America ,1889 **Kisses from Eternity** Sreekala,2022-06-17 Something like this can happen She was a simple lady a dedicated homemaker happy and content in her own simple world until that day the day when she was pulled and sucked into a vortex of energy and tossed like a dry leaf that was caught in a strong wind She was not herself anymore but someone else had taken control of her being Flabbergasted but intoxicated with love and ecstasy she knocked on every door in search of Him And one day He showed up Unriddling the enigma around her was not easy as everyone misread her But amidst the turmoil the Truth in her began to unfold A grand union of mysteries and mysticism **American Book Publishing Record** ,2005 **Song Lyrics** Michel Montecrossa,2004 **Unconditional Love: Letters to an Adopted Family** Samuel Wong,2019-01-04 In 1961 Murray and Dorothy Leiffer went to Singapore to study the status of Methodism in that country They befriended Samuel Wong then a college student and encouraged him to pursue advanced training in the United States Upon Wong s graduation they adopted him as their number two son Over a thirty year period they wrote him letters from different parts of the world and the United States telling him of their work and of life in America They spoke of their visits with friends They shared about their social and civic engagements as residents citizens and church members They wrote

freely about their travel experiences and their observations on jobs marriage family nature and retirement Their letters are evidence of an unconditional love flowing through all those years a vivid reminder that Wong was loved as he was not despite of or because of They groomed Wong for church service but he became a bureaucrat in the federal government They expected him to honor the marriage vow of till death us do part but he broke it in the pursuit of academic and career advancement Yet they never said they were disappointed in Wong These letters published as Unconditional Love Letters to an Adopted Son and Unconditional Love Letters to an Adopted Family draw a portrait of an extraordinary couple that demonstrates in their everyday life the essence of unconditional love They are complementary to the couple's reminiscences on a seminary campus Enter the Old Portals 1987 and a companion to Wong's autobiography A Chinese from Singapore 2009 Their letters are testimonies to grace and fidelity a reminder of that which is true and honorable civil and decent

Schleiermacher: On Religion Friedrich Schleiermacher, 1996-04-18 A classic of modern religious thought Schleiermacher's On Religion Speeches to its Cultured Despisers is here presented in Richard Crouter's acclaimed English

translation of the 1799 edition originally published in Cambridge Texts in German Philosophy Written when its youthful author was deeply involved in German Romanticism and the critique of Kant's moral and religious philosophy it is a masterly expression of Protestant Christian apologetics of the modern period which powerfully displays the tensions between the Romantic and Enlightenment accounts of religion Unlike the revised versions of 1806 and 1821 which modify the language of feeling and intuition and translate the argument into more traditional academic and Christian categories the 1799 text more fully reveals its original audience's literary and social world Richard Crouter's introduction places the work in the milieu of early German Romanticism Kant criticism the revival of Spinoza and Plato studies and theories of literary criticism and of the physical sciences and his fully annotated edition also includes a chronology and notes on further reading **The**
