Wilhelm,James E. Fredricksen,2012 Because everything is an argument In this book we ll argue that you can teach the writing of argument so that students will not only exceed the Common Core State Standards but also be prepared for a future as students and citizens Michael Smith Jeffrey Wilhelm and James Fredricksen The Common Core State Standards are an argument that students ability to write sound arguments on substantive topics and issues is critical to college and career readiness This book is an argument Oh Yeah will persuade you that it is an ideal resource for helping you teach argument writing to adolescents And not just any arguments but the kinds of substantive ones the real world demands We believe write Michael Smith Jeffrey Wilhelm and James Fredricksen that instruction directed to improve student performance on standards based assessments MUST be the most powerful and engaging instruction we can possibly offer To that end they fill Oh Yeah with proven lessons for writing reading and discussing arguments that you can use right now In addition they provide ideas for how to create instructional contexts that maximize the power of those lessons through a compelling framework that will help you create your own lessons and units in the future Life may be a series of arguments but your decision about how to teach argument writing needn t be complicated Trust Smith Wilhelm and Fredricksen use Oh Yeah in your classroom and give students an argument for meeting and exceeding the Common Core standards **For Argument's Sake**
