*For Losers and Cowards* Barbara Brokhoff, 1977-09      *The Cage Fighter - The True Story of Ian 'The Machine' Freeman*  
Ian Freeman, 2009-08-27 Hit me first and that's when I turn psycho I cracked him so hard that he fell against the wall behind him that was the only thing that kept him up He was so dazed that he turned to run away and just ran straight into the wall Meet Ian Freeman otherwise known as The Machine A friend to keep close and an enemy to steer clear of cross him and you will live to regret it For Ian violence is no glamorous profession but a way of life At 18 years of age Ian's destiny changed forever when he stepped in to help the victim of a brutal attack Ian's bravery was rewarded by the gang of bullies turning their fists on him He was beaten to within an inch of his life but escaped through sheer determination From this point on Ian became fighter rather than victim and The Machine was born Soon he was running the doors of Sunderland's toughest nightclubs with an iron fist but merely controlling his patch was not enough Determined to be able to defend himself whatever the challenge Ian quickly established himself as an unbeatable force in the fighting art of Vale Tudo Portuguese for anything goes and rose to be Britain's finest heavyweight Mixed Martial Arts fighter      **Love Has Its Various Ways** Divya Kapoor, 2016-09-26 One of the best ever work to enable all those who aspire to become their own Life Coach The chapters in this master piece are the stages of life which everyone goes through They have been written with the insight that the author has got through while experiencing life The book concludes with an eleven day workbook a self working step by step approach to transform life Just do it to bring about the desired transformation in the healthiest way possible      **The Satire Bookshelf** Thejendra Sreenivas, The Satire Bookshelf is an omnibus of sharp satire outlandish observations and awful advice on politics advertising sports spirituality research modern art the stock market etc This book is about imagining the creative and wackier side of such professions to rejuvenate and brighten your day This book is a collection of the following books available individually on Google Play Books Become a Dictator Become a Modern Artist The Mirage Peddlers Big Money Become an Atheist Digital Wildfires We Never would have Guessed The Cricket Beasts The chapters are all fictitious and can be taken with a pinch of salt though the paper used may not be edible The author makes no representations or warranties of any kind concerning the accuracy usability or usefulness of the contents Many people think that humor and laughter are unproductive and unprofessional and that being serious is the only way to spend their personal and professional life This is why most homes and workplaces have now become humorless artificial and stressful But we don't have to be humorless to run our lives Having a sense of humor can lighten up difficult situations and creatively solve many personal and business problems You must be able to think in atrocious ridiculous and illogical terms Modern management consultants call this thinking out of the box but I call it old fashioned creativity and humor that has existed for decades from Mark Twain to Mad Magazine      **On High School Teaching: A Guide for the New and Relatively Clueless** Joseph Miller, 2012-07-29 A clear well written level headed guide that will help a new or aspiring teacher get off to a solid start in his or her career The author
