christianity leads to a greater appreciation of the plays
