

Work

A person wearing a traditional conical hat and a dark long-sleeved shirt is walking through a field. They are carrying several large, round bundles of rice or similar crops on a long pole balanced across their shoulders. The person is barefoot and wearing a dark skirt. The background shows a body of water reflecting the sky and the person, with some greenery on the banks.

My dreams become true
Yet it takes work before they do
My hope gives a start
Yet without work my dreams depart

Visions take action
And the work brings satisfaction
The goal pulls me through
The vital work that I must do

I let my work flow
For this primary truth I know
Dreams with work combined
Bring wealth and a happy mind
