The book also features cross references throughout a bibliography accompanying each entry an elaborate appendix listing biographies according to particular categories of interest and a comprehensive index BOOK JACKET *Jean-Claude Colin Mariste. Un fondateur dans une ère de révolution et de restauration : les premières années 1790-1836* KERR Donal,2010-06-01

Cahier photos de 8 pages Jean Claude Colin fut ordonné prêtre une année après la bataille de Waterloo alors que s'ouvrait une période de restauration durable pour l'Eglise comme pour l'Etat Il avait pourtant saisi qu'un nouveau monde était apparu dans lequel il fallait se comporter de manière nouvelle et non pas restaurer les anciennes pratiques Avec un groupe de douze jeunes gens parmi lesquels Marcellin Champagnat canonisé en 1999 il se promit de fonder une nouvelle congrégation religieuse Comme la Congrégation de Jésus au temps de la Renaissance et de la Réforme cette nouvelle Société tout en prenant son nom et son inspiration de la Vierge Marie aurait pour tâche d'affronter les problèmes du monde issu de la Révolution En 1836 le pape Grégoire XVI demanda Jean Claude Colin de prendre en charge la mission dans une zone immense du Pacifique sud s'étendant de la Nouvelle Zélande aux Îles Marshall et de la Nouvelle Guinée à Tonga et au-delà Son acceptation immédiate lui valut l'approbation pontificale pour la branche des prêtres de la Société de Marie qui fut ainsi introduite sur la vaste scène du monde *A Greater Than Solomon* Here Claire O'Brien,1995 *The British National Bibliography* Arthur James Wells,1993 *Father Champagnat, Founder of the Marist Brothers* Neil Boyton,1939 **Mary and the Fathers of the Church** Luigi Gambero,1999

Father Luigi Gambero internationally known expert on early Christianity presents a comprehensive survey of the development of Marian doctrine and devotion during the first eight centuries Focusing on the lives and works of over thirty of the most famous Church Fathers and early Christian writers Fr Gambero has produced a clear and readable summary of the richness of the patristic age's theological and devotional approach to the Mother of God The book contains numerous citations from the works of those men who developed the defining Christological and Mariological positions that have constituted the foundational doctrinal teaching of the Church Each chapter concludes with an extended reading from the works of the patristic authors A number of these texts have never before been published in English The thought of the Fathers and early Christian writers continues to fascinate readers today Their theological acuity and spiritual depth led them faithfully into the mysteries of Sacred Scripture Their vast experience made them reliable and trustworthy witnesses to the faith of the people of God **Why Mary?** Kathryn K. Jennerich,2010

The era between the Protestant Reformation and the French Revolution was a time of confusion and tension in the Catholic Church The Institute of the Blessed Virgin Mary founded in 1609 by Mary Ward in England the Marians of the Immaculate Conception founded in 1673 by Bl Fr Stanislaus Papczynski and the Sisters of the Presentation of Mary founded in 1796 by Bl Marie Rivier all began during this era These three congregations are similar primarily in that they all bear the name of the Blessed Virgin Mary Two

are female teaching congregations un cloistered which were revolutionary for this time The Marians a male congregation were also forward thinking in their devotion and commitment to the spread of Immaculate Conception This thesis delves into the lives of these three founders particularly the reasons why they chose to form these congregations and why they chose to name themselves after the Blessed Virgin Mary The relationship between the founder and foundress of the Marist Sisters ,1987 **Strong Mind, Gentle Heart** Frederick McMahon,1988 **Mary in the church** Craig Larkin,1979

Chaminade Katherine Burton,1949 Guillaume Joseph Chaminade P rigueux April 8 1761 Bordeaux January 22 1850 was a French Catholic priest who survived persecution during the French Revolution and later founded the Society of Mary usually called the Marianists in 1817 He was beatified by Pope John Paul II on September 3 2000 his feast day is celebrated on January 22 The Marianist Family s other three branches the married and single men and women of the Marianist Lay Communities the consecrated laywomen of the Alliance Mariale and the Religious Sisters known as the Daughters of Mary Immaculate also look to Chaminade as a founder or inspiration The Marian Writings of St. Robert Bellarmine Robert Bellarmine,Roberto Francesco Romolo Bellarmino, Saint,Casimir Valla,2012-02-16 For Those Who Want To Learn From A Saint How To Defend The Blessed Mother If YOU have ever been at a loss for words in defending Mary rejoice now you will be able to fight back For centuries now Mary s privileges have been under attack and sadly many Catholics don t how to defend them As a result many souls are lost to the Church either by not being brought into it or by leaving it because they believed a twisted interpretation of the Bible God however raises up Saints who are equal to the challenge One of those was St Robert Bellarmine who was also St Aloysius Gonzaga s spiritual director Why is this book set apart from other books on Marian apologetics Because you get to learn from a man who was as pious as he was learned And this is very important Think about it Even the devil knows Marian doctrine and can defend it better than you or anyone else Needless to say he can t live the Marian doctrine which he knows so well The previously untranslated biographical material about St Robert in this book shows how he lived the Marian doctrine which he taught so well And that s the advantage this book gives you An advantage which turns the devil green with envy because unlike you he can t profit from what he knows Knowledge without application is useless Because this book combines the head and the heart you will know how to walk the walk instead of simply being able to talk the talk This will make your words more convincing because by now you know well that people are moved more by example than by words St Robert was unsurpassed when it came to learning When he taught in Rome everyone flocked to his classes Everyone recognized how smart he was When Pope Clement VIII made St Robert a cardinal he said The Church of God has not his equal in learning Even Protestants recognized his genius They said that he presented their teaching better than they themselves did So you get the benefit of understanding the real sticking points Because of this you get a masterful lesson in Marian apologetics He even names his contemporary opponents and where they went wrong You won t find this anywhere else You will be as good as gold with this book 1 because YOU will be able to defend Mary with great confidence 2

because YOU will learn the only defense of the Salve Regina Hail Holy Queen which you probably did not know was attacked as other Marian apologetics books neglect to cover this 3 because YOU will see how Mary's Immaculate Conception was brilliantly defended centuries before it was solemnly defined by the Church 4 because YOU get to learn at the feet of a man who was not only a Saint but who also was considered the most learned man in the Church 5 because YOU won't be spinning your wheels or feel like you're swimming upstream when it comes to defending Mary 6 because YOU get to save time Since he wrote in Latin his style is clear and concise without cutting corners No wasted words And that's not all Because he was trained in Latin and Greek he made use of works which still have not been translated You will find these passages in this book What's more you will also discover his sermons in praise of Our Lady This is a natural consequence of understanding Mary's privileges which he knew so well Finally this book contains more than what was mentioned above There are other little known or unknown Marian writings of St Robert Bellarmine contained at the end Best of all your investment in this book will not cost you a king's ransom In fact it amounts to only a few cents a day over a year's time Scroll up and get your copy today
