made a bet for the hand of Miss Regina Giles The gentleman she chooses wins the loser s estate It s the most daring wager at White s and quite possibly the most foolish Toby York the Earl of Davenport knew it was a mistake to make the wager when Lord Pennella stormed into White s bragging that he could get any lady he wished Toby really should have kept his mouth shut But he didn t And now there are only three things he can do to protect Miss Giles One he must get her to choose him instead of Pennella Two he must make sure she never finds out about the wager And three he must quietly break off the engagement so that she is free to marry a gentleman worthy of her As long as he doesn t fall in love with her there should be no problems Too bad things never work out the way they re planned      A Chance In Time Ruth Ann Nordin,2010-04-05 One widow One time traveler Two lonely hearts connecting for a moment in time One day Penelope Jordan finds a man who s on the brink of death and nurses him back to health Over time he brings out the woman that the harsh prairie made her forget she once was and soon she falls in love with him But will he stay with her in her time or will he return to the future Author s Note Penelope and Cole Hunter show up in Restoring Hope and Bound by Honor Bound by Love      *Make Believe Bride* Ruth Ann Nordin,2018-03-24 Lord Whitney is intelligent rich and good looking But he s also boring Despite his notable attributes he has nothing worthwhile to contribute to the gentlemen he would love to establish friendships with One thing he s noticed is that all the gentlemen around him are getting married So in order to have something in common with them he does something he never thought he d do he lies about being betrothed His ploy works For the first time in his life gentlemen are finally paying attention to him Soon however they start asking him questions about the wonderful lady he s going to marry It comes to a point where he can no longer keep up the lie He has to find a lady to present to them As fate would have it Lady Stacey happens to be in the right place at the right time and he manages to convince her to play along with his scheme In return for playing the part of his betrothed he will secure safe passage for her and her mother out of London But as time passes on he begins to wonder if there s more to their ruse than meets the eye Will their deception bloom into a love that is real or will it be as make believe as it was when they met      **The Perfect Duke** Ruth Ann Nordin, Nicholas Lidgate the Duke of Ravenshire needs to marry a lady who comes from a wealthy family His father left a large sum of debt and if he doesn t pay it off he ll be sent to debtor s prison He has two very important advantages One he is a prominent member of the Ton Two no one knows his secret If he can secure a marriage to a lady from a wealthy family all of his problems will be over Or at least that s what he thinks He proposes to Miss Tara Webb because her dowry will be enough to pay the debts and leave him with a comfortable lifestyle He doesn t mind the fact that she only agrees to the marriage because her connection to him will bring her social group back in good standing A marriage of convenience suits him just fine What he does mind however is the fact that her brother turns out to be one of his father s debtors and her brother isn t one to play fair Also the more Nicholas gets to know Tara the more he ends up falling in love with her And her brother will use that to his advantage      *The Bargain Mail Order Bride* Ruth Ann Nordin,2017-01-07 Carl Richie s wife took delight in making him miserable often

reminding him she wished she'd married someone much more deserving. So when she dies it's no great loss. His problems however are far from over. His father left him twenty acres and a stream that most likely has gold in it but in order for him to keep the property he must have a child. The last thing Carl wants to do is marry again but he has no choice. So with reluctance he posts a mail order bride ad. Juliet Gilbert needs to marry someone and fast. On a whim she answers the first mail order bride ad that will take her to a place where her past won't catch up with her. From the beginning Carl makes it clear he's not interested in love. He only wants a child and then he'll give her a portion of any gold he finds on his land and leave her alone to do as she wishes. Since love is the least of her concerns she agrees as long as he never asks about her past. The two strike the bargain and she comes out to marry him. What neither expects however is that bargains are far easier to make than they are to keep.

*Bride of Second Chances* Ruth Ann Nordin, 2011-06-28

Jeremy Graham made a promise to Rebecca his wife that he would never love another woman. After Rebecca's untimely death her sister Jane Syas is about to be sold into marriage to a disgusting older man who only wants her to warm his bed and to do the chores around his house. Jeremy can't bring himself to stand idly by while her brother makes such an arrangement. Not only does he feel duty bound to protect Rebecca's younger sister but Jane's always been a friend in whom he could confide in. So he steps in to give her his name and his home with the understanding that this is only a marriage of convenience. Love will never factor into the equation. Jane who has always been shy and content to hide in the shadows begins to stir up old feelings in him feelings for which Jeremy isn't prepared to feel again. And before long he feels torn between holding onto the love he had for Rebecca and letting Rebecca go so that he can once again look forward to the future. With Jane the future that spans before him could be wonderful but he has to have the courage to take it. Does he dare do that? Or would he be betraying Rebecca?
