Foolish Wisdom Stories Activities And Reflections From Ken Feit:

Foolish Wisdom Joseph F. Martin, 1990 Jesus The Holy Fool Elizabeth-Anne Stewart, 1999-08 Richly written Jesus the Holy Fool combines diverse images from religious traditions world literature Jungian archetype and Scripture Weaving the best theology and spirituality Jesus the Holy Fool is a fresh and inviting Christology The Scriptures tell us that religious leaders thought Jesus was possessed and his own family thought he was crazy In his open table fellowship choice of followers radical passion and his death and resurrection Jesus was willing to appear as a fool for the sake of God's reign His teachings especially the parables paradoxes and the beatitudes advocate a way of life that is grounded in Holy Foolishness Through an archetypal examination of the fool motif as it applies to Jesus in the Gospels Jesus the Holy Fool develops the connections between holiness and folly Offering new insights into Christology and exploring its practical pastoral ramifications Jesus the Holy Fool presents Holy Foolishness as a paradigm for the Christian journey and as a new model of what it means for us to be church

The Living Church, 2000 **The Storytellers' Journey** Joseph Daniel Sobol, 1999 This is the seed of The Storytellers Journey Joseph Daniel Sobol's history of the past thirty years of American storytelling In this compelling examination of the contemporary search for myth Sobol explores the social and psychological roots of the storytelling revival and the ever resurgent power of the storyteller Drawing on interviews with dozens of storytellers around the country Sobol paints the revival as part of a larger process of cultural revitalization He traces the growth of the preeminent revival organization the National Association for the Preservation and Perpetuation of Storytelling NAPPS and details the individual passions the organizational politics and the economic social and mythic forces that have combined to transform a ragtag assemblage of enthusiasts into a national and international network of arts professionals A seemingly chance encounter between a restlessly ambitious high school teacher and a coonhunting tale on the car radio sets off a chain of inspirations that changes the face of a small southern town touches lives across America and revitalizes a homely but treasured art form
