 Nwaneri,2014-02-17 In this Book the Author continues his reflections on the growing global crises between Faith in God and  
 Peace on earth Having concluded his review of the global wars crises and conflicts between Christianity and Secularity in his  
 ten Books on WE ARE AT WAR he turns in this Book to reflect on the Peace promised by Christ to His Followers Over two  
 thousand years ago Christ said to His followers I have come to bring you peace the peace that the world cannot give He also  
 said I have come to bring wars between father and mother brother and sisters daughters and in laws The Author reflects on  
 these apparent contradictory statements He takes a journey across the world to view the state of Peace and Faith in the past  
 half a century He concludes from the evidence of the global experience in the last fifty years period fully supports Christs  
 statements He then wonders why the Secular world forgets this fact and continues to drive Christ and His teaching out of  
 their lives and public governance He attributes this to the work of Satan Gods only enemy Enlightening the secular world on  
 these facts is one of the challenges facing the Mission of the New Evangelization recently declared by Pope Emeritus  
 Benedict XVI Through these Books the Author contributes to that Mission He brings into his Books his personal global  
 experience gained from his travels to many of the nations across the world which are victims of the Global crises between  
 Faith and Peace He provides the following examples In Europe the nation of Yugoslavia is no longer in the world map In the  
 Muslim nations of the Middle East historic cities like Damascus and Bagdad are now in ruins while other nations like Egypt  
 and Israel are under threat because of growing conflicts between Peace and Faith The Imperial nations before the coming of  
 Christ like Persia Assyria Babylonia Egypt and Greece are mere dreams today of their global power before Christ Peaceful  
 Governance continues to escape the nations of Afghanistan Pakistan Tunisia Sudan and Somalia In the advanced Nations of  
 America and Europe millions of innocent children are killed every year by their own mothers before they can even see  
 sunlight The Communist nations like North Korea continue with the Pre Christ rule of enslavement of their people and  
 oppression and persecution of Christians The developing nations of Africa and Latin America continue to be devastated by  
 political corruption and the reign of armed youth gangs that are victims of drug and human trafficking and assassinations  
 Against these crises of Peace in the secular world the Author views the continuing reign of Christs Peace amongst His

followers He concludes by reminding the world of their real enemy Satan who had been the enemy of God and man since creation of the world As we stated in these Books Satan cannot bring Peace to the world but only wars crises Lies Deceptions and False Promises as he did to Adam and Eve The Author therefore reminds the world through these Books that God is the true source of their Peace on earth The Author therefore calls on them to turn back to Faith in One Almighty and Loving God It is Satan that they should drive out of the secular square and not God Daily, Sabbath, and occasional prayers, according to the custom of the Spanish and Portuguese Jews, with a tr. by B.
