White Department, 1978    Anmerkungen Zu Den Kinder- und Hausmärchen Der Brüder Grimm Johannes Bolte, Georg Polivka, 2012-04 Die Literaturwissenschaftler und Volkskundler Johannes Bolte und Georg Polivka stellen im vorliegenden Band umfangreiche historische und sprachwissenschaftliche Anmerkungen zu den Märchen der Gebrüder Grimm zusammen. Vom Froschkönig und Hansel und Gretel über Frau Holle und Rotkäppchen bis hin zu Schneewittchen und Dornröschen werden die bekannteren Erzählungen aber auch weniger bekannte Märchen behandelt. Sorgfältig nachbearbeiteter Nachdruck der Originalausgabe des ersten Bandes aus dem Jahr 1912    Architecture, mythology, the fine arts, technology Johann Georg HECK, 1851    Anmerkungen zu den kinder- u. hausbüchern der brüder Grimm Johannes Bolte, 1913    **Turandot's Sisters** Christine Goldberg, 2019-06-03 There are a number of outstanding dissertations in folklore which warrant a wider readership and which belong in the library of any educational institution or individual with a serious interest in folklore. A few of these are in fact already well known to professional folklorists who may have bothered to send for them through interlibrary loan or in more recent times purchased copies from University Microfilms International in Ann Arbor Michigan. However it should be noted that not all dissertations are available through UMI. The appearance for selected folklore dissertations and theses both old and new in the Folklore Library series will make it much easier for libraries and individuals to obtain these significant studies. Among the most important hitherto unpublished folklore dissertations are such works as motif and/or tale type indices, historic geographic comparative, in-depth studies of single folktales or ballads, and surveys of specialized folklore scholarship e.g. of a particular country or group. There are in addition valuable filed collections of folklore data to be found in dissertations. First published in 1993 Routledge is an imprint of Taylor Francis an informa company.
