Whole Men Kai Jensen,1996 Kai Jensen takes a provocative look at masculinity in New Zealand literature He argues that New Zealand writing around the Second World War was shaped by excitement about masculinity as a way of challenging society Inspired partly by Marxism writers such as A R D Fairburn Denis Glover John Mulgan and Frank Sargeson linked national identity to the ordinary working man or soldier and attempted to merge artistic activity and manliness in a new ideal the whole man This masculine excitement forged a literary and intellectual culture which was powerful for thirty years and which discouraged women writers Jensen suggests that the aftermath of masculinism still influences the way New Zealand intellectuals see themselves and that the masculine tradition survives in the writing of Owen Marshall Sam Hunt Maurice Shadbolt and even Maurice Gee At the same time he argues that masculinism underwent a process of change after its high point in the 1940s Frank Sargeson s closeted homosexuality posed a complex problem for the masculine tradition and its historians and James K Baxter s symbolic Jungian poetry was also hard to reconcile with the idea that men s writing must be based on robust experience Yet Baxter prepared the masculine tradition for the 1960s and 1970s by renovating the whole man as bohemian lover *Whole Men* is not just about one literary movement but about how literary culture works and how New Zealand intellectuals construct their identities **Footrot Flats Weekender 2** Murray Ball,1988 *Australian Books in Print 1999* K G Saur Books,1999-04 Excellent coverage essential to worldwide bibliographic coverage American Reference Books Annual This comprehensive reference provides current finding ordering information on more than 123 000 in print books published in Australia You ll also find brief profiles of more than 12 000 publishers distributors whose titles are represented as well as information on trade associations local agents of overseas publishers literary awards more From Thorpe Satire and Politics Jessica Milner Davis,2017-11-17 This book examines the multi media explosion of contemporary political satire Rooted in 18th century Augustan practice satire s indelible link with politics underlies today s universal disgust with the ways of elected politicians This study interrogates the impact of British and American satirical media on political life with a special focus on political cartoons and the levelling humour of Australasian satirists **World Encyclopedia of Contemporary Theatre** Irving Brown (Consulting Bibliographer),Natasha Rappaport (Bibliographer),Don Rubin (General Editor),Rosabel Wang (Consulting Bibliographer),2013-10-11 An annotated world theatre bibliography documenting significant theatre materials published world wide since 1945 plus an index to key names throughout the six
