Foolish Words The Most Stupid Words Ever Spoken:

Foolish Words Laura Ward, 2009-11 A collection of gaffes blunders and faux pas committed by those in the public eye who unfortunately for them also caught the public's ear

The Three Hardest Words Leonard Sweet, 2010-05-26 Three simple words I love you capture the heart of Jesus' life and ministry. These three words form the bottom line and top drawer of all his teachings. And they remain the three hardest words in the world to get right. Two pronouns and a verb have never been so difficult to grasp, much less to practice. Popular culture has ruined love's reputation by redefining it first as romance and then as lust. But it's not just the meaning of the word love that causes so much confusion. To fully understand love, we also need to find out who we are in God's eyes and whom we are commanded to love. Following Jesus can be described as the daily practice of all three words: I Love You. There is nothing more rewarding and nothing more risky. Join Leonard Sweet in this eye-opening life-altering exploration of three simple one-syllable words. After all, the lifestyle of love is the only life that Jesus calls you to live. There is nothing more challenging than adopting the three-word lifestyle of Jesus as your own. Perhaps you have wondered why love seems to work for everyone else but not for you. Or maybe you've done your best to love those around you, but it seems that life has drained your last drop of trust and affection. Nothing is better than love when it's right, and nothing is more destructive than attempts at love that fail to follow the Jesus prescription for a healthy life. Jesus devoted his earthly life to saying these three words: I love you, and teaching us how to say them. As Jesus defined love, it takes everything you've got, and then even more, which only God can give. The lifestyle of love is not something you can master on your own, but Jesus is ready to show you how. Starting today, you can learn to live I love you, the three hardest words in the world to get right.

Leonard Sweet, PhD, serves as the E. Stanley Jones Professor of Evangelism at Drew Theological School in Madison, New Jersey. He is also a Distinguished Visiting Professor at George Fox University in Newberg, Oregon, and founder and president of SpiritVenture Ministries. He has written many books, including *Out of the Question Into the Mystery* and the trilogy *SoulTsunami*, *AquaChurch*, and *SoulSalsa*.

Vine's Expository Dictionary of Old Testament Words W.E. Vine, Rev. Terry Kulakowski, 2015-11-10 To ascertain the exact meaning of the words and phraseology of the originals of the Holy Scriptures is of great importance, particularly those which have a variety of meanings in English. The research work of the past fifty years, with the discovery of a large number of inscriptions and documents, and especially of the non-literary writings. The present volumes are produced especially for the help of those who do not study Hebrew, though it is hoped that those who are familiar with the original will find them useful. The work is of an expository character, comments being given on various passages referred to under the different headings. The doctrines of Scripture are dealt with at some length, and notes are provided on matters historical and technical.
