Author s Note The elements of LitRPG in this novel are light creamy and the two romance arcs the cishet romance arc between Yarid the fae king and Glorissa the girl knight and the queer gay coming of age romance arc between Sylis and Kylus are a subplot to the main quest but do form an important part of the book Mostly the book is just the best epic high fantasy quest adventure you will ever read It s a character driven soap opera with plenty of action and strong motivations to move the story forward It is a fantasy heist novel and the edge of your seat thrills of watching the six main characters face the many dangers of stealing their target make it a gripping compelling thriller suspense novel while also being a traditional fantasy story set in a high

fantasy realm with humans elves goblins wizards a feudal society of kings and knights and a hard magic system with six types of magic The magic plays a central role in how the heroes try to steal their target because they will need all six of the six different types of magic for their heist to succeed The novel begins with standalone stories that introduce the main characters and then after all main characters are introduced the characters meet by chance at an inn and tavern where they meet the Dark Wizard and the main plot arc begins
