since the 1970s have served not only as gateways to a multitude of lesbian communities but as the centers of lesbian communities themselves the online experience of lesbians searching for community in Japan the issues facing Jewish lesbians and the formation of Nice Jewish Girls a Montreal group for anyone who identifies as a lesbian bisexual or queer woman and their non Jewish partners and friends the power of myth and mythmaking to help women regain lost strength and reclaim lost history From the efforts of back to the land groups creating wimmin s space to life in modern residential retirement settings this book explores the places created by and for lesbians Photos and illustrations bring these women and their communities to life Lesbian Communities Festivals RVs and the Internet w      *Lesbians Over 60 Speak for Themselves* Monika

Kehoe,1989 This pioneering effort is the first attempt to reach a nationwide representation of lesbian elders in order to understand this deeply hidden segment of our population The women in *Lesbians Over 60 Speak for Themselves* candidly describe their necessarily secret lives in a hostile society how they feel about being different how they cope with the homophobia that surrounds them their most pressing problems how aging has affected them as well as the most intriguing topic their sexual behavior as it was in their youth and as it is now This powerful book provides fascinating demographics about this previously neglected group of women and thoroughly explores their intimate thoughts and feelings about aging and lesbianism      *Lesbian Friendships* Jacqueline S. Weinstock, Esther Rothblum, 1996-08 Friends as lovers lovers as friends ex lovers as friends ex lovers as family friends as family communities of friends lesbian community These are just a few of the phrases heard often in the daily discourse of lesbian life What significance do they have for lesbians Do lesbians view friends as family and what does this analogy mean What sorts of friendships exist between lesbians What sorts of friendships do lesbians form with non lesbian women or with men These and other questions regarding the kinds of friendships lesbians imagine and experience have rarely been addressed *Lesbian Friendships* focuses on actual accounts of friendships involving lesbians and examines a number of issues including the transition from friends to lovers and or lovers to friends erotic attraction in friendship diverse identities among lesbians and friendships across sexuality and or gender lines      **The**

**Lesbian Revolution** Sheila Jeffreys, 2018-09-03 The *Lesbian Revolution* argues that lesbian feminists were a vital force in the Women s Liberation Movement WLM They did not just play a fundamental role in the important changes wrought by second wave feminism but created a powerful revolution in lesbian theory culture and practice Yet this lesbian revolution is undocumented The book shows that lesbian feminists were founders of feminist institutions such as resources for women survivors of men s violence including refuges and rape crisis centres and that they were central to campaigns against this violence They created a feminist squatting movement theatre groups bands art and poetry and conducted campaigns for lesbian rights They also created a profound and challenging analysis of sexuality which has disappeared from the historical record They analysed heterosexuality as a political institution arguing that lesbianism was a political choice for feminists and indeed a form of resistance in itself Using interviews with prominent lesbian feminists from the time of the WLM and

informed by the author's personal experience this book aims to challenge the way the work and ideas of lesbian feminists have been eclipsed and to document the lesbian revolution The book will be of key interest to scholars and students of women's history the history of feminism the politics of sexuality women's studies gender studies lesbian and gay studies queer studies and cultural studies as well as to the lay reader interested in the WLM and feminism more generally

**Lesbian Histories and Cultures** Bonnie Zimmerman, 2000 To reflect this crucial fact The Encyclopedia of Lesbian and Gay Histories and Cultures has been prepared in two separate volumes to assure that both histories receive full unbiased attention and that a broad range of human experience is covered **BOOK JACKET**

**Identity Politics in the Women's Movement** Barbara Ryan, 2001-08 An essential collection that constructs the arguments of similarity and difference dividing and uniting women In recent years identity has come to be seen as a process rather than a fact or deterministic force Yet recognizable identity traits continue to draw people together and provide them with a sense of empowering commonality Although the plasticity afforded identity has freed up rigid definitions and guidelines for affiliation some believe that nebulous demarcations of identity may deprive women of a solid position from which to effectively contest centers of power Bringing together articles by well known authors and theorists such as Audre Lorde June Jordan Daphne Patai Barbara Smith Marilyn Frye Shane Phelan Leila J Rupp Hazel Carby and Adrienne Rich with lesser known writers and scholars this broad based anthology ranges widely from personal narratives to empirical research The book unpacks issues of race class gender ethnicity sexuality disability and age contributing a m range of sharp lively perspectives to current debate In a postmodern era of feminism how do women come to identify organize and mobilize themselves within a complex global network of relationships Identity Politics in the Women's Movement offers critical examination of the inescapable role of identity in academic and activist feminism and the opportunities challenges and conflicts identity politics pose

**Health Care for Lesbians and Gay Men** K Jean Peterson, 2020-03-24 Health Care for Lesbians and Gay Men educates practitioners about the special needs of gay and lesbian patients and how to look critically at the impact of homophobia and heterosexism on the provision of care It provides an overview of critical health care issues for lesbians and gay men and offers concrete suggestions to health practitioners and social workers on how to address these issues in order to guarantee the best care for their patients and clients Authors in Health Care for Lesbians and Gay Men give health care providers and mental health workers practical interventions suggestions for advocacy social change grassroots efforts and alternative programs and lessons about how to use existing procedures to more effectively meet the unique health care needs of gays and lesbians Practitioners also learn how to utilize legal action in securing and protecting patients and clients personal health care wishes Chapters in this book cover how homophobia and negative attitudes can directly compromise the care given to lesbians and gay men heterosexism and biases which exclude the partners of gay men and lesbians from participating in the care of their loved ones legal issues and the need for legal recognition of gay and lesbian relationships both to enhance the provision of

care and for financial access to health care presently available to only heterosexual married couples legal protection and special legal documents that ensure that the wishes of gay men and lesbians are honored and the integrity of their relationships not violated Health Care for Lesbians and Gay Men starts with special issues confronting adolescents and the special role health care providers can play in supporting the struggles of lesbian and gay adolescents It then continues to look at these issues over the life cycle Three themes emerge as authors try to explain problems and possible solutions for lesbians and gay men seeking health care the pervasive homophobia and heterosexism found throughout the health care system and the impact these attitudes and beliefs have on the health care of lesbians and gay men the need for education in professional programs on special health issues of gay men and lesbians and the critical role that social workers can play in both educating others about the special needs of their gay and lesbian clients and in advocating for their clients in various health care settings Health Care for Lesbians and Gay Men is essential reading for social work and social service practitioners and students working in the health care field advanced undergraduates and graduate students of social work professionals and students of nursing and medicine and others concerned with the quality and equality of health care services It urges students and professionals to challenge and evaluate their own attitudes beliefs and behaviors in order to ensure quality services to all clients and patients

*Encyclopedia of Lesbian and Gay Histories and Cultures* Bonnie Zimmerman, George Haggerty, 2021-06-13 A rich heritage that needs to be documented Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavors It covers a long history and a dynamic and ever changing present while opening up the academic profession to new scholarship and new ways of thinking A groundbreaking new approach While gays and lesbians have shared

many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written for and by a widerange of people Intended as a reference for students and scholars in all fields as well as for the general public the encyclopedia is written in user friendly language At the same time it maintains a high level of scholarship that incorporates both passion and objectivity It is written by some of the most famous names in the field as well as new scholars whose research continues to advance gender studies into the future

**Women and Aging** Varda Muhlbauer,Joan C. Chrisler,Florence L. Denmark,2014-10-20 These are paradoxical times to be an older woman As individual older women take the stage as role models in the arts and the public sphere female elders as a group are marginalized as dependent declining and unimportant Women and Aging surveys the evolving sociopolitical landscape in an era still struggling with gender and age discrimination This insightful volume recasts familiar concepts such as social roles appearance health sexuality and transition through the related lenses of empowerment restraint and quality of life well being for a deeper understanding of the disparities that exist both with men and within their own gender Two especially relevant questions emerge from this framework how women over 60 are contributing to the current climate of societal change and how these positive developments can improve the lives of older women as a whole Featured topics analyze the wider implications of older women s experiences as family members sensual and sexual beings drivers of economies and members of a diverse population worldwide Older women power and the body Older women economic power and consumerism The impact of multiple roles on older women Strain or enrichment Older women leadership and encore careers Sexuality in older women Desirability and desire Lesbians over 60 Newer every day Clinical interventions to empower older women A significant advance in femi nist research Women and Aging brings path breaking perspectives to scholars in women s studies gerontology psychology sociology social work and human development whether they study women who have overcome barriers or those who need support in changing the rules *Modern Homosexualities* Ken Plummer,2002-09-11 Sets the political agenda for gay and lesbian studies in the 1990s Ken Plummer is one of the leading authors in the field see previous publications Deals with practical matters families International flavour of contributors

**Lesbian Texts and Contexts** Karla Jay,Joanne Glasgow,1990-06 Lesbian writers include some of the most innovative and adventurous writers of this century but only recently have they been given their due attention in terms of critical study This book is the first anthology to discuss the subject of lesbianism as it relates to the critical interaction among readers writers and literary critics It explores lesbian texts in terms of identification meaning and interpretation and examines the complex entanglements of identity voice intersubjectivity textualities and sexualities A wonderful exploration of the varieties of life choices lesbians can and do make This book once again proves that telling the truth aboutyourself is a revolutionary act Rita Mae Brown They will probably drum Karla Jay and Joanne Glasgow out of the academy for this one A college text

that is witty literate interesting and can be read for fun What s the world coming to Lesbian Texts and Contexts dry title wonderful book Barbara Grier Editor Naiad Press To call this collection much needed or eagerly awaited would be the understatement of the year It s thrilling ot think of the new readings of classic texts the new directions for theory and maybe best of all the new range of literary encounters in the classroom that will be enabled by this radical intervention on the critical scene Eve Kosofsky Sedgwick Duke University Excellent challenging sexy never boring Outweek **Same-Sex Partners** Amanda K. Baumle,D'Lane Compton,Dudley L. Poston Jr.,2009-03-09 Addressing the lack of understanding regarding the lives of same sex couples this book examines the sociodemographic characteristics of partnered gay men and lesbians The authors draw on U S census data to present quantitative analyses of topics pertaining to gay men and lesbians that have previously been relatively unexamined or assessed mainly through qualitative studies They explore where gay men and lesbians live why they choose those residences income inequality occupations dimensions of family attachments relationship commitments and family structures The census data allows the authors to provide a more detailed representation of many of the essential features in the lives of gay men and lesbians compared to those of married and cohabiting heterosexuals In certain cases the data and analyses reinforce current stereotypes while in other cases they challenge preexisting beliefs Ultimately this book provides a foundation for future research policy law and understanding regarding gay men and lesbians Female Identities in Lesbian Web Series Julia Obermayr,2020-07-30 Lesbian Web Series narrate female centred stories strengthen identity construction and generate transnational communities beyond cultural barriers Julia Obermayr explores the first definition of a new format the first representations of lesbian women in US American Canadian and Spanish web series from 2007 and onward as well as their reciprocal effects regarding identity construction and community building of their transnational mainly female audience The analyzed corpus comprises scenes taken from Venice the Series 2009 and its backstory Otalia on the soap opera Guiding Light 1952 2009 Seeking Simone 2009 Out With Dad 2010 F minin F minin 2014 Chica Busca Chica 2007 and its cinematic sequel De Chica En Chica 2015 as well as Notas Aparte 2016 Women Together New Zealand. Department of Internal Affairs. Historical Branch,1993 132 short histories of organisations grouped in thirteen sections Introduction *Lesbian Activism in the (Post-)Yugoslav Space* Bojan Bilić,Marija Radoman,2018-07-17 This book intertwines academic and activist voices to engage with more than three decades of lesbian activism in the Yugoslav space The empirically rich contributions uncover a range of lesbian initiatives and the fundamental but rarely acknowledged role that lesbian alliances have played in articulating a feminist response to the upsurge of nationalism widespread violence against women and high levels of lesbophobia and homophobia in all of the post Yugoslav states By offering a distinctly intergenerational and transnational perspective this collection does not only shed new light on a severely marginalised group of people but constitutes a pioneering effort in accounting for the intricacies solidarities joys and tensions of lesbian activist organising in a post conflict and post socialist environment With a plethora of

authorial standpoints and innovative methodological approaches the volume challenges the systematic absence of post Yugoslav lesbian activist enterprises from recent social science scholarship Lesbian Activism in the Post Yugoslav Space will be of interest to students and scholars across a range of disciplines including gender studies history politics anthropology and sociology **From Abortion to Reproductive Freedom** Marlene Gerber Fried, 1990 This anthology argues for an expansion of the single issue abortion rights movement into a multi cultural feminist movement in the United States

*Bisexual Politics* Naomi S Tucker, 2014-06-11 This anthology presents a vivid collection of essays that explore the history strategies philosophy and diversity of bisexual politics and theory in the United States The 33 contributors develop a multifaceted approach to defining bisexual politics Through these voices the book seeks to understand the contexts in which the bisexual movement has evolved The authors analyze different organizing strategies formulate new bisexual political theory provide a vision of future directions for redefining sexuality and gender and educate activists and allies about current issues pertinent to the bisexual community This book is the first of its kind To date it is the only book that documents and analyzes bisexual politics and theory While existing literature on bisexuality has focused on identity coming out and forming communities *Bisexual Politics* takes the vital next step into bisexual political theory and activism The many subjects and subthemes addressed in *Bisexual Politics* appeal to a multitude of readers from activists to academics from friends and family of bisexuals to those who have struggled with bisexuality It is a sourcebook for those seeking to locate bisexuality in the schema of other social justice movements It is a tool to build alliances with other progressive groups and build coalitions with both lesbian gay and heterosexual communities It is a primer for anyone interested in bisexual activism and theory
