side to more than two World Cup finals and was created an OBE in 1963 and a CBE in 1972 before being knighted in 1978 Walter died in 2002 but his legacy continues to inspire many in football today especially with the opening of the new St George's Park football academy With interviews and insight from top football names this book written by Winterbottom's son in law also draws on personal diaries photographs and letters However this is more than just a biography of one man it's the story of how modern football came about
