**Current Literature** ,1918      **Capsule for the Day** Francis M. Afu,2020-04-14 Capsule for the Day is a daily devotional that offers healing words in our world a world created by God that is good but broken and wounded Each capsule tells a story that gives voice to our own stories It celebrates our joys and victories It reveals the beauty lurking in our brokenness and the message in our mess The capsule calls us to faith and to respond to God s gift of himself It inspires hope It challenges us to cooperate with God in rough times and even in the midst of evil to be expectant and to wait for the birth of that which at a given moment is shrouded in mystery It summons us to keep a steady relationship with God through prayer It reminds us that we are loved by the Father and called to love him and our neighbours Capsule for the Day seeks to strengthen us as we journey through life It is a guide that enables us to navigate our way in the world to seek God to gather around him and to find our purpose It asks the question what do you live for And day by day it leads us to Christ in whom we find answers to our ultimate questions      *Current Opinion* Frank Crane,Edward Jewitt Wheeler,1918      Journals of the House of Commons of the Dominion of Canada Canada.
