War of the Bloods in My Veins DaShaun "Jiwe" Morris, 2009-01-27 By turns harrowing moving and ultimately redemptive this is a war story a war that rages out of control on the streets of the United States claiming the lives of our loved ones and neighbors In this memoir complete with child soldiers unspeakable violence and eventual salvation we witness the journey of an East Coast member of the notorious Bloods gang coming to terms with the lost boy he was and the transformation into the man he wants to become Unlike the child warriors of Mozambique and Sierra Leone gang members and the wars they wage are the United States homegrown nightmare Lacking protection support or any alternatives Dashaun Morris is forced into battle for the first time at age eleven in the streets of Phoenix when a friend's older brothers put him in a car filled with 40s and weed smoke put a gun in his hands then make him point it at the men on the corner and squeeze the trigger The targets are Crips of course and as Morris writes In the

darkness of the streets my childhood is murdered I am reborn a gangster In this haunting violent memoir Morris takes us through an American childhood turned grotesquely inside out In the fourth grade he loses his first friend in a drive by shooting By high school he is the man a champion on the football field by day and a reputable banger on his hood turf by night Living the life of a gang banger Morris does it all drug dealing jacking and continuing the aimless war with rival gang members almost opening fire one night on a close friend a cheerleader as she hangs out with young men he mistakes for Crips He eventually makes it to college on a football scholarship but on the verge of being drafted by the NFL Morris can't escape his gang banging mentality and gets caught up in crimes that snatch away all future hopes Sitting in a prison cell he anticipates the birth of his first child while counting the friends he's buried War of the Bloods in My Veins is part of Morris's redemption a cry to his brothers that gang life is mental illness It is a rare and brutally honest look into the relentless storm of abandonment violence crime death and the endless rush toward the complete and utter self annihilation that plagues the lives of the young soldiers who die every day in our streets **Montgomery Ward** Montgomery Ward,1924

Moonlit Bond With The Alpha Xander Cross,2025-05-18 Forget the fairytales Forget the moon goddess Forget the idea of soulmates In this world werewolves aren t romanticized They re beasts Savage cold and merciless They rule their territory with an iron fist and the law doesn t touch them The world turns a blind eye letting them do as they please I grew up believing this was the truth And I was fine with it until the Harvest came The Harvest A dark tradition designed to keep peace between species Every year a girl is given to the Alpha A piece offering A way to keep the balance A sacrifice For years I ve managed to avoid being chosen My future was clear I had dreams a thirst for knowledge a life I could make for myself Until everything came crashing down Until I was gifted to him A slave A sacrifice Presented to the Alpha as a token to keep

the peace and protect my town My family weeps My sister berates me I lie to myself telling myself that their safety is all that matters that my future doesn't matter anymore But what happens when the Alpha the savage the one I was meant to be afraid of starts to care Gifted to the Alpha is a dark twisted tale of sacrifice survival and the unexpected bond between a girl forced into submission and the Alpha who might just become her protector Tensions run high as desire and danger collide and the question remains when the beast starts to care can the girl ever escape the bond that ties her to him **Bloodline** Niki Hanisa, 2010 Thrilling adventures in FORSAKEN didn't end there but ravaging on in BLOODLINE In 2002 three children became spectators to their mothers killing Four years later they still struggling to find normalcy Now they have to take that thorn strewn journey together again Evils have returned in full force invading the slayers already chaotic life The reappearance of a lost friend complicates matter further and making new friends is not easy either The trio is thrown back into the killing life more than ever before trying to uncover the truth determining whether a friend is still a friend or have transformed into a dangerous foe They have no choice but to put aside their differences long enough to find out what life has in store for them this time around or devastatingly discover their once strong bond is too broken to be mended **Ponder on This** Bailey, Alice A., 2023-07-21 Throughout the books of Alice Bailey we frequently come across arresting suggestions and ideas Many of these are brought together in this book Arranged in alphabetical subject order they form an ideal introduction to the books as a whole Topics include The Ancient Mysteries Courage Crisis Guidance Joy Mind The New Age Visualisation
