Explaining Traditions Simon J. Bronner, 2011-08-26 Why do humans hold onto traditions Many pundits predicted that modernization and the rise of a mass culture would displace traditions especially in America but cultural practices still bear out the importance of rituals and customs in the development of identity heritage and community In *Explaining Traditions*

Folk Behavior in Modern Culture Simon J Bronner discusses the underlying reasons for the continuing significance of traditions delving into their social and psychological roles in everyday life from old time crafts to folk creativity on the Internet Challenging prevailing notions of tradition as a relic of the past Explaining Traditions provides deep insight into the nuances and purposes of living traditions in relation to modernity Bronner s work forces readers to examine their own traditions and imparts a better understanding of raging controversies over the sustainability of traditions in the modern world *The ^AOxford Handbook of American Folklore and Folklife Studies* Simon J. Bronner,2019-08-06 The Oxford Handbook of American Folklore and Folklife Studies surveys the materials approaches concepts and applications of the field to provide a sweeping guide to American folklore and folklife culture history and society Forty three comprehensive and diverse chapters explore the extraordinary richness of the American social and cultural fabric offering a valuable resource not only for scholars and students of American studies but also for the global study of tradition folk arts and cultural practice

Tradition in the Twenty-First Century Trevor J. Blank,Robert Glenn Howard,2013-05-15 In Tradition in the Twenty First Century eight diverse contributors explore the role of tradition in contemporary folkloristics For more than a century folklorists have been interested in locating sources of tradition and accounting for the conceptual boundaries of tradition but in the modern era expanded means of communication research and travel along with globalized cultural and economic interdependence have complicated these pursuits Tradition is thoroughly embedded in both modern life and at the center of folklore studies and a modern understanding of tradition cannot be fully realized without a thoughtful consideration of the past s role in shaping the present Emphasizing how tradition adapts survives thrives and either mutates or remains stable in today s modern world the contributors pay specific attention to how traditions now resist or expedite dissemination and adoption by individuals and communities This complex and intimate portrayal of tradition in the twenty first century offers a comprehensive overview of the folkloristic and popular conceptualizations of tradition from the past to present and presents a thoughtful assessment and projection of how tradition will fare in years to come The book will be useful to advanced undergraduate or graduate courses in folklore and will contribute significantly to the scholarly literature on tradition within the folklore discipline Additional Contributors Simon Bronner Stephen Olbrys Gencarella Merrill Kaplan Lynne S McNeill Elliott Oring Casey R Schmitt and Tok Thompson , **Folk Literati, Contested Tradition, and Heritage in**

Contemporary China Ziyang You,2020-02-11 In this important ethnography Ziyang You explores the role of the folk literati in negotiating defining and maintaining local cultural heritage Expanding on the idea of the elite literati a widely studied pre modern Chinese social group influential in cultural production the folk literati are defined as those who are skilled in classical Chinese knowledgeable about local traditions and capable of representing them in writing The folk literati work to maintain cultural continuity a concept that is expressed locally through the vernacular phrase incense is kept burning You s research focuses on a few small villages in Hongtong County Shanxi Province in contemporary China Through a careful

synthesis of oral interviews participant observation and textual analysis You presents the important role the folk literati play in reproducing local traditions and continuing stigmatized beliefs in a community context She demonstrates how eight folk literati have reconstructed shifted and negotiated local worship traditions around the ancient sage Kings Yao and Shun as well as Ehuang and N ying Yao s two daughters and Shun s two wives You highlights how these individuals conflictive relationships have shaped and reflected different local beliefs myths legends and history in the course of tradition preservation She concludes her study by placing these local traditions in the broader context of Chinese cultural policy and UNESCO s Intangible Cultural Heritage program documenting how national and international discourses impact actual traditions and the conversations about them on the ground

Fairy Tales in Contemporary American Culture Kate Christine Moore Koppy, 2021-02-22 In the twenty first century American culture is experiencing a profound shift toward pluralism and secularization In Fairy Tales in Contemporary American Culture How We Hate to Love Them Kate Koppy argues that the increasing popularity and presence of fairy tales within American culture is both indicative of and contributing to this shift By analyzing contemporary fairy tale texts as both new versions in a particular tale type and as wholly new fairy tale pastiches Koppy shows that fairy tales have become a key part of American secular scripture a corpus of shared stories that work to maintain a sense of community among diverse audiences in the United States as much as biblical scripture and associated texts used to

Signifying Serpents and Mardi Gras Runners R. Celeste Ray, Luke E. Lassiter, 2003 These case studies explore how competing interests among the keepers of a community's heritage shape how that community both regards itself and reveals itself to others As editors Celeste Ray and Luke Eric Lassiter note in their introduction such stakeholders are no longer just of the community itself but are now often outsiders tourists the mass media and even anthropologists and folklorists The setting of each study is a different marginalized community in the South Arranged around three themes that have often surfaced in debates about public folklore and anthropology over the last two decades the studies consider issues of representation identity and practice One study of representation discusses how Appalachian Pentecostal serpent handlers try to reconcile their exotic popular image with their personal religious beliefs A case study on identity tells why a segment of the Cajun population has appropriated the term *coonass* once widely considered derogatory Essays on practice look at an

Appalachian Virginia coal town and Snee Farm a National Heritage Site in lowland South Carolina Both pieces reveal how dynamic and contradictory views of community life can be silenced in favor of producing a more easily consumable vision of a past Signifying Serpents and Mardi Gras Runners offers challenging new insights into some of the roles that the media tourism and charismatic community members can play when a community compromises its heritage or even denies it

Folk Women and Indirection in Morrison, N Dhuibhne, Hurston, and Lavin Jacqueline Fulmer, 2017-11-30 Focusing on the lineage of pivotal African American and Irish women writers the author argues that these authors often employ strategies of indirection via folkloric expression when exploring unpopular topics This strategy holds the attention of readers who would otherwise reject the subject matter The author traces the line of descent from Mary Lavin to N Dhuibhne and from Zora Neale Hurston to Toni Morrison showing how obstacles to free expression though varying from those Lavin and Hurston faced are still encountered by Morrison and N Dhuibhne The basis for comparing these authors lies in the strategies of indirection they use as influenced by folklore The folkloric characters these authors depict wild denizens of the Otherworld and wise women of various traditions help their creators insert controversy into fiction in ways that charm rather than alienate readers Forms of rhetorical indirection that appear in the context of folklore such as signifying practices masking sly civility and the grotesque or bizarre come out of the mouths and actions of these writers magical and magisterial characters Old traditions can offer new ways of discussing issues such as sexual expression religious beliefs or issues of reproduction As differences between times and cultures affect what can and cannot be said folkloric indirection may open up a vista to discourses of which we as readers may not even be aware Finally the folk women of Morrison N Dhuibhne Hurston and Lavin open up new points of entry to the discussion of fiction rhetoric censorship and folklore
